BLEAU FOX	DECLARATION OF SAMUEL T. REES IN SUPPORT OF RECONSIDERATION OF AMENDED PRELIMINARY APPROVAL ORDER		

1 I, SAMUEL T. REES, declare:

I remain an attorney at law duly licensed to practice in California
 and Louisiana. I also remain "Of Counsel" to Bleau Fox, a PLC, counsel for
 Plaintiff and Plaintiff Class herein.

5 2. I submit this declaration in support of Plaintiff's request that this
6 Court reconsider its Amended Preliminary Approval Order, filed herein on
7 September 24, 2020, a conformed copy of which is attached hereto as Exhibit A
8 for the Court's convenience.

9 3. Following this Court's granting of the parties' joint *ex parte*10 application on January 12, 2021, the parties have modified their settlement
11 documents and now seek the Court's preliminary approval of the settlement as
12 now modified by the parties' Third Amended and Restated Settlement
13 Agreement.

Attached hereto as Exhibit B is a true and correct copy of the parties'
 Third Amended and Restated Settlement Agreement with all exhibits thereto.
 Those exhibits have been bookmarked so as to avoid unnecessary duplication of
 exhibits to this declaration.

18 5. Attached hereto as Exhibit C is a redline, which I prepared, showing
19 how the Third Amended and Restated Settlement Agreement differs from the
20 parties' Second Amended and Restated Settlement Agreement.

6. Because of the changes made in the Third Amended and Restated
 Settlement Agreement, the parties were required to amend the previously
 approved Class Notice. Exhibit 1 to Exhibit B hereto is the amended Class
 Notice. Attached hereto as Exhibit D is a redline, which I prepared, showing
 how the amended Class Notice differs from the previously approved Class
 Notice.

27 7. The passage of time and the parties' amended settlement documents
28 requires that this Court further amend its prior Amended Preliminary Approval

1	Order, Exhibit A hereto. Concurrently with the filing of this declaration,		
2	2 Plaintiff is lodging a [Proposed] Second Amended Preliminary Approval Order,		
3	which is also Exhibit 2 to Exhibit B hereto. Attached hereto as Exhibit E is a		
4	redline, which I prepared, showing how the [Proposed] Second Amended		
5	Preliminary Approval Order differs from the Amended Preliminary Approval		
6	Order.		
7	I declare under penalty of perjury under the laws of the State of California		
8	that the foregoing is true and correct.

William Claster Department CX 102 CLASS ACTION FROPOSED AMENDED PRELIMINARY APPROVAL ORDER Date: September 4, 2020 Time: 9:00 a.m. Dept: CX 104 Complaint Filed: August 2, 2010 Trial Date: None Set	
19 20			
20 21 22	WHEREAS, this action is pending before this Court as a Class Action; and		
23	WHEREAS, Plaintiff Santiago Medina ("Medina") has filed an unopposed		
24 25	motion with this Court for an Order preliminarily approving the settlement of the Class Action entered into by and between R & M Pacific Rim, Inc., a		
25 26	California corporation, ("R&M") and Medina, individually and on behalf of		
27	Settlement Class Members as defined therein, in accordance with their Second		
28	Amended and Restated Settlement Agreement, which, together with the		
Bleau Fox	- 1 - [PROPOSED] AMENDED PRELIMINARY APPROVAL ORDER		

, ' , Exhibits attached to the Second Amended and Restated Settlement Agreement,
 sets forth the terms and conditions for a proposed partial settlement of the Class
 Action; and the Court having read and considered the Second Amended and
 Restated Settlement Agreement and the Exhibits attached thereto;

5

NOW, THEREFORE, IT IS HEREBY ORDERED:

6 1. This Preliminary Order incorporates by reference the definitions in
7 the Second Amended and Restated Settlement Agreement, as filed with the
8 Court, and all terms defined therein shall have the same meaning as set forth in
9 the Second Amended and Restated Settlement Agreement.

2. Effective September 4, 2020, the Court hereby grants Medina's
 Motion for Preliminary Approval of Class Action Settlement and finds the terms
 of the Second Amended and Restated Settlement Agreement to be within the
 range of reasonableness of a settlement that ultimately could be granted
 approval by the Court at a Final Approval Hearing.

15 3. The Court preliminarily approves the terms of the Second Amended 16 and Restated Settlement Agreement and finds that they fall within the range of 17 approval as fair, adequate, and reasonable. The Court hereby preliminarily finds 18 that the Settlement Agreement is the product of informal, non-collusive negotiations conducted at arms' length by the parties. The Court has considered 19 the estimate of the Class Members' total recovery, R&M's potential liability, the 20 21 allocation of settlement proceeds among Class Members, including the two 22 subclasses, and the fact that a settlement represents a compromise of the 23 parties' respective positions rather than the result of a finding of liability at 24 trial. The assistance of an experienced mediator in the settlement process 25 supports the Court's conclusion that the Settlement is non-collusive and 26 reasonable. The Settlement is presumptively valid.

4. For purposes of the Settlement only, the Court finds that the
proposed Settlement Class is ascertainable and that there is a sufficiently well-

1 defined community of interest among the members of the Settlement Class in 2 questions of law and fact. Therefore, the Court preliminarily certifies as the Settlement Class, for settlement purposes only, all persons who were employed 3 by R&M and who worked at a Shell branded station operated by R&M and 4 5 owned by Equilon Enterprises, LLC at any time during the period from August 6 2, 2006 to September 1, 2008. The Settlement Class consists of the Settlement 7 Misclassification Subclass, consisting of all Settlement Class Members during 8 any portion of the Class Period that they were declared by R&M as exempt 9 employees and paid a salary. and the Settlement Break Subclass, consisting of 10 all Settlement Class Members during any portion of the Class Period that they 11 were non-exempt hourly wage employees.

12 5. For purposes of the Settlement only, Medina is approved as the
13 Class Representative.

6. For purposes of the Settlement only, Bleau Fox, a Professional Law
Corporation, is appointed and approved as Class Counsel.

16 7. The Court hereby appoints and approves Phoenix Settlement
17 Administrators as the Settlement Administrator.

18 8. After balancing the privacy interests of the Settlement Class as 19 asserted by R&M, the Court finds that in order for the Class Notice to be mailed 20 to the Settlement Class at their last known address based upon R&M's employment records, that the Settlement Administrator and Class Counsel have 21 22 sufficient information to locate Settlement Class members and that the 23 Settlement Administrator and Class Counsel have sufficient information to 24 prorate Individual Settlement payments for each subclass, it is necessary and 25 appropriate, without prior notice to the Settlement Class, that R&M be 26 authorized and directed to provide to the Settlement Administrator and Class Counsel the Class Information to be used solely for the purposes of settlement of 27 28 this Class Action. Having so determined, the Court hereby orders R&M to so

Bleau Fox

provide to the Settlement Administrator and Class Counsel the Class
 Information to be so used on or before October 4, 2020.

9. A hearing ("Final Approval Hearing") shall be conducted before this
Court on February 19, 2021 at 9:00 a.m., in Department CX104, to determine
whether the proposed settlement of the Class Action on the terms and conditions
provided for in the Settlement Agreement is fair, reasonable and adequate,
whether said settlement should be finally approved by the Court, and whether a
Final Approval Order and Judgment should be entered herein.

9 10. The Court hereby approves, as to form and content, the Class Notice,
10 Information Sheet and Request for Exclusion Form attached as Exhibit 1 to the
11 Second Amended and Restated Settlement Agreement.

12 11. The Court approves the requirements for disputing the information 13 upon which Settlement Class Members' share of the Settlement will be calculated. The Court approves the requirements for objecting to the Settlement 14 15 and excluding Settlement Class Members who timely and properly request to be 16 excluded from the Settlement Class, all as provided in the Second Amended and 17|| Restated Settlement Agreement. The Court finds that the procedures and 18 || requirements for submitting objections in connection with the Final Approval 19 Hearing are intended to ensure the efficient administration of justice and the 20 orderly presentation of any Settlement Class Member's objection to the 21 Settlement, in accordance with the due process rights of all Settlement Class 22 Members.

12. The Court finds that the mailing of the Class Notice substantially in
the manner and form as set forth in the Second Amended and Restated
Settlement Agreement and this Preliminary Approval Order meets the
requirements of *California Rules of Court* Rules 3.766(d) and 3.769(f), California

27 Code of Civil Procedure section 382, California Civil Code section 1781, other

28 applicable law, and due process, and is the best notice practicable under the

Bleau Fox

circumstances, and shall constitute valid, due and sufficient notice to all
 Settlement Class Members.

3 13. The Court hereby authorizes and directs the Settlement
4 Administrator to mail or cause to be mailed to Settlement Class Members the
5 Class Notice, completed Information Sheet and the Request for Exclusion Form.
6 Such documents shall be sent by First Class U.S. mail, postage prepaid. Mailing
7 of the Class Notice shall occur on November 3, 2020.

8 14. On or before January 19, 2021, Class Counsel shall serve and file its
9 application for a Class Counsel Award and litigation costs and expenses as well
10 as any application for a Service Award.

11 15. Five days prior to the Final Approval Hearing, Class Counsel shall
12 serve and file the declaration of the Settlement Administrator containing the
13 information required by the Second Amended and Restated Settlement
14 Agreement.

15 16. The Court reserves the right to adjourn or continue the date of the
16 Final Approval Hearing without further notice to Class Members, and retains
17 jurisdiction to consider all further applications or motions arising out of or
18 connected with the proposed settlement.

IT IS SO ORDERED. Dated: September 24 2020

12 22. "Second Amended Preliminary Approval Order" means the

Medina intends to seek a Service Award of Five Thousand Dollars (\$5,000) and R&M shall not object to a 24 25 Service Award of Five Thousand Dollars (\$5,000) or less. The Service Award shall be paid from the Total Settlement Amount. 26

7 29. "Settlement Class" means all persons who were employed by R&M
8 and who worked at a Shell branded station operated by R&M and owned by

10 September 1, 2008. The Settlement Class consists of the Settlement

34. "Total Settlement Amount" means Eight Hundred Forty-Five 1 2 Thousand Dollars (\$845,000.00) for payment of all claims, which is the 3 maximum amount that R&M is obligated to pay under this Settlement Agreement under any circumstances in order to resolve and settle the Class 4 Action, subject to Court approval. RECITALS

15 37. At all relevant times, Medina was and is a resident of Orange
16 County, California. Medina was employed by R&M in approximately October
17 2005 and remained so employed until December 26, 2008.

18 38. At all relevant times, R&M was and is a California corporation with19 its principal place of business in Orange County, California.

39. Defendant Equilon Enterprises, LLC ("Equilon") is a Delaware
limited liability company with its principal place of business in Houston, Texas.
At all relevant times, Equilon has operated under the fictitious business name of
Shell Oil Products US and is qualified to do business and doing business in
California and in Orange County. At all relevant times, Equilon was in the
business of owning service stations and selling motor fuel to the consuming
public.

27 40. Effective on February 1, 2005, Equilon and R&M entered into their
28 first Multi-Site Operator ("MSO") lease and contract for a cluster of 21 stations

all of which were located in Orange County, California. Pursuant to these
 agreements, R&M agreed to lease the convenience stores and car washes at
 these stations for its own benefit and agreed to operate all other aspects of those
 service stations for the benefit of Equilon. These agreements were extended
 through the Class Period. R&M's sole business during the Class Period was to
 lease convenience stores and car washes from Equilon and to operate Equilon's
 service stations.

8 41. Pursuant to those agreements, Equilon required that all stations
9 which R&M leased and operated for Equilon be open 24/7/365 unless closure was
10 required by law. R&M complied with these requirements at all times during the
11 Class Period.

12 42. At all times during his employment, Medina worked at these 13 Equilon owned and R&M operated stations, first as a cashier and later as a 14 manager. Upon being promoted to the position of manager, Medina alleges that R&M declared Medina to be an exempt employee, paid him a salary and did not 15 pay him overtime. Prior to October 1, 2008, R&M reclassified Medina as a non-16 exempt employee and thereafter paid him an hourly wage. At all times during 17 the Class Period, Medina alleges that he was forbidden by R&M from closing the 18 19 station at which he worked in order to take an off-duty rest break and that he 20 received no compensation for any missed rest break during the Class Period.

43. On May 20, 2005, Debbie Jo Wales commenced an action in the Los
Angeles County California Superior Court against Shell Oil Company; Equilon
and C6 Resources LLC, among others, as a class and representative action. The
action was denominated *Wales v. Shell Oil Company, et al.*, Case No. BC 333 740
(the "Wales Action"). Class Counsel represented plaintiffs in the Wales Action;
and at all times Samuel T. Rees, "Of Counsel" to Class Counsel, was the lead
attorney for plaintiffs in the Wales Action.

28

44. Among other claims in the Wales Action, plaintiffs therein asserted 1 2 that managers of Equilon-owned and third-party-operated California service 3 stations were misclassified and were improperly denied overtime pay and that all such employees were denied off-duty rest breaks and compensation for 4 missed rest breaks. Plaintiffs therein also alleged that Equilon was the "joint 5 employer" of those employees and liable for their wage claims. Medina and 6 7 Raymond Stoddard ("Stoddard") were putative class members in the Wales 8 Action.

9 45. On August 2, 2010, Medina and Stoddard commenced the Class10 Action.

46. On October 15, 2010, the Court stayed the Class Action because of
the pendency of the Wales Action. This stay remained in effect until August 13,
2018.

47. While the stay in the Class Action was in effect, Stoddard died and15 is no longer a party plaintiff in the Class Action.

48. While the stay in the Class Action was in effect, substantial
discovery was undertaken in the Wales Action. This discovery included the
depositions of Medina, Stoddard, and Seung Il Kim as well as document
production and other information from R&M.

20 49. Following the lifting of the stay in the Class Action, R&M and 21 Medina decided to participate in a voluntary private mediation of the claims against R&M in the Class Action. After careful research and consideration, the 22 23 parties selected the Honorable Carl J. West (Ret) of JAMS to be the mediator. Judge West is a well-respected retired Superior Court Judge with extensive 24 25 experience in trying, arbitrating and mediating wage and hour class action 26 disputes such as those alleged by Medina in the Class Action. Mediation was 27 scheduled for January 3, 2019 and lasted the entire day. While Medina and 28 R&M did not reach a settlement at the mediation hearing, Judge West remained

BLEAU FOX

- 10 -THIRD AMENDED AND RESTATED SETTLEMENT AGREEMENT WITH EXHIBITS

involved in the mediation process; and, as a result, a settlement in principal was 1 2 reached between those parties on January 15, 2019. The settlement in principal 3 is the result of an informed and detailed evaluation of the total exposure and potential liability, in relation to the costs and risks associated with continued 4 5 litigation of the Class Action. The settlement in principle is subject to and 6 expressly conditioned upon the Parties entering into this Settlement Agreement 7 and the Court in the Class Action both preliminarily and finally approving the 8 Settlement.

9 50. The settlement in principal reached as a result of the mediation does
10 not resolve all claims in the Class Action. In addition to asserting claims
11 against R&M, Medina has also asserted claims against Equilon claiming that it
12 is the joint employer of employees working at the Equilon-owned service stations
13 including those managed by R&M.

14 51. The Settlement, if finally approved and Judgment is entered, (i) will
15 resolve all claims of the Settlement Class Members, who do not timely request to
16 be excluded from the Settlement, against Equilon but only for claims during the
17 Class Period and (ii) will resolve all claims of the Settlement Class Members,
18 who do not timely request to be excluded from the Settlement, against R&M for
19 all claims alleged in the Second Amended Complaint, or that could have been
20 alleged in the Second Amended Complaint based on the facts alleged therein.

52. 21 The Settlement, if finally approved and Judgment is entered, will not resolve (i) claims that arose prior to or after the Class Period, (ii) claims 22 23 against Equilon, (iii) claims that are not alleged in the Second Amended 24 Complaint and could not have been alleged in the Second Amended Complaint 25 based on the facts alleged therein, (iv) claims that, as a matter of law cannot be 26 released, (v) claims for retaliation, discrimination, or wrongful termination, or 27 (vi) individual claims filed with the appropriate agency for the recovery of 28 workers' compensation benefits.

53. Equilon has been granted summary judgment as to all claims
 asserted against it in the Class Action on the grounds that based upon the
 undisputed facts it is not the joint employer of any employee working at its
 California owned and third-party-operated service stations. Medina has
 appealed this Summary Judgment which appeal is currently pending.

6 54. In addition to the class claims asserted in the Class Action, Medina
7 has also asserted a claim for wrongful termination against R&M. As a result of
8 the mediation, this claim has also been tentatively settled which settlement is
9 conditioned upon the Court entering the Judgment on Final Approval of this
10 Settlement. If approved, Medina will receive Five Thousand Dollars (\$5,000) in
11 settlement of this claim.

12 55. On March 25, 2019, Medina filed his Second Amended Complaint in
13 the Class Action. This is the operative and most recent complaint filed in the
14 Class Action. Among other changes, the Second Amended Complaint removed
15 Stoddard as a named plaintiff.

16 56. R&M has denied and continues to deny each and all of the claims and allegations made in the Class Action, including those in each pleading filed 17 by Medina or Stoddard in the Class Action, and further denies that it has 18 19 committed any illegal, unlawful, unfair, fraudulent and/or wrongful act, 20 omission, or practice for which it owes any wages, compensation, penalties, 21 restitution, interest, fees, costs or other payments whatsoever, including those alleged in the Class Action. R&M also has asserted a number of affirmative 22 23 defenses in the Class Action which it believes are meritorious. R&M also denies, and continues to deny, *inter alia*, the allegations that the Settlement Class 24 25 Members have suffered damage. Without limiting the foregoing, R&M contends 26 that the Settlement Class Members were properly and timely paid all wages 27 owed, including without limitation, all straight time, overtime pay, and double 28

1 time pay and were provided meal and rest periods as required under California
2 law.

3 57.In reaching the settlement in principal, Medina has recognized the 4 expense and length of proceedings necessary to continue the Class Action 5 against R&M through discovery, trial and any possible appeals. Medina also 6 has taken into account the uncertainty and risk of the outcome of further 7 litigation, and the difficulties and delays inherent in such litigation. Medina 8 also is aware of the burdens of proof necessary to establish class certification, 9 liability, R&M's defenses thereto, and the difficulties in establishing damages, 10 restitution and other requested relief for himself and all Class Members. Based on the foregoing, Medina and Class Counsel have determined that the 11 12 Settlement Agreement is a fair, adequate and reasonable settlement, and that it 13 is in the best interests of all Settlement Class Members. In that regard, the 14 Parties agree that Judge West, at his sole discretion, may execute a declaration supporting the settlement and the reasonableness of it, and the Court, in its 15 discretion, may contact Judge West *ex parte* to discuss the settlement and 16 whether it is fair and reasonable. 17

18 58. R&M has concluded that any further defense of the Class Action 19 would be protracted and expensive. Substantial amounts of time, energy and resources of R&M have been devoted and, unless this Settlement is made and 20 21 approved, will continue to be devoted to the defense of the claims asserted in the Class Action. R&M has also taken into account the uncertainty and risks 22 23 inherent in litigation, particularly complex litigation such as the Class Action. Based on the foregoing, R&M has concluded that it is desirable and beneficial 24 25 that the Class Action be fully and finally settled in the manner and upon the 26 terms and conditions set forth in this Settlement Agreement. R&M, therefore, has agreed to settle in the manner and upon the terms set forth in this 27 28 Settlement Agreement in order to put to rest the claims as set forth in the Class

- 13 -THIRD AMENDED AND RESTATED SETTLEMENT AGREEMENT WITH EXHIBITS

Action. At the same time, R&M continues to deny each of the claims,
 allegations, and contentions asserted in the Class Action and denies that
 certification of any class is or was appropriate (other than for purposes of this
 Settlement only). R&M has repeatedly asserted and continues to assert
 defenses thereto, and has expressly denied and continues to deny any
 wrongdoing or legal liability arising out of any of the facts or conduct alleged in
 the Class Action.

8 NOW, THEREFORE, IT IS HEREBY AGREED, BY AND BETWEEN
9 the undersigned, that the Class Action shall be settled, subject to preliminary
10 and final approval of the Court, upon and pursuant to the following terms and
11 conditions:

12

<u>REPRESENTATIONS BY R&M.</u>

13 59. During the course of the mediation and thereafter, R&M made 14 certain factual representations to Medina to induce Medina to settle the Class Action. R&M now represents to the Settlement Class Members, and to no other 15 person, that the following facts are true as of the date of the execution of this 16 Settlement Agreement and that, solely for the purpose of deciding whether or 17 not to object to the Settlement or request to be excluded from the Settlement, 18 each Settlement Class Member may rely on these facts and verify that they are 19 20 true as to that Settlement Class Member based on his or her own knowledge. 21 R&M further represents to Medina that the listing of the actual rate of pay for each Settlement Class Member for the entire Class Period and a pay stub 22 23 showing each rate of pay for each Settlement Class Member is true and correct 24 payroll information. The representations shall expire on the Effective Date and 25 shall not be relied upon for any purpose thereafter. The representations should 26 not be relied upon by any person, at any time, other than for the limited 27 purposes explicitly set forth in this paragraph.

28

A. If no Settlement Class Member requests to be excluded from
 this Settlement, there are 29 employees who would be included in the
 Settlement Misclassification Subclass, 12 of whom are also included in the
 Settlement Break Subclass. Of these 29 employees, approximately 5 employees
 were members of the Settlement Misclassification Subclass for the entire Class
 Period.

7 B. If no Settlement Class Member requests to be excluded from
8 this Settlement, there are 351 employees who would be included in the
9 Settlement Break Subclass, 12 of whom are also included in the Settlement
10 Misclassification Subclass.

C. During the Class Period, each member of the Settlement
Break Subclass, including managers who were non-exempt hourly employees,
was compensated at an hourly rate ranging from \$6.75 to \$9.00 for 2006,
ranging from \$7.50 to \$8.75 for 2007 and ranging from \$8.00 to \$11.00 for 2008.

D. During the Class Period, each member of the Settlement
Misclassification Subclass was compensated by a salary ranging between \$10.38
per hour and \$16.15 per hour, calculated by taking their annual salary and
dividing it by 2,080 hours.

E. Prior to October 1, 2008, R&M reclassified each member of the
Settlement Misclassification Subclass as a non-exempt employee. From and
after being reclassified, R&M paid those employees an hourly wage and overtime
when they worked more than 40 hours in a work week or more than 8 hours in a
workday as shown on their timecards.

F. Prior to September 1, 2008, R&M changed its rest break policy
to clarify that all employees, including employees formerly claimed to be exempt
employees and since reclassified as non-exempt employees, were entitled to and
provided with duty-free, paid rest periods at the rate of no less than ten minutes
net rest for every four hours worked, or major fraction thereof.

G. On or about July 5, 2008 and as a result of a California Labor 1 2 Commissioner meal break audit, R&M paid approximately 370 employees a total 3 of \$122,721.88 for missed meal break compensation. These payments were believed by R&M to resolve all meal break claims for the Class Period. In June 4 5 2008, R&M modified its meal break policy to ensure that all non-exempt employees working more than 5 hours in a workday and not working alone were 6 7 afforded a off-duty meal break, a form to report any missed or non-compliant 8 meal breaks for which payment would be provided and continued to allow non-9 exempt employees working alone the option to sign an on-duty meal waiver if they wished to do so. 10

H. Pursuant to Equilon's contractual requirement, all Settlement
 Class Members were fluent in English.

13 60. On October 5 and 6, R&M provided Class Counsel and the 14 Settlement Administrator with the Class Information. R&M supplemented this Class Information on October 9 and December 21, 2020. Class Counsel has 15 reviewed the Class Information as supplemented and found no material 16 inaccuracies with the representations made above. Medina has determined that 17 the compensation representations are true as to himself and as to the non-18 19 exempt employees working at the stations that Medina managed, that he was 20 reclassified as a non-exempt employee in September 2008, that he and non-21 exempt employees working at the stations that he managed received certain missed meal break compensation in 2008 and that R&M changed its rest break 22 23 and meal break policies in or around September 2008 to allow all employees to either receive off-duty meal and rest breaks or compensation for missed breaks. 24 25 With these exceptions, neither Medina nor Class Counsel has verified the truth 26 of the foregoing representations but recognize that each Settlement Class 27

28

SETTLEMENT AGREEMENT

Member will be able to determine whether any represented fact is materially
 untrue as to himself or herself in making a decision as to whether to request to
 be excluded from the Settlement.

SUBMISSION OF THE SETTLEMENT AGREEMENT TO THE COURT FOR PRELIMINARY AND FINAL APPROVAL

6 61. Upon execution of this Settlement Agreement, Medina shall seek
7 preliminary approval of the Settlement, as amended herein, and a further
8 amendment to the Amended Preliminary Approval Order filed in the Action on
9 September 24, 2020.

10 62. The Parties stipulate to conditional certification under Code of Civil
11 Procedure Section 382, for settlement purposes only, of the Settlement
12 Misclassification Subclass and the Settlement Rest Break Subclass.

63. The Parties agree that this stipulation, the Settlement, and any oral
or written statements made in connection therewith, shall not be admissible in,
and may not be used by any person for any purpose whatsoever in any legal
proceeding, including but not limited to any arbitrations and/or any civil and/or
administrative proceedings, other than a proceeding to enforce the terms of the
Settlement Agreement, as further set forth in this Settlement Agreement,
regardless of whether the Settlement is finally approved and/or consummated.

20 64. The Parties stipulate to the form of and agree to submit to the Court
21 for its consideration this Settlement Agreement and the following Exhibits to
22 this Settlement Agreement: Class Notice (Exhibit 1) and [Proposed] Second
23 Amended Preliminary Approval Order (Exhibit 2).

65. Solely for purposes of implementing this Settlement Agreement and
effectuating the proposed Settlement, the Parties agree and stipulate that the
Court may enter the Second Amended Preliminary Approval Order, without
material variation from Exhibit 2, preliminarily approving the Settlement and
this Settlement Agreement. Among other things, the Second Amended

5

Preliminary Approval Order shall grant leave to preliminarily certify the 1 2 Settlement Misclassification Subclass and the Settlement Break Subclass for 3 settlement purposes only; re-approve Medina as class representative, re-appoint Class Counsel to represent the Settlement Class, and re-appoint the Settlement 4 5 Administrator; approve the Class Notice and the Class Notice plan embodied in 6 this Settlement Agreement, and approve them as consistent with *California* 7 Rules of Court Rules 3.766(d) and 3.769(f) and due process; set out the 8 requirements for disputing the information upon which Settlement Class 9 Members' Individual Settlement Payment will be calculated; objecting to the 10 Settlement; excluding Settlement Class Members who timely and properly request to be excluded from the Settlement Class, all as provided in this 11 12 Settlement Agreement; and provide that certification and all actions associated 13 with certification are undertaken on the condition that the certification and 14 other actions shall be automatically vacated and be of no force or evidentiary effect if this Settlement Agreement is terminated or disapproved, as provided in 15 this Settlement Agreement. 16

17 66. At the Final Approval Hearing, Medina shall request entry of a
18 Final Approval order and a Judgment, to be agreed upon by the Parties, the
19 entry of which is a material condition of this Settlement and that, among other
20 things:

A. Finally approves the Settlement as fair, reasonable, and
adequate and directs its consummation pursuant to the terms of the Settlement
Agreement;

24 B. Finds that Class Counsel and Medina adequately represented
25 the Settlement Class for the purpose of entering into and implementing the
26 Settlement Agreement;

27 28

BLEAU FOX

18

C. Re-confirms the appointment of the Settlement Administrator
 and finds that the Settlement Administrator has fulfilled its duties under the
 Settlement to date;

D. Finds that the Class Notice: (i) constituted the best practicable
notice; (ii) constituted notice that was reasonably calculated, under the
circumstances, to apprise Settlement Class Members of the pendency of the Class
Action, and their right to exclude themselves from or object to the proposed
settlement and to appear at the Final Approval Hearing; (iii) was reasonable and
constituted due, adequate, and sufficient notice to all persons entitled to receive
notice; and (iv) met all applicable requirements of *California Rules of Court* Rules
3.766(d) and 3.769(f), due process, and any other applicable rules or law;

E. Approves the Opt-Out List and determines that the Opt-Out
List is a complete list of all Settlement Class Members who have timely and
properly requested exclusion from the Settlement Class and, accordingly, shall
neither share in nor be bound by the Final Approval order and Judgment;

F. Directs that the Final Approval order and Judgment of
dismissal shall be final and entered forthwith;

18 G. Without affecting the finality of the Final Approval order and
19 Judgment, directs that the Court retains continuing jurisdiction over Medina, the
20 Settlement Class, and R&M as to all matters concerning the administration,
21 consummation, and enforcement of this Settlement Agreement;

H. Adjudges that, as of the Final Approval Date, Medina, and all
Settlement Class Members who have not been excluded from the Settlement
Class as provided in the Opt-Out List approved by the Court, and their Legally
Authorized Representatives, heirs, estates, trustees, executors, administrators,
principals, beneficiaries, representatives, agents, assigns, and successors, and/or
anyone claiming through them or acting or purporting to act for them or on their
behalf, regardless of whether they have received actual notice of the proposed

Settlement, have conclusively compromised, settled, discharged, and released the
 Named Plaintiff's General Released Claims (in the case of Medina) and
 Settlement Class Members' Released Claims (in the case of the Settlement Class
 Members, including Medina) against R&M and others identified therein and are
 bound by the provisions of this Settlement Agreement;

I. Declares this Settlement Agreement and the Final Approval 6 7 brder and Judgment to be binding on, and have *res judicata* and preclusive effect 8 as to all pending and future lawsuits or other proceedings: (i) that encompass the 9 Named Plaintiff's General Released Claims and that are maintained by or on 10 behalf of Medina and/or his Legally Authorized Representatives, heirs, estates, 11 trustees, executors, administrators, principals, beneficiaries, representatives, 12 agents, assigns, and successors, and/or anyone claiming through them or acting 13 br purporting to act for them or on their behalf, and (ii) that encompass the 14 Settlement Class Members' Released Claims and that are maintained by or on 15 behalf of any Settlement Class Member who has not been excluded from the 16 Settlement Class as provided in the Opt-Out List approved by the Court and/or 17 his or her Legally Authorized Representatives, heirs, estates, trustees, executors, 18 administrators, principals, beneficiaries, representatives, agents, assigns, and 19 successors, and/or anyone claiming through them or acting or purporting to act 20 for them or on their behalf, regardless of whether the Settlement Class Member 21 previously initiated or subsequently initiates individual litigation or other 22 proceedings encompassed by the Settlement Class Members' Released Claims, 23 and even if such Settlement Class Member never received actual notice of the Class Action or this proposed Settlement; 24

J. Determines that this Settlement Agreement and the
Settlement provided for herein, and any proceedings taken pursuant thereto, are
not, and should not in any event be offered, received, or construed as evidence of,
a presumption, concession, or an admission by any party of liability or non-

liability or of the certifiability or non-certifiability of a litigation class, or of any
 misrepresentation or omission in any statement or written document approved or
 made by any Party; provided, however, that reference may be made to this
 Settlement Agreement and the Settlement provided for herein in such
 proceedings as may be necessary to effectuate the provisions of this Settlement
 Agreement, as further set forth in this Settlement Agreement;

K. Orders that the preliminary approval of the Settlement,
certification of the Settlement Misclassification Subclass and the Settlement
Break Subclass and final approval of the proposed Settlement, and all actions
associated with them, are undertaken on the condition that they shall be vacated
if the Settlement Agreement is terminated or disapproved in whole or in part by
the Court, or any appellate court and/or other court of review, in which event the
Settlement Agreement and the fact that it was entered into shall not be offered,
received, or construed as an admission or as evidence for any purpose, including
but not limited to an admission by any Party of liability or non-liability or of any
misrepresentation or omission in any statement or written document approved or
made by any Party, or of the certifiability of a litigation class, as further provided
in this Settlement Agreement;

L. Authorizes the Parties, without further approval from the
Court, to agree to and adopt such amendments, modifications, and expansions of
this Settlement Agreement, including all Exhibits hereto, as (i) shall be
consistent in all material respects with the Final Approval order and (ii) do not
limit the rights of Settlement Class Members; and

24 M. Contains such other and further provisions consistent with the
25 terms of this Settlement Agreement to which the Parties expressly consent in
26 writing.

27 67. At the Final Approval Hearing and as a part of the final approval of28 this Settlement, Class Counsel will also request approval of the Plan of

- 21 -THIRD AMENDED AND RESTATED SETTLEMENT AGREEMENT WITH EXHIBITS Allocation set forth below. Any modification to the Plan of Allocation by the
 Court shall not (i) affect the enforceability of the Settlement Agreement; (ii)
 provide any of the Parties with the right to terminate the Settlement
 Agreement; or (iii) impose any obligation on R&M to increase the consideration
 paid in connection with the Settlement.

6 68. At the Final Approval Hearing, Class Counsel may also request 7 entry of an Order approving the Class Counsel Award and the Service Award to Medina, which shall be paid exclusively from the Total Settlement Amount and 8 9 in accordance with the distribution plan described below. In no event shall 10 R&M otherwise be obligated to pay for any attorneys' fees and expenses or Service Award(s). The disposition of Class Counsel's application for a Class 11 Counsel Award, and for the Service Award, is within the sound discretion of the 12 13 Court and is not a material term of this Settlement Agreement, and it is not a 14 condition of this Settlement Agreement that such application be granted. Any disapproval or modification of such application by the Court shall not (i) affect 15 the enforceability of the Settlement Agreement, (ii) provide any of the Parties 16 with the right to terminate the Settlement Agreement, or (iii) increase the 17 consideration R&M pays in connection with the Settlement. R&M shall have no 18 19 liability to Class Counsel arising from any claim regarding the division of the 20 Class Counsel Award between and among Class Counsel and any other counsel representing any of the Settlement Class Members. 21

22 69. In no event shall R&M be obligated to pay Settlement
23 Administration Expenses beyond those provided for in this Settlement
24 Agreement.

25

SETTLEMENT CONSIDERATION

70. The total consideration for the Settlement from R&M is the Total
Settlement Amount (\$845,000). This is an "all in" number that includes, without
limitation, all monetary benefits and payments to the Settlement Class, Service

Award, Class Counsel Award, and Settlement Administrator Expenses and all
 claims for penalties, interest, fees, and costs. The total consideration, however,
 does not include R&M's share of payroll taxes allocable to any portion of the
 Total Settlement Amount allocated to wages, which amount remains the
 responsibility of R&M. In no event shall R&M be liable for making any
 payments under this Settlement, or for providing any relief to Settlement Class
 Members, before the Effective Date, except as provided herein.

8 71. Medina and all Settlement Class Members who receive a payment of 9 any kind from the Total Settlement Amount (excluding, in the case of Medina, 10 the Service Award) expressly acknowledge that such payments shall be 11 considered to be comprised of thirty-three percent (33%) wages for which an IRS 12 Form W-2 will be issued and sixty-seven percent (67%) non-wages for which an 13 IRS Form 1099 will be issued, if required. Medina and all Settlement Class 14 Members who receive a payment of any kind from the Total Settlement Amount agree to timely pay in full all of the federal, state, and municipal income taxes 15 owed on such payments. 16

17 72. The terms of this Settlement Agreement relating to the Service
18 Award and Class Counsel Award were not negotiated by the Parties before full
19 agreement was reached as to all other material terms of the proposed
20 Settlement, including, but not limited to, any terms relating to the relief to the
21 Settlement Class. R&M agrees not to oppose a request for the Service Award for
22 Medina of Five Thousand Dollars (\$5,000) or less, which will be left to the
23 discretion of this Court.

73. Class Counsel agrees not to seek an award of attorneys' fees from
the Court in excess of one third (1/3) of the Total Settlement Amount. R&M
agrees not to oppose a request for attorneys' fees up to and including one third
(1/3) of the Total Settlement Amount. Class Counsel shall also seek all actual
expenses and costs incurred to date by Class Counsel in litigation and resolution

of the Class Action. R&M and Settlement Class Members shall have no
 obligation regarding or liability for allocation or payment of the Class Counsel
 Award. Class Counsel shall file any request for attorneys' fees, costs and
 expenses and any request for a Service Award no later than fourteen (14) days
 before the Exclusion/Written Objection Deadline. Class Counsel's request for
 attorneys' fees, costs and expenses shall be supported by billing records.

7 74. The Settlement Administrator shall pay the Class Counsel Award by
8 wire transfer to Bleau Fox, a PLC pursuant to wiring instructions from Class
9 Counsel. Class Counsel shall provide the Settlement Administrator notice of
10 receipt of the Class Counsel Award. R&M shall have no liability to Class
11 Counsel or any other counsel for Medina or any Settlement Class Member
12 arising from any claim regarding the division of the Class Counsel Award.

13

FUNDING AND ALLOCATION OF SETTLEMENT

14 75. Within fourteen (14) calendar days of the Effective Date, R&M shall
15 provide the Total Settlement Amount (\$845,000) to the Settlement
16 Administrator. The Settlement Administrator shall thereafter distribute the
17 funds in the manner and at the times set forth in this Settlement Agreement.

18 76. Within twenty-one (21) days of the Effective Date, the payment of
19 the Class Counsel Award, the Service Award approved by the Court and the
20 Settlement Administrator Expenses (up to \$15,000) as approved by the Court,
21 shall be made by the Settlement Administrator from the Total Settlement
22 Amount. The Settlement Administrator shall use reasonable efforts to disburse
23 Individual Settlement Payments within sixty (60) days after the Effective Date,
24 but in no event before twenty-one (21) days after the Effective Date.

25 77. To receive a payment from the Settlement, a Settlement Class
26 Member must not have submitted a request for exclusion from the Settlement.
27 Settlement Class Members are not eligible to receive any compensation from the
28 Settlement other than their Individual Settlement Payment.

78. After deduction from Total Settlement Amount of the Class Counsel
 Award, the Service Award and the Settlement Administrator Expenses, the
 remaining amount shall be allocated Seventy-Four percent (74%) to the
 Settlement Misclassification Subclass and Twenty-Six percent (26%) to the
 Settlement Break Subclass. Each such allocation shall be further allocated
 Thirty-Three percent (33%) to wages and Sixty-Seven percent (67%) to penalties
 and interest.

8 79. The amount of each Settlement Class Member's Individual
9 Settlement Payment will be distributed from the Total Settlement Amount and
10 calculated by the Settlement Administrator, as follows:

A. Payment from the amount allocated to the Settlement
Misclassification Subclass shall be prorated among the members of that subclass
by taking the number of days that such member was declared an exempt,
salaried employee and paid a salary during the Class Period. The product of
that calculation shall serve as the numerator for proration purposes and the
sum of all such products shall serve as the denominator for proration purposes.

B. Payment from the amount allocated to the Settlement Break 17 Subclass shall be prorated among the members of that subclass by taking the 18 19 gross wages paid during the Class Period that such member was declared a non-20 exempt hourly wage employee. This amount shall serve as the numerator for 21 proration purposes and the sum of all such products shall serve as the denominator for proration purposes. For non-exempt hourly wage employee 22 23 who commenced in that position after December 31, 2005 and/or who ceased to be in that position before January 1, 2009, the employee's gross wages will be 24 25 further prorated on a 365/365 daily basis so that the numerator shall only 26 include his gross wages earned during the Class Period.

27 C. If under the Plan of Allocation a Settlement Class Member
28 will be distributed \$10 or more, then he or she will receive the entitled amount.

BLEAU FOX

- 25 -THIRD AMENDED AND RESTATED SETTLEMENT AGREEMENT WITH EXHIBITS

If, however, the Settlement Class Member is due less than \$10, then his or her
 Individual Settlement Payment will be for \$10 and the other Settlement Class
 Members Individual Settlement Payment shall be adjusted accordingly.

4 80. Class Counsel will be permitted to review and approve the
5 calculation of Individual Settlement Payments to be distributed.

6 81. As described below, each Settlement Class Member will have the
7 opportunity, should he or she disagree with the employment information used to
8 calculate that employee's Individual Settlement Payment provided to him or her
9 with his Class Notice, to provide documentation to establish the appropriate
10 information. There will be a presumption that R&M's records are correct,
11 absent evidence produced by a Settlement Class Member to the contrary.

12 82. The Settlement Administrator shall issue the Individual Settlement Payments from the Total Settlement Amount to each Settlement Class Member 13 14 who does not properly opt out. The portion of the Individual Settlement Payments allocated to penalties and interest shall be reported by the Settlement 15 Administrator to the applicable governmental authorities on IRS Form 1099s. 16 The portion of the Individual Settlement Payments allocated to wages shall be 17 reported by the Settlement Administrator to the applicable government 18 19 authorities on IRS Form W-2s. The Service Award and Class Counsel Award shall likewise be reported on IRS Form 1099s by the Settlement Administrator. 20 The Settlement Administrator shall be responsible for issuing copies of IRS 21 Form 1099s to Medina and Settlement Class Members. 22

CLASS NOTICE

83. No more than thirty (30) calendar days after entry of the Second
Amended Preliminary Approval Order or as otherwise ordered by the Court,
R&M shall provide the Settlement Administrator and Class Counsel with any
requested supplementation to the Class Information.

28

84. The Class Notice shall contain, for each Settlement Class Member, 1 2 to the extent provided by R&M, his or her full name, last known address, social 3 security number, any last known email address, any last known telephone number, and information used to calculate each Class Member's Individual 4 Settlement Payment proration amount numerator. The Class Notice shall 5 inform Settlement Class Members of their right to request exclusion from the 6 7 Settlement, of their right to object to the Settlement, of their right to dispute the 8 information upon which their share of the Settlement will be calculated, of their 9 right to correct or supplement any other personal information provided, and a 10 description of the claims to be released unless they exercise their right to 11 request exclusion from the Settlement.

12 85. As set forth in the Class Notice, Settlement Class Members will be
13 provided thirty-five (35) days after the initial mailing of the Class Notice to
14 dispute the information contained on their Information Sheet upon which their
15 share of the Settlement will be calculated and provide documentation to support
16 this dispute. A Dispute Form will be included with the Class Notice as
17 Enclosure C for this purpose.

18 86. The Settlement Administrator shall review any documentation 19 submitted by a Settlement Class Member and consult with the Parties to 20 determine whether an adjustment is warranted. The Settlement 21 Administrator's determination shall be binding upon the Settlement Class Member and the Parties, and the Settlement Class Members Individual 22 23 Settlement Payment will be calculated according to the Settlement Administrator's determination. There will be a presumption that R&M's records 24 25 are correct, absent evidence produced by a Settlement Class Member to the 26 contrary.

27 87. No more than sixty (60) days after entry of the Second Amended
28 Preliminary Approval Order or as otherwise ordered by the Court, provided

Defendant timely complied with its obligation in Paragraph 83, the Settlement
 Administrator shall send a copy of the Class Notice by first class mail and, if
 provided in the Class Information, electronic mail to each Settlement Class
 Member.

88. If any Class Notice sent via first class mail to any Settlement Class 5 6 Member is returned as undeliverable, the Settlement Administrator shall then 7 make a good-faith attempt to obtain the most-current names and postal mail 8 addresses for those Settlement Class Members, including cross-checking the 9 names and/or postal mail addresses it received from R&M, as well as any other 10 sources, with appropriate databases (e.g., the National Change of Address Database) and performing further reasonable searches (e.g., through 11 12 Lexis/Nexis) for more-current names and/or postal mail addresses for those 13 Settlement Class Members and resend the Class Notice. All Settlement Class 14 Members' names and postal mail addresses obtained through these sources shall be protected as confidential and not used for purposes other than the notice and 15 administration of this Settlement. The addresses determined by the Settlement 16 Administrator as the current mailing address shall be presumed to be the best 17 mailing address for each Settlement Class Member. 18

19 89. As set forth in the Class Notice, Settlement Class Members will be
20 asked to update any personal information within sixty (60) days of the Notice
21 Date. Updated personal information may be submitted on the Settlement
22 Administrator's website established for this settlement or by fax to the number
23 provided or by mail.

90. The Parties agree that the procedures set forth in this Section
constitute reasonable and the best practicable notice under the circumstances
and an appropriate and sufficient effort to locate current addresses for
Settlement Class Members such that no additional efforts to do so shall be
required.

91. The Settlement Administrator will provide Class Notice without
 material variation from the form attached Exhibit 1. The Class Notice shall
 comply with California Rules of Court 3.766(d), 3.769(f) and due process.

At least twenty-one (21) days before the Final Approval Hearing, the 4 92. 5 Settlement Administrator shall prepare and provide to Class Counsel and Defense Counsel (i) a declaration of due diligence and proof of dissemination 6 7 with regard to the mailing of the Class Notice, (ii) a listing of the names of all 8 Settlement Class Members who have timely requested to be excluded from the 9 Settlement (iii) a listing of the names of all Settlement Class Members who 10 appear to not have received the Class Notice because they were returned undeliverable, and (iv) billing records for administrative costs incurred to date 11 12 and anticipated administrative costs for the completion of its duties. Class 13 Counsel shall be responsible for filing the Due Diligence Declaration with the 14 Court.

15 93. If any individual whose name does not appear in the Class Information that R&M provides the Settlement Administrator (and who has not 16 previously opted out of the Settlement Class), believes that he or she is a 17 Settlement Class Member, he or she may dispute his or her exclusion from the 18 19 Settlement Class. If an individual believes he or she is a Settlement Class 20 Member, he or she must notify the Settlement Administrator within a 21 reasonable amount of time after the Notice Date and at least ten (10) days prior to the Final Approval Hearing. The Parties will meet and confer regarding any 22 23 such individuals in an attempt to reach an agreement as to whether any such individual should be regarded as a Settlement Class Member. If the Parties so 24 25 agree that any such individual should be regarded as a Settlement Class Member, the Settlement Administrator will mail and, if possible email, a Class 26 27 Notice to the individual, and treat the individual as a Settlement Class Member 28

for all other purposes. Such an individual will have all of the same rights as any
 other Settlement Class Member under this Settlement Agreement.

3 94. R&M understands its legal obligation not to retaliate in any manner
4 against any Settlement Class Member for their participation and/or election to
5 participate in the benefits to be afforded any of them by the Settlement and/or
6 the Class Action.

7

PROCEDURES FOR REQUESTS FOR EXCLUSION

8 95. Settlement Class Members (with the exception of Medina) may opt 9 out of the Settlement. Those who wish to exclude themselves (or "opt out") from 10 the Settlement Class must submit timely, written requests for exclusion to the Settlement Administrator. To be effective, such a request must include the 11 12 Settlement Class Member's name, address, and telephone number; a clear and 13 unequivocal statement that the Settlement Class Member wishes to be excluded 14 from the Settlement Class and the signature of the Settlement Class Member or the Legally Authorized Representative of the Settlement Class Member. 15 Completion, execution and timely submission of the Request for Exclusion Form, 16 Attachment A to the Class Notice, shall be deemed to comply with this 17 Paragraph. The request must be mailed or faxed to the Settlement 18 19 Administrator at the address provided in the Class Notice and, if mailed, must 20 be postmarked no later than the Exclusion/Written Objection Deadline. Absent 21 actual receipt of such request by the Settlement Administrator prior to the Exclusion/Written Objection Deadline, the date of the postmark shall be the 22 23 exclusive means used to determine whether a mailed request for exclusion has been timely submitted. Requests for exclusion must be exercised individually by 24 25 the Settlement Class Member. Attempted collective group, class, or subclass requests for exclusions shall be ineffective and disregarded by the Settlement 26 27 Administrator.

96. Individual exclusion requests may be submitted by a Settlement
 Class Member's Legally Authorized Representative.

3 97. The Settlement Administrator shall promptly log each request for
4 exclusion that it receives and promptly provide copies of the log and all such
5 requests for exclusion to Class Counsel and Defense Counsel.

6 98. The Settlement Administrator shall prepare a list of all persons who
7 timely and properly requested exclusion from the Settlement Class (the Opt-Out
8 List) and shall, before the Final Approval Hearing, submit a declaration to the
9 Court attesting to the accuracy of the list which declaration may be part of the
10 Due Diligence Declaration.

99. All Settlement Class Members who are not included in the Opt-Out
List approved by the Court shall be bound by this Settlement, and their
Settlement Class Members' Released Claims shall be dismissed with prejudice
and released as provided for herein, even if they never received actual notice of
the Class Action or this proposed Settlement.

16 100. The Settlement Administrator, in its sole discretion, shall determine
17 whether a request for exclusion was timely and properly submitted. The
18 Settlement Administrator's decision shall be final, binding, and nonappealable
19 absent a contrary order from the Court.

20

21

22

23

24

25

26

101. Medina agrees not to request exclusion from the Settlement Class. 102. Settlement Class Members may object to or opt out of the Settlement, but may not do both. Any Settlement Class Member who submits a timely and proper request for exclusion may not file an objection to the Settlement or receive a Settlement Payment, and shall be deemed to have waived any rights or benefits under the Settlement Agreement. If a Settlement Class Member files both an objection and a valid and timely request for

27 exclusion, the request for exclusion will override the objection, and the objection

28 shall therefore be ignored.

103. No later than ten (10) business days after the Exclusion/Written
 2 Objection Deadline, the Settlement Administrator shall provide to Class Counsel
 3 and Defense Counsel the final Opt-Out List together with copies of the opt-out
 4 requests.

5 104. R&M understands its legal obligation not to retaliate in any manner
6 against any Settlement Class Member for his or her exclusion of himself or
7 herself from the Settlement.

8 105. If, after the Exclusion/Written Objection Deadline and before the 9 Final Approval Hearing, Settlement Class Members whose combined 10 "estimated" Individual Settlement Payments equal or exceed ten percent (10%) 11 of the Total Settlement Amount submit timely and valid requests for exclusion 12 from the Settlement, R&M shall have, in its sole and absolute discretion, the 13 option to terminate this Settlement. The "estimated" Individual Settlement 14 Payments shall be determined by assuming that the combined total amount for the Class Counsel Award, Service Award and Administrative Expenses paid to 15 the Settlement Administrator is Three Hundred Sixteen Thousand Six Hundred 16 and Sixty-Seven dollars (\$316,667). R&M shall exercise its option to terminate, 17 if at all, prior to the Final Approval Hearing, provided the Settlement 18 19 Administrator has provided R&M the Opt-Out List no later than ten (10) 20 business days prior to the Final Approval Hearing and the combined amount of 21 Individual Settlement Payments of those Settlement Class Members requesting to be excluded from the Settlement. If R&M decides to void the Settlement, then 22 23 the Settlement and conditional class certification shall be considered void, and the Settlement, conditional class certification, and any related negotiations or 24 25 proceedings shall be of no force and effect, and the Parties shall stand in the 26 same respective positions, without prejudice, as if this Settlement had been neither entered into nor filed with the Court. Should R&M void the Settlement 27 28 under this paragraph, R&M shall be responsible for all Administration Costs

incurred by the Settlement Administrator through the date R&M notifies the
 Settlement Administrator that it is exercising its option to terminate the
 Settlement.

PROCEDURES FOR OBJECTIONS

5 106. Any Settlement Class Member that wishes to object to the fairness, | reasonableness, or adequacy of this Settlement Agreement or the proposed 6 7 Settlement, the Plan of Allocation, the Class Counsel Award and/or the Service 8 Award must provide to the Settlement Administrator (who shall forward it to 9 Class Counsel and Defense Counsel), a timely statement of the objection, as set 10 forth below, or appear in person at the Final Approval Hearing to make an objection. Objections may be submitted by one or more Settlement Class 11 12 Members.

13 107. To be timely, a written objection must be mailed to the Settlement
14 Administrator, and postmarked no later than the Exclusion/Written Objection
15 Deadline. Absent actual receipt of a written objection prior to the
16 Exclusion/Written Objection Deadline, the date of the postmark on the return17 mailing envelope shall be the exclusive means used to determine whether
18 objection has been timely submitted.

19 108. A written objection must contain at least the following: (i) the 20 objector's full name, address, telephone number, and signature; (ii) a clear 21 reference to the Class Action; (iii) a statement of the specific legal and factual 22 basis for each objection argument; and (iv) a statement whether the objecting 23 person or entity intends to appear at the Final Approval Hearing, either in 24 person or through counsel and, if through counsel, a statement identifying that 25 counsel by name, bar number, address, and telephone number. All objections 26 shall be signed by the objecting Settlement Class Member (or his Legally 27 Authorized Representative), even if the Settlement Class Member is represented 28 by counsel.

- 33 -

109. Any Settlement Class Member who does not file a timely written 1 2 objection or appear personally or through his or her counsel at the Final 3 Approval Hearing shall waive the right to object and shall be forever barred from making any objection to the proposed Settlement, the Plan of Allocation, 4 5 the Class Counsel Award and the Service Award. Settlement Class Members who object to the proposed Settlement shall remain Settlement Class Members, 6 7 and shall be deemed to have voluntarily waived their right to pursue an 8 independent remedy against R&M.

9 110. To the extent any Settlement Class Member objects to the proposed
10 Settlement, and such objection is overruled in whole or in part, such Settlement
11 Class Member will be forever bound by the Final Approval order and Judgment.
111. It shall be Class Counsel's sole responsibility to submit and respond

to any objections made with respect to any application for the Class Counsel
Award and Service Award.

15 112. R&M understands its legal obligation not to retaliate in any manner
16 against any Settlement Class Member for his or her objection to the Settlement.

RELEASES

18 113. The Named Plaintiff's General Released Claims and the Settlement
19 Class Members' Released Claims shall be released and dismissed with prejudice
20 and on the merits (without an award of costs to any party other than as provided
21 in this Settlement Agreement) upon entry of the Final Approval order and
22 Judgment.

114. As of the Final Approval Date, Medina and all Settlement Class
Members, who have not been excluded from the Settlement Class, individually
and on behalf of their Legally Authorized Representatives, heirs, estates,
trustees, executors, administrators, representatives, agents, successors, and
assigns, and anyone claiming through them or acting or purporting to act on
their behalf, agree to forever release, discharge, hold harmless, and covenant not

to sue on the Named Plaintiff's General Released Claims (in the case of Medina) 1 2 and on the Settlement Class Members' Released Claims (in the case of the 3 Settlement Class Members who have not been excluded from the Settlement Class), and by operation of the Final Judgment shall have fully and finally 4 released, relinquished, and discharged all such claims; and they further agree 5 that they shall not now or hereafter initiate, maintain, or assert any Named 6 7 Plaintiff's General Released Claims (in the case of Medina) and any Settlement Class Members' Released Claims (in the case of the Settlement Class Members 8 9 who have not been excluded from the Settlement Class), in any other court 10 action or before any administrative body, tribunal, arbitration panel, or other adjudicating body. Without in any way limiting the scope of the releases 11 described herein, the releases covers, without limitation, any and all claims for 12 attorneys' fees, costs or disbursements incurred by Class Counsel or any other 13 14 counsel representing Medina and/or Settlement Class Members, or by Medina and/or Settlement Class Members, or any of them, in connection with or related 15 in any manner to the Class Action, the Settlement of the Class Action, the 16 administration of such Settlement, and/or the Released Claims, except to the 17 extent otherwise specified in the Settlement Agreement. 18

19 115. As of the Final Approval Date, Medina, and all Settlement Class
20 Members, who have not been excluded from the Settlement Class, shall be
21 permanently barred and enjoined from initiating, asserting, or prosecuting in
22 any federal or state court or tribunal any and all Named Plaintiff's General
23 Released Claims (in the case of Medina) and the Settlement Class Members'
24 Released Claims (in the case of the Settlement Class Members who have not
25 been excluded from the Settlement Class).

26 116. With respect only to the Named Plaintiff's General Released Claims,
27 Medina, but not the Settlement Class Members, expressly acknowledges that he
28

1 is familiar with principles of law such as Section 1542 of the California *Civil*2 *Code*, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

9 With respect to the Named Plaintiff's General Released Claims, Medina 10 shall be deemed to have expressly, knowingly, and voluntarily waived and 11 relinquished, to the fullest extent permitted by law, the provisions, rights, and 12 benefits he may otherwise have had pursuant to Section 1542 of the California 13 *Civil Code* and all similar federal or state laws, rights, rules, or legal principles 14 of any other jurisdiction that may be applicable herein. In connection with the release, Medina acknowledges that he is aware that he may hereafter discover 15 claims presently unknown and unsuspected or facts in addition to or different 16 from those which he now knows or believes to be true with respect to matters 17 released herein. Nevertheless, Medina acknowledges that a portion of the 18 19 consideration received herein is for a release with respect to unknown damages 20 and complaints, whether resulting from known injuries and consequences or 21 from unknown injuries or unknown consequences of known or unknown injuries, and states that it is the intention of Medina in agreeing to this release to fully, 22 23 finally, and forever to settle and release all matters and all claims that exist, hereafter may exist, or might have existed (whether or not previously or 24 25 currently asserted in any action), constituting Named Plaintiff's General Released Claims. 26

27 117. Medina further acknowledges, agrees and understands that: (i) he
28 has read and understands the terms of this Settlement Agreement; (ii) he has

7

been advised in writing to consult with an attorney other than Class Counsel
 before executing this Settlement Agreement; and (iii) he has obtained and
 considered such legal counsel as he deems necessary.

4 118. Subject to Court approval, Medina, and all Settlement Class
5 Members to the extent they have not been excluded from the Settlement Class,
6 shall be bound by this Settlement Agreement even if they never received actual
7 notice of the Class Action and/or this Settlement.

8

ADMINISTRATION OF THE SETTLEMENT FUND

9 119. The Settlement Administrator or its authorized agents in
10 consultation with the Parties and subject to the supervision, direction, and
11 approval of the Court, shall calculate the allocation of and oversee the
12 distribution of the Total Settlement Amount.

13

120. The Total Settlement Amount shall be applied, as follows:

A. To pay the total costs, expenses, and fees of the Settlement
Administrator incurred in connection with providing Class Notice to potential
Settlement Class Members, and the management and distribution of the Total
Settlement Amount to Settlement Class Members, not to exceed \$15,000.00;

18 B. Subject to the approval and further order(s) of the Court, to
19 pay Medina's Service Award as the Court determines appropriate;

20 C. Subject to the approval and further order(s) of the Court, to
21 pay the Class Counsel Award as ordered by the Court; and

D. After the Effective Date and subject to the approval and
further order(s) of the Court, to distribute the Individual Settlement Payments
from the Total Settlement Amount for the benefit of the Settlement Class as
provided above or as otherwise ordered by the Court.

26 121. If any Settlement Class Member fails to negotiate his Individual
27 Settlement Payment by the Void Date (*i.e.* checks are not cashed or checks are
28 returned as undeliverable), then after the Void Date, the Settlement

1 Administrator shall void the check and shall pay such unclaimed funds to the 2 State of California for deposit into the California State Controller Unclaimed 3 Property fund, with the identity of the Participating Class Member to whom the funds belong, to be held for that Settlement Class Member in accordance with 4 5 the California Unclaimed Property Law. The money paid to the California State Controller Unclaimed Property will remain the Settlement Class Member's 6 7 property. This will allow Settlement Class Members who did not cash their 8 checks to collect their Individual Settlement Amounts at any time in the future. 9 Therefore, there will be no unpaid residue or unclaimed or abandoned 10 Settlement Class Member funds and California Code of Civil Procedure section 384 shall not apply. The funds will be held by the State until claimed by the 11 employee and those funds never cease to be the Settlement Class Member's 12 13 property.

14 122. Settlement Class Members who are not on the Opt-Out List
15 approved by the Court shall be subject to and bound by the provisions of the
16 Settlement Agreement, the releases contained herein, and the Judgment with
17 respect to all Settlement Class Members' Released Claims.

18 123. Payment from the Total Settlement Amount made pursuant to and
19 in the manner set forth herein shall be deemed conclusive of compliance with
20 this Settlement Agreement as to all Settlement Class Members.

124. No Settlement Class Member shall have any claim against Medina,
Class Counsel, or the Settlement Administrator based on distributions made
substantially in accordance with this Settlement Agreement and/or orders of the
Court. No Settlement Class Member shall have any claim against any released
party or its counsel relating to distributions made under this Settlement.

EFFECT OF DISAPPROVAL, CANCELLATION, OR TERMINATION OF SETTLEMENT AGREEMENT

3 125. If the Court does not approve the Settlement as set forth in this 4 Settlement Agreement, or does not enter the Final Approval order and 5 Judgment on the terms described herein, or if the Court enters the Judgment 6 and appellate review is sought, and on such review, the entry of Judgment is 7 vacated, modified in any material way, or reversed, or if the Final Approval 8 order does not otherwise become Final, then this Settlement Agreement shall be 9 cancelled and terminated, unless all Parties, in their sole discretion no later 10 than thirty (30) days from the date such ruling becomes Final, provide written notice to all other Parties hereto of their intent to proceed with the Settlement 11 12 under the terms of the Judgment as it may be modified by the Court or any 13 appellate court.

14 126. In the event that: (i) the Settlement is not approved, is overturned, or is modified by the Court or on appeal, (ii) the Judgment does not become 15 Final, or (iii) this Settlement Agreement is terminated, cancelled, or fails to 16 become effective for any reason, then: (a) the Parties stipulate and agree the 17 Settlement, this Settlement Agreement, the Class Information, the Opt-Out 18 19 List, and all documents and oral or written communications exchanged and/or 20 filed in connection with the Settlement shall be treated as privileged mediation 21 communications under California Evidence Code Sections 1115 et seq.; (b) the Settlement shall be without force and effect upon the rights of the Parties 22 23 hereto, and none of its terms shall be effective or enforceable, with the exception of this paragraph, which shall remain effective and enforceable; (c) the Parties 24 25 shall be deemed to have reverted *nunc pro tunc* to their respective status 26 immediately prior to execution of this Settlement Agreement; (d) all Orders 27 entered in connection with the Settlement, including the conditional certification 28 of the Settlement Class, the Settlement Misclassification Subclass, and/or the

1 Settlement Rest Break Subclass, shall be vacated without prejudice to any 2 Party's position on the issue of class certification, the issue of amending the 3 complaint, or any other issue, in the Class Action or any other action, and the Parties shall be restored to their litigation positions existing on the date of 4 5 execution of this Settlement Agreement; and (e) the Parties shall proceed in all 6 respects as if this Settlement Agreement and related documentation and orders 7 had not been executed, and without prejudice in any way from the negotiation or 8 fact of the Settlement or the terms of this Settlement Agreement. This 9 Settlement Agreement, the Settlement, all communications, documents, orders, 10 and evidence relating to the Settlement, the fact of their existence, any of their terms, any press release or other statement or report by the Parties or by others 11 12 concerning this Settlement Agreement, the Settlement, their existence, or their 13 terms, any negotiations, proceedings, acts performed, or documents executed 14 pursuant to or in furtherance of this Settlement Agreement or the Settlement shall not be admissible in any proceeding, and shall not be offered, received, or 15 construed as evidence of a presumption, concession, or an admission of liability, 16 of unenforceability of any arbitration agreement, of the certifiability of a 17 litigation class, or of any misrepresentation or omission in any statement or 18 19 written document approved or made, or otherwise used by any person for any 20 purpose whatsoever, in any trial of the Class Action or any other action or 21 proceedings. Medina, Class Counsel and the Settlement Administrator shall return to Defense Counsel all copies of Class Information and Opt-Out Lists and 22 23 shall not use or disclose the Class Information or Opt-Out List for any purpose 24 or in any proceeding.

127. R&M does not agree or consent to certification of the Settlement
Class, Settlement Misclassification Subclass, and/or Settlement Rest Break
Subclass for any purpose other than to effectuate the Settlement of the Class
Action. If this Settlement Agreement is terminated pursuant to its terms, or the

Effective Date for any reason does not occur, all Orders certifying the Settlement 1 2 Class, Settlement Misclassification Subclass, and/or Settlement Rest Break 3 Subclass and all preliminary and/or final findings regarding the Settlement Class certification order, shall be automatically vacated upon notice to the 4 5 Court, the Class Action shall proceed as though the Settlement Class and, if 6 applicable, the Settlement Misclassification Subclass and Settlement Rest Break 7 Subclass, had never been certified pursuant to this Settlement Agreement and 8 such findings had never been made, and the Class Action shall revert *nunc pro* 9 *tunc* to the procedural *status quo* as of the date and time immediately before the 10 execution of the Settlement Agreement, in accordance with this Settlement 11 Agreement.

12

ADDITIONAL PROVISIONS

13 128. All of the Exhibits to this Settlement Agreement are an integral part
14 of the Settlement and are incorporated by reference as though fully set forth
15 herein.

16 129. Medina and Class Counsel acknowledge that an adequate factual
17 record has been established that supports the Settlement and hereby waive any
18 right to conduct further discovery to assess or confirm the Settlement.

19 130. Unless otherwise noted, all references to "days" in this Settlement
20 Agreement shall be to calendar days. In the event any date or deadline set forth
21 in this Settlement Agreement falls on a weekend or federal legal holiday, such
22 date or deadline shall be on the first business day thereafter.

131. This Settlement Agreement constitutes the full and complete
agreement of the Parties hereto, and supersedes all prior negotiations and
agreements, whether oral, written or otherwise, and may be amended or
modified only by a written instrument signed by counsel for all Parties or the
Parties' successors-in-interest.

132. The Parties reserve the right, subject to the Court's approval, to
 make any reasonable extensions of time that might be necessary to carry out
 any of the provisions of this Settlement Agreement. Such extensions must be in
 writing to be enforceable.

133. The Settlement Agreement, the Settlement, the fact of the 5 6 Settlement's existence, any of terms of this Settlement Agreement, any press 7 release or other statement or report by the Parties or by others concerning this 8 Settlement Agreement or the Settlement, and any negotiations, proceedings, 9 acts performed, or documents executed pursuant to or in furtherance of this 10 Settlement Agreement or the Settlement: (i) may not be deemed to be, may not be used as, and do not constitute an admission or evidence of the validity of any 11 12 released claims or of any wrongdoing or liability of R&M; (ii) may not be deemed 13 to be, may not be used as, and do not constitute an admission or evidence of any 14 fault, wrongdoing, or omission by R&M in any trial, civil, arbitration, criminal, or administrative proceeding of the Class Action or any other action or 15 proceedings in any court, administrative agency, arbitration or other tribunal; 16 and (iii) may not be used as evidence in any class certification proceeding. 17

18 134. The persons and entities released by this Settlement shall have the
right to file this Settlement Agreement, the Final Approval order and Judgment,
and any other documents or evidence relating to the Settlement in any action
that may be brought against them in order to support a defense or counterclaim
based on principles of *res judicata*, collateral estoppel, release, good-faith
settlement, judgment bar, reduction, or any other theory of claim preclusion or
issue preclusion or similar defense or counterclaim.

135. The Parties to this Settlement Agreement agree that the Total
Settlement Amount and the other terms of the Settlement were negotiated at
arm's length and in good faith by the Parties, resulted from an arm's-length
mediation session facilitated by Hon. Carl J. West (Ret.), and reflect a

settlement that was reached voluntarily based upon adequate information and
 sufficient discovery and after consultation with experienced legal counsel.

3 136. Medina and Class Counsel have concluded that the Settlement set
4 forth herein constitutes a fair, reasonable, and adequate resolution of the claims
5 that Medina asserted against R&M, including the claims on behalf of the
6 Settlement Class, and that it promotes the best interests of the Settlement
7 Class.

8 137. To the extent permitted by law, all agreements made and orders
9 entered during the course of the Class Action relating to the confidentiality of
10 information shall survive this Settlement Agreement.

11 138. The Parties agree that Medina and Class Counsel are not required
12 to return any documents produced by R&M until the final resolution of the Class
13 Action.

14 139. The waiver by one Party of any breach of this Settlement Agreement
15 by any other Party shall not be deemed a waiver of any other prior or
16 subsequent breach of this Settlement Agreement.

140. This Settlement Agreement, including its Exhibits, constitutes the
entire agreement among the Parties, and no representations, warranties, or
inducements have been made to any Party concerning this Settlement
Agreement or its Exhibits, other than the representations, warranties, and
covenants contained and memorialized in this Settlement Agreement and its
Exhibits.

141. This Settlement Agreement may be executed in one or more
counterparts. All executed counterparts and each of them shall be deemed to be
one and the same instrument provided that counsel for the Parties to this
Settlement Agreement shall exchange among themselves original signed
counterparts. Faxed or emailed signatures shall be deemed original signatures.

142. The Parties hereto and their respective counsel agree that they will
 use their best efforts to obtain all necessary approvals of the Court required by
 this Settlement Agreement.

4 143. This Settlement Agreement shall be binding upon and shall inure to
5 the benefit of the successors and assigns of the Parties hereto, including any and
6 all released parties and any corporation, partnership, or other entity into or with
7 which any released party hereto may merge, consolidate, or reorganize.

8 144. This Settlement Agreement shall not be construed more strictly
9 against one Party than another merely because of the fact that it, or any
10 respective provision of it, may have been prepared by counsel for one of the
11 Parties, it being recognized that because of the arm's-length negotiations
12 resulting in this Settlement Agreement, all Parties hereto have contributed
13 substantially and materially to the preparation of this Settlement Agreement.

14 145. Except where this Settlement Agreement itself provides otherwise,
15 all terms, conditions, and Exhibits are material and necessary to this Settlement
16 Agreement and have been relied upon by the Parties in entering into this
17 Settlement Agreement.

18 146. This Settlement Agreement shall be governed by the internal law,
other than choice of law, of the State of California. Any action based on this
20 Settlement Agreement, or to enforce any of its terms, shall be venued in Orange

24 Agreement.

25 147. The Court shall retain continuing and exclusive jurisdiction over the
26 Parties to this Settlement Agreement for the purpose of the administration and
27 enforcement of this Settlement Agreement.

148. The headings used in this Settlement Agreement are for the 1 2 convenience of the reader only, and shall not affect the meaning or 3 interpretation of this Settlement Agreement. 149. GENERAL INFORMATION REGARDING THIS NOTICE

WHAT IS THIS NOTICE ABOUT?

This Notice pertains to the settlement ("Class Action Settlement" or "Settlement") of claims against R&M Pacific Rim, Inc. ("R&M") in a class action lawsuit entitled *Stoddard and Medina, etc. v. Equilon Enterprises, LLC; R&M Pacific Rim, Inc. et. al.*, Orange County Superior Court Case No. 30-2010-00395208-CU-OE-CXC (the "Class Action").

This Class Action Settlement applies to all persons who were employed by R&M and who worked at a Shell branded station operated by R&M and owned by Equilon Enterprises, LLC at any time during the period from August 2, 2006 to September 1, 2008 (the "Settlement Class"). The Settlement Class is divided into two subclasses: (1) the Settlement Misclassification Subclass and (2) the Settlement Break Subclass. The Settlement Misclassification Subclass consists of all employees during this period who were declared by R&M as exempt employees and paid a salary but does not include any Settlement Class Member during any portion of the Class Period such Settlement Class Member was an Area Manager. The Settlement Break Subclass consists of all employees during this Class Period who were paid an hourly wage. You may be part of both subclasses.

The Orange County Superior Court (the "Court") has preliminarily approved the Settlement and has directed the parties to notify the Settlement Class Members of the Settlement. If the proposed Class Action Settlement is finally approved by the Court, your legal rights may be affected. This Notice of Proposed Class Action Settlement summarizes the Class Action and the settlement, and what you need to do (i) if you want to be excluded or "opt-out" of the Settlement Class, (ii) if you want to object to the settlement, (iii) if you want to dispute the information on which your Individual Settlement Payment will be calculated and/or (iv) if you want to correct or supplement information contained in the accompanying Information Sheet [Enclosure A].

This Notice summarizes, but does not fully describe, the Class Action. You may inspect the court files at the Central Justice Center, 700 Civic Center Drive West, Santa Ana, CA 92701 from 8:30 a.m. to 4:30 p.m. Monday through Friday, holidays excepted. You may also review papers filed in the Class Action at the following web address, by accepting terms, inputting under the Case Tab the following number (30-2010-00395208)and indicating 2010 filed: case as the year https://ocapps.occourts.org/civilwebShoppingNS/Login.do. The Register of Actions lists all papers which have been filed, most of which you can purchase on-line for a fee. You may also visit www.phoenixclassaction.com/medina-v-equilon for more information, to review the Settlement Agreement, or to review certain Court filings relating to the Settlement.

PLEASE DO NOT CONTACT THE COURT OR THE COURT CLERK REGARDING THE LAWSUIT.

WHAT IS THIS CLASS ACTION LAWSUIT ABOUT?

For a complete understanding of the claims asserted on your behalf in the Class Action, please review the Second Amended Complaint filed in the Class Action on March 25, 2019. This section is merely a summary of certain important allegations thereof. Also and while the Class Action was pending, Raymond Stoddard, one of the original named plaintiffs, died; and the Class Action is now being prosecuted only by Santiago Medina ("Medina").

The Class Action generally involves claims under California's wage and hour laws. Insofar as claims are asserted against R&M in the Class Action, Medina primarily alleges that from and after August 2, 2006, R&M misclassified certain of its employees as "exempt" employees and improperly failed to pay them overtime wages and premium pay for missed off-duty meal and rest breaks. Medina further alleges that R&M also improperly failed to pay its hourly employees premium pay for their missed meal and rest breaks. These claims are asserted pursuant to the California *Labor Code*, California Unfair Competition Law and the applicable California Industrial Welfare Commission wage order. Other bases for relief also are asserted. These claims against R&M only relate to employees working at R&M operated stations.

Insofar as claims also are asserted against Equilon Enterprises, LLC, Medina primarily alleges that from and after May 2001, Equilon was a joint employer with its third party operators, including R&M, misclassified certain of its employees as "exempt" employees and improperly failed to pay them overtime wages and premium pay for missed off-duty meal and rest breaks and also improperly failed to pay its hourly employees premium pay for their missed meal and rest breaks. These claims also are asserted pursuant to the California *Labor Code*, California Unfair Competition Law and the applicable California Industrial Welfare Commission wage order. Other bases for relief are also asserted. These claims relate to all Equilon owned stations in California and operated by third parties, including R&M. As such, these claims are broader than the claims asserted against R&M but include all of those claims also. Summary Judgment in favor of Equilon on these claims was recently granted by the Court which Summary Judgment is on appeal.

On January 15, 2019, after good-faith negotiations with an experienced, neutral mediator, in which both Medina and R&M recognized the substantial risk of an uncertain outcome, Medina and R&M agreed to settle their dispute pursuant to the terms and conditions of a negotiated Settlement. The parties and their counsel have concluded that the Settlement is advantageous, considering the risks and uncertainties of continued litigation. The parties and their counsel have determined that the Settlement is fair, reasonable, and adequate and is in the best interests of the members of the Settlement Class.

R&M denies that it has done anything wrong or that it violated the law in any way. R&M further denies that it owes the Settlement Class any wages, restitution, penalties, or other damages and contends that Settlement Class members were properly compensated and properly provided meal and rest periods. Accordingly, the Settlement represents a compromise and settlement of disputed claims. Nothing in the Settlement is intended to be or will be construed as an admission by R&M that Medina's claims have merit or that R&M has any liability to Medina or the putative class on the claims alleged in the Class Action. The Court has not ruled on the merits of Medina's claims against R&M.

Your Individual Settlement Payment will be based on the employment records of R&M which are presumed to be correct and which, as to your information, is set forth in the attached Information Sheet [Enclosure A].

Your interests as a member of the Settlement Class will be represented by Class Counsel. If you choose, you may enter an appearance individually or through your own counsel at your own expense. You have the right to consult and/or retain an attorney of your own choice, at your own expense, to advise you

regarding the Settlement and your rights in connection with the Settlement. If you have questions about this Settlement, you may contact Class Counsel by email at STReesEsq@earthlink.net or at (818) 748-3434, although email is preferable.

WHAT ARE THE IMPORTANT TERMS OF THE SETTLEMENT?

- 1. The Total Settlement Amount is \$845,000, inclusive of all damages, fees, costs, penalties, attorneys' fees and expenses and administration of the Settlement.
 - Class Counsel intends to seek by motion an award of attorneys' fees of \$281,667, plus a. costs and expenses, subject to Court approval. Class Counsel has estimated that its expenses will not exceed \$15,000. The motion will be available on www.phoenixclassaction.com/medina-v-equilon upon filing and is subject to Court review and approval. You have the right to object to this award to Class Counsel. The amount approved by the Court will be deducted from the Total Settlement Amount before Individual Settlement Payments are calculated.

b. In addition, Medina intends to seek by motion a Service Award of \$5,000 for serving as the named plaintiff and Class Representative. You have the right to object to this Service Award which is also subject to review and approval by the Court. The amount approved by the Court will be deducted from the Total Settlement Amount before Individual Settlement Payments are calculated.

c. The Settlement Administrator will be paid a fee and costs for administrating this Settlement. The total amount of those fees and costs will not exceed \$15,000. The fees and costs will be deducted from the Total Settlement Amount before Individual Settlement Payments are calculated.

d. The remaining amount after these deductions (the "Remaining Settlement Amount") shall be split between the two subclasses per the formula summarized in Paragraph 2 below.

2. <u>Payment to Class Members.</u> The Remaining Settlement Amount will be distributed to the Settlement Class Members, as follows:

a. **Misclassification Subclass:** Seventy-four percent (74%) of the Remaining Settlement Amount shall be allocated to the Settlement Misclassification Subclass. This amount shall be prorated among the members of the Settlement Misclassification Subclass based upon the total number of days each such member worked during the Class Period as an exempt employee divided by the total number of days worked by all members of this subclass. Each such allocation shall be further allocated Thirty-Three percent (33%) to wages and Sixty-Seven percent (67%) to penalties and interest.

b. **Break Subclass:** Twenty-Six percent (26%) of the Remaining Settlement Amount shall be allocated to the Settlement Break Subclass. This amount shall be prorated among the members of the Break Subclass based upon each employee's nonexempt gross wages paid during the Class Period divided by the non-exempt gross wages paid during the Class Period to all members of this subclass. Each such allocation shall be further allocated Thirty-Three percent (33%) to wages and Sixty-Seven percent (67%) to penalties and interest.

c. If a Settlement Class Member will be distributed \$10 or more, then he or she will receive the entitled amount. If, however, the Settlement Class Member is due less than \$10, then his or her Individual Settlement Payment will be for \$10, which may have a small effect on the payments to other members of that subclass.

d. Settlement Class Members will be provided thirty-five (35) days after the initial mailing of the Class Notice to dispute the information upon which their share of the Settlement will be calculated but they must provide documentation to support this dispute. You may do so by timely completing, signing and submitting with appropriate documentation the Dispute Form included with this notice [Enclosure C] by mail or by fax to the Settlement Administrator. The Settlement Administrator will resolve all such disputes and its decision will be final. R&M's employment records on which the accompanying Information Sheet is based are presumed correct.

e. Settlement Class Members who receive a payment of any kind from the Total Settlement Amount expressly acknowledge that such payments shall be considered to be comprised of thirty-three percent (33%) wages for which an IRS Form W-2 will be issued and sixty-seven percent (67%) non-wages for which an IRS Form 1099 will be issued. All Settlement Class Members who receive a payment of any kind from the Total Settlement Amount agree to timely pay in full all of the federal, state, and municipal income taxes owed on such payments.

f. <u>Unclaimed funds:</u> Individual Settlement Payment checks which are not cashed within 180 days of issuance will be deemed void. The funds represented by voided checks will then be paid to the State of California for deposit into the Unclaimed Property Fund for the benefit of the Settlement Class Member who did not timely cash his Individual Settlement Payment check.

3. This Settlement was made based upon certain representations of fact made by R&M and contained in the Settlement Agreement. These factual representations are set forth in Enclosure D to this Notice. You should review these representations as they may affect your decisions regarding this settlement.

Of primary importance are the representations that prior to October 1, 2008, (i) R&M reclassified all exempt employees as hourly employees and thereafter paid overtime to those employees, (ii) changed its rest break policies to allow all employees to take 10 minute off-duty rest breaks every 4 hours worked, or major fraction thereof, and (iii) changed its meal break policies to allow all employees who worked more than 5 hours in a workday to take a 30 minute off-duty meal break and were provided a form to report any missed or non-compliant meal breaks for which payment would be provided, and (iv) paid missed meal break compensation to 370 employees in settlement as a result of a California Labor Commissioner meal break audit.

4. You will be bound by this Settlement and the releases contained therein, if it is given final approval by the Court, unless you timely submit a valid written Request for Exclusion to the Settlement Administrator by the deadline of [INSERT EXCLUSION DATE]. You may do so by timely completing, signing and submitting the form included with this notice [Enclosure B] by

mail or by fax to the Settlement Administrator. If you do submit a valid Request for Exclusion by the deadline in accordance with the instructions for submitting a Request for Exclusion, you will be excluded from the Settlement and will not receive any Individual Settlement Payment, but you will retain the rights you may have, if any, to pursue your claims against Defendants and will not be bound by the releases contained in the Settlement Agreement.

- 5. If the Court does not grant final approval of the Settlement, or does not enter the Final Approval Order or if the Court's Final Approval Order is reversed in whole or in part on appeal, the parties have no obligations under the Settlement and Settlement Class Members will **not** receive any payments thereunder.
- 6. The Court has approved Phoenix Settlement Administrators as Settlement Administrator to administer the Settlement.
- 7. The Settlement, if given final approval by the Court, includes a very broad release to R&M and its affiliates. This release is, as follows:

Any and all claims alleged in the Second Amended Complaint, or that could have been alleged in the Second Amended Complaint based on the facts alleged therein, including claims for non-payment of overtime, missed meal and rest break compensation, interest thereon, attorneys' fees and expenses and costs of suit.

This release of fees and expenses includes, but is not limited to, those incurred by Class Counsel or any other counsel representing Medina or any Settlement Class Members, other than those expressly awarded by the Court as authorized by this Agreement.

8. Medina, as Class Representative, and Class Counsel, support the Settlement. Their reasons include the risk of being unable to pursue this case as a class action on behalf of all Class Members, the risk of a trial on the merits, the inherent delays and uncertainties associated with litigation, and the possibility that the Class is not entitled to any recovery from Defendants. Based on their experience litigating similar cases, Class Counsel believes that further proceedings in this case, as well as the potential damages that could be recovered, Class Counsel believes that the Settlement is fair, reasonable, and adequate.

WHAT ARE MY RIGHTS AS A SETTLEMENT CLASS MEMBER?

9. **Participate in the Settlement.** You have the right to participate in the Settlement; and, if the Settlement is finally approved by the Court, you have the right to your Individual Settlement Payment. You do not have to do anything to exercise this right. However, if you decide to participate in the Settlement, you should review the attached Information Sheet [Enclosure A]. You should also check to make sure your address and contact information are correct so that you will receive your Individual Settlement Payment if and when it is mailed. You may make corrections to your contact information in the Information Sheet either electronically at <u>www.phoenixclassaction.com/medina-v-equilon</u>, by fax to (249) 209-2503 or by mail addressed to the Settlement Administrator at Phoenix Settlement Administrators, PO Box 7208, Orange, CA 92863.

If you need additional information, please contact the Settlement Administrator at (800) 523-5773 or at Info@phoenixclassaction.com.

10. Excluding Yourself from the Settlement (Opt-Out): You have the right to exclude yourself from the Settlement and retain the right to pursue any individual claims you may have against R&M. If you do <u>not</u> wish to participate in the Settlement, you must mail or fax a written Request for Exclusion to the Settlement Administrator. The Request for Exclusion must include: (1) your name, address, and telephone number; (2) a clear and unequivocal statement that you wish to be excluded from the Settlement Class; and (3) your signature or the signature of your Legally Authorized Representative. The attached Request for Exclusion Form [Enclosure B] may be completed, signed and submitted to the Settlement Administrator should you wish to use it. The Request for Exclusion must be completed, signed, and mailed to the Settlement Administrator at Phoenix Settlement Administrators, PO Box 7208, Orange, CA 92863, postmarked no later than [INSERT EXCLUSION DATE] or faxed to the Settlement Administrator at (249) 209-2503 by that date. If you fail to submit a Request for Exclusion in the manner and by the deadline specified above, you will be bound by all terms and conditions of the Settlement and Judgment.

Any person who files a complete and timely Request for Exclusion will, upon receipt by the Settlement Administrator, no longer be a member of the Settlement Class and will not be eligible to receive a payment if the Settlement is finally approved. Any such person will retain the right, if any, to pursue the claims released by this Settlement at his or her own expense. A Request for Exclusion that does not fulfill the requirements above will be deemed invalid. Requests for exclusion must be exercised individually by the Settlement Class Member. Attempted collective group, class, or subclass requests for exclusions shall be ineffective and disregarded by the Settlement Administrator.

If a Settlement Class Member submits both an objection and a valid and timely Request for Exclusion, the Request for Exclusion will be accepted and the objection will be rejected.

There will be no retaliation or adverse employment action taken by R&M against any Settlement Class Member who participates in the Settlement, elects not to participate in the Settlement, or objects to the Settlement because of such participation, election, or objection.

11. **Objecting to the Settlement:** You have the right to object to any of the terms of the Settlement, the Class Counsel Award and/or the Service Award. Any Settlement Class Member that wishes to object to the fairness, reasonableness, or adequacy of this Settlement Agreement or the proposed Settlement, the Plan of Allocation, the Class Counsel Award and/or the Service Award must provide to the Settlement Administrator (who shall forward it to Class Counsel and Defense Counsel), a timely signed statement of the objection or appear at the final hearing and make the objections or both. To be timely, a written objection must be mailed to the Settlement Administrator, and postmarked no later than [INSERT EXCLUSION DATE]. A written objection must contain at least the following: (i) the objector's full name, address, telephone number, and signature; (ii) a clear reference to the Class Action; (iii) a statement of the specific legal and factual basis for each objection argument; and (iv) a statement whether the objecting person or entity intends to appear at the Final Approval Hearing, either in person or through counsel and, if through counsel, a statement identifying that counsel by name, bar number,

address, and telephone number. Objections may be submitted by one or more Settlement Class Members, but must identify each Settlement Class Member on whose behalf it is made.

If you submit both an objection and a valid and timely Request for Exclusion, the Request for Exclusion will be accepted and the objection will be rejected.

If the Court does not give final approval to the Settlement, no Individual Settlement Payments will be sent out and the lawsuit will continue.

If the Court gives final approval to the Settlement, you will be bound the by terms of the Settlement and receive your Individual Settlement Payment.

- **Termination of the Settlement:** If after **[INSERT EXCLUSION DATE]** and before the Final 12. Approval Hearing, Settlement Class Members, whose estimated Individual Settlement Payments equal or exceed ten percent (10%) of the Total Settlement Amount, submit timely and valid Requests for Exclusion from the Settlement, R&M shall have, in its sole and absolute discretion, the option to terminate this Settlement. The estimated Individual Settlement Payments shall be calculated assuming that the combined total of the approved Class Counsel Award, approved Service Award and approved expenses for the Settlement Administrator are \$316,667. R&M shall exercise its option to terminate, if at all, prior to the Final Approval Hearing, provided the Settlement Administrator has provided R&M the Opt-Out List no later than ten (10) business days prior to the Final Approval Hearing. If R&M decides to void the Settlement, then the Settlement and conditional class certification shall be considered void; the Settlement, conditional class certification, and any related negotiations or proceedings shall be of no force and effect; and the Parties shall stand in the same respective positions, without prejudice, as if this Settlement had been neither entered into nor filed with the Court. Should R&M void the Settlement under this paragraph, R&M shall be responsible for all Settlement Administration Costs incurred through the date R&M notifies the Settlement Administrator that it is exercising its option to terminate the Settlement.
- 13. **Release of Employment Records:** The Court has authorized R&M to release to the Settlement Administrator and to Class Counsel, for purposes of this Settlement only and without prior notice to you, certain information concerning you and contained in R&M's employment records. This information includes your name, last known residence address, last known telephone number(s), last known email address, social security number, dates of employment and gross wages for 2006 through 2008.
- 14. **Keep Your Information Up to Date:** It is your obligation to make sure that the Settlement Administrator is able to verify your social security number and to keep the Settlement Administrator informed of any changes in your mailing address until your Settlement Payment is received, should final approval of the Settlement be granted. Failing to provide the Settlement Administrator with any change of your mailing address may prevent you from receiving your Individual Settlement Payment in a timely manner. The absence of a verified social security number will result in backup withholding applied to your Individual Settlement Payment.
- 15. **Information Available on Website:** The Settlement Administrator has created a website for purposes of this Settlement. The website address is <u>www.phoenixclassaction.com/medina-v-equilon</u>. Among other actions you may take through this website and information contained therein, you will be able to view the following documents: Second Amended Complaint;

ENCLOSURE D REPRESENTATIONS OF FACT BY R&M

(See Paragraph 59 of the Amended and Restated Settlement Agreement)

A. If no Settlement Class Member requests to be excluded from this Settlement, there are 29 employees who would be included in the Settlement Misclassification Subclass, 12 of whom are also included in the Settlement Break Subclass. Of these 29 employees, approximately 5 employees were members of the Settlement Misclassification Subclass for the entire Class Period.

B. If no Settlement Class Member requests to be excluded from this Settlement, there are 351 employees who would be included in the Settlement Break Subclass, 12 of whom are also included in the Settlement Misclassification Subclass.

C. During the Class Period, each member of the Settlement Break Subclass, including managers who were non-exempt hourly employees, was compensated at an hourly rate ranging from \$6.75 to \$9.00 for 2006, ranging from \$7.50 to \$8.75 for 2007 and ranging from \$8.00 to \$11.00 for 2008.

D. During the Class Period, each member of the Settlement Misclassification Subclass was compensated by a salary ranging between \$10.38 per hour and \$16.15 per hour, calculated by taking their annual salary and dividing it by 2,080 hours.

E. Prior to October 1, 2008, R&M reclassified each member of the Settlement Misclassification Subclass as a non-exempt employee. From and after being reclassified, R&M paid those employees an hourly wage and overtime when they worked more than 40 hours in a work week or more than 8 hours in a workday as shown on their timecards.

F. Prior to September 1, 2008, R&M changed its rest break policy to clarify that all employees, including employees formerly claimed to be exempt employees and since reclassified as non-exempt employees, were entitled to and provided with duty-free, paid rest periods at the rate of no less than ten minutes net rest for every four hours worked, or major fraction thereof.

G. On or about July 5, 2008 and as a result of a California Labor Commissioner meal break audit, R&M paid approximately 370 employees a total of \$122,721.88 for missed meal break compensation. These payments were believed by R&M to resolve all meal break claims for the Class Period. In June 2008, R&M modified its meal break policy to ensure that all non-exempt employees working more than 5 hours in a workday and not working alone were afforded an off-duty meal break, a form to report any missed or non-compliant meal breaks for which payment would be provided and continued to allow non-exempt employees working alone the option to sign an on-duty meal waiver if they wished to do so.

H. Pursuant to Equilon's contractual requirement, all Settlement Class Members were fluent in English.

2 3 4 5		HE STATE OF CALIFORNIA NTY OF ORANGE Case No. 30-2010-00395208-CU-OE-CXC Hon. James J. Di Cesare Department C 16 CLASS ACTION [PROPOSED] SECOND AMENDED PRELIMINARY APPROVAL ORDER Date: March 19, 2021 Time: 9:30 a.m. Dept: C-16 Complaint Filed: August 2, 2010 Trial Date: None Set
20 21 22 23 24 25 26 27 28	WHEREAS, this action is pending before this Court as a Class Action; WHEREAS, Plaintiff Santiago Medina ("Medina") has previously filed an unopposed motion with this Court for an Order preliminarily approving the settlement of the Class Action entered into by and between R & M Pacific Rim, Inc., a California corporation, ("R&M") and Medina, individually and on behalf of Settlement Class Members as defined therein; and WHEREAS, this Court had previously preliminarily approved that

settlement, in accordance with the parties' Second Amended and Restated
 Settlement Agreement;

WHEREAS, the parties now seek to have this Court reconsider it prior
preliminary approval order in light of the parties' the Third Amended and
Restated Settlement Agreement, which now sets forth the terms and conditions
for a proposed partial settlement of the Class Action; and

7 WHEREAS, the Court having read and considered the Third Amended8 and Restated Settlement Agreement and the Exhibits attached thereto;

9

NOW, THEREFORE, IT IS HEREBY ORDERED:

1. This Preliminary Order incorporates by reference the definitions in
 the Third Amended and Restated Settlement Agreement, as filed with the
 Court, and all terms defined therein shall have the same meaning as set forth in
 the Third Amended and Restated Settlement Agreement.

14 2. The Court hereby reconsiders its prior preliminary approval order
15 and finds the terms of the Third Amended and Restated Settlement Agreement
16 to be within the range of reasonableness of a settlement that ultimately could be
17 granted approval by the Court at a Final Approval Hearing.

18 3. The Court preliminarily approves the terms of the Third Amended 19 and Restated Settlement Agreement and finds that they fall within the range of 20 approval as fair, adequate, and reasonable. The Court hereby preliminarily finds 21 that the Third Amended and Restated Settlement Agreement is the product of informal, non-collusive negotiations conducted at arms' length by the parties. 22 23 The Court has considered the estimate of the Class Members' total recovery, R&M's potential liability, the allocation of settlement proceeds among Class 24 25 Members, including the two subclasses, and the fact that a settlement 26 represents a compromise of the parties' respective positions rather than the 27 result of a finding of liability at trial. The assistance of an experienced mediator 28

in the settlement process supports the Court's conclusion that the Settlement is
 non-collusive and reasonable. The Settlement is presumptively valid.

3 4. For purposes of the Settlement only, the Court finds that the proposed Settlement Class is ascertainable and that there is a sufficiently well-4 5 defined community of interest among the members of the Settlement Class in questions of law and fact. Therefore, the Court preliminarily certifies as the 6 7 Settlement Class, for settlement purposes only, all persons who were employed 8 by R&M and who worked at a Shell branded station operated by R&M and 9 owned by Equilon Enterprises, LLC at any time during the period from August 10 2, 2006 to September 1, 2008. The Settlement Class consists of the Settlement Misclassification Subclass, consisting of all Settlement Class Members during 11 any portion of the Class Period that they were declared by R&M as exempt 12 13 employees and paid a salary. and the Settlement Break Subclass, consisting of 14 all Settlement Class Members during any portion of the Class Period that they were non-exempt hourly wage employees. The Settlement Misclassification 15 Subclass does not include any Settlement Class Member during any portion of 16 the Class Period such Settlement Class Member was an Area Manager. 17

18 5. For purposes of the Settlement only, Medina is re-approved as the19 Class Representative.

20 6. For purposes of the Settlement only, Bleau Fox, a Professional Law
21 Corporation, is re-appointed and approved as Class Counsel.

22 7. The Court hereby re-appoints and approves Phoenix Settlement
23 Administrators as the Settlement Administrator.

8. After previously balancing the privacy interests of the Settlement
 Class as asserted by R&M, the Court continues to find that in order for the Class
 Notice to be mailed to the Settlement Class at their last known address based
 upon R&M's employment records, that the Settlement Administrator and Class
 Counsel have sufficient information to locate Settlement Class members and

that the Settlement Administrator and Class Counsel have sufficient
 information to prorate Individual Settlement payments for each subclass, it
 remains necessary and appropriate, without prior notice to the Settlement
 Class, that R&M be authorized and directed to provide to the Settlement
 Administrator and Class Counsel the Class Information to be used solely for the
 purposes of settlement of this Class Action.

9. A hearing ("Final Approval Hearing") shall be conducted before this
Court on ______, 2021, at 9:30 a.m., in Department C-16, to
determine whether the proposed settlement of the Class Action on the terms and
conditions provided for in the Settlement Agreement is fair, reasonable and
adequate, whether said settlement should be finally approved by the Court, and
whether a Final Approval Order and Judgment should be entered herein.

13 10. The Court hereby approves, as to form and content, the Class Notice,
14 Information Sheet and Request for Exclusion Form attached as Exhibit 1 to the
15 Third Amended and Restated Settlement Agreement.

16 11. The Court approves the requirements for disputing the information upon which Settlement Class Members' share of the Settlement will be 17 calculated. The Court approves the requirements for objecting to the Settlement 18 19 and excluding Settlement Class Members who timely and properly request to be excluded from the Settlement Class, all as provided in the Third Amended and 20 21 Restated Settlement Agreement. The Court finds that the procedures and 22 requirements for submitting objections in connection with the Final Approval 23 Hearing are intended to ensure the efficient administration of justice and the orderly presentation of any Settlement Class Member's objection to the 24 25 Settlement, in accordance with the due process rights of all Settlement Class 26 Members.

27 12. The Court finds that the mailing of the Class Notice substantially in28 the manner and form as set forth in the Third Amended and Restated

- 4 -[PROPOSED] SECOND AMENDED PRELIMINARY APPROVAL ORDER

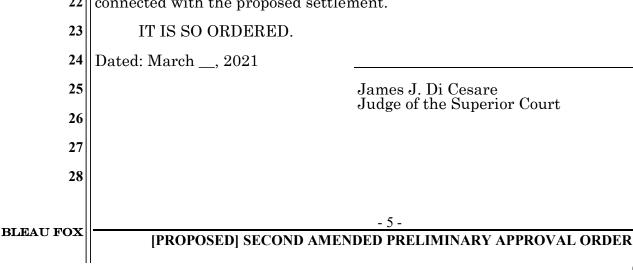

Settlement Agreement and this Preliminary Approval Order meets the
 requirements of *California Rules of Court* Rules 3.766(d) and 3.769(f), California
 Code of Civil Procedure section 382, California Civil Code section 1781, other
 applicable law, and due process, and is the best notice practicable under the
 circumstances, and shall constitute valid, due and sufficient notice to all
 Settlement Class Members.

7 13. The Court hereby authorizes and directs the Settlement
8 Administrator to mail or cause to be mailed to Settlement Class Members the
9 Class Notice, completed Information Sheet and the Request for Exclusion Form.
10 Such documents shall be sent by First Class U.S. mail, postage prepaid. Mailing
11 of the Class Notice shall occur on ______, 2021.

12 14. Thirty Five days prior to the Final Approval Hearing, Class Counsel
13 shall serve and file its application for a Class Counsel Award and litigation costs
14 and expenses as well as any application for a Service Award.

15. Five days prior to the Final Approval Hearing, Class Counsel shall
serve and file the declaration of the Settlement Administrator containing the
information required by the Third Amended and Restated Settlement
Agreement.

19 16. The Court reserves the right to adjourn or continue the date of the
20 Final Approval Hearing without further notice to Class Members, and retains
21 jurisdiction to consider all further applications or motions arising out of or
22 connected with the proposed settlement.

RECITALS

25 37. At all relevant times, Medina was and is a resident of Orange

28

38. At all relevant times, R&M was and is a California corporation with
 its principal place of business in Orange County, California.

39. Defendant Equilon Enterprises, LLC ("Equilon") is a Delaware
limited liability company with its principal place of business in Houston, Texas.
At all relevant times, Equilon has operated under the fictitious business name of
Shell Oil Products US and is qualified to do business and doing business in
California and in Orange County. At all relevant times, Equilon was in the
business of owning service stations and selling motor fuel to the consuming
public.

10 40. Effective on February 1, 2005, Equilon and R&M entered into their first Multi-Site Operator ("MSO") lease and contract for a cluster of 21 stations 11 12 all of which were located in Orange County, California. Pursuant to these 13 agreements, R&M agreed to lease the convenience stores and car washes at 14 these stations for its own benefit and agreed to operate all other aspects of those service stations for the benefit of Equilon. These agreements were extended 15 through the Class Period. R&M's sole business during the Class Period was to 16 lease convenience stores and car washes from Equilon and to operate Equilon's 17 service stations. 18

19 41. Pursuant to those agreements, Equilon required that all stations
20 which R&M leased and operated for Equilon be open 24/7/365 unless closure was
21 required by law. R&M complied with these requirements at all times during the
22 Class Period.

42. At all times during his employment, Medina worked at these
Equilon owned and R&M operated stations, first as a cashier and later as a
manager. Upon being promoted to the position of manager, Medina alleges that
R&M declared Medina to be an exempt employee, paid him a salary and did not
pay him overtime. Prior to SeptemberOctober 1, 2008, R&M reclassified Medina
as a non-exempt employee and thereafter paid him an hourly wage. At all times

BLEAU FOX

during the Class Period, Medina alleges that he was forbidden by R&M from
 closing the station at which he worked in order to take an off-duty rest break
 and that he received no compensation for any missed rest break during the Class
 Period.

43. On May 20, 2005, Debbie Jo Wales commenced an action in the Los
Angeles County California Superior Court against Shell Oil Company; Equilon
and C6 Resources LLC, among others, as a class and representative action. The
action was denominated *Wales v. Shell Oil Company, et al.*, Case No. BC 333 740
(the "Wales Action"). Class Counsel represented plaintiffs in the Wales Action;
and at all times Samuel T. Rees, "Of Counsel" to Class Counsel, was the lead
attorney for plaintiffs in the Wales Action.

12 44. Among other claims in the Wales Action, plaintiffs therein asserted 13 that managers of Equilon-owned and third-party-operated California service 14 stations were misclassified and were improperly denied overtime pay and that all such employees were denied off-duty rest breaks and compensation for 15 missed rest breaks. Plaintiffs therein also alleged that Equilon was the "joint 16 employer" of those employees and liable for their wage claims. Medina and 17 Raymond Stoddard ("Stoddard") were putative class members in the Wales 18 19 Action.

20 45. On August 2, 2010, Medina and Stoddard commenced the Class
21 Action.

46. On October 15, 2010, the Court stayed the Class Action because of
the pendency of the Wales Action. This stay remained in effect until August 13,
24 2018.

25 47. While the stay in the Class Action was in effect, Stoddard died and
26 is no longer a party plaintiff in the Class Action.

48. While the stay in the Class Action was in effect, substantial
discovery was undertaken in the Wales Action. This discovery included the

BLEAU FOX

HIRD AMENDED AND RESTATED SETTLEMENT AGREEMENT WITH EXHIBITS

1 depositions of Medina, Stoddard, and Seung Il Kim as well as document
2 production and other information from R&M.

3 49. Following the lifting of the stay in the Class Action, R&M and Medina decided to participate in a voluntary private mediation of the claims 4 5 against R&M in the Class Action. After careful research and consideration, the parties selected the Honorable Carl J. West (Ret) of JAMS to be the mediator. 6 7 Judge West is a well-respected retired Superior Court Judge with extensive 8 experience in trying, arbitrating and mediating wage and hour class action 9 disputes such as those alleged by Medina in the Class Action. Mediation was 10 scheduled for January 3, 2019 and lasted the entire day. While Medina and R&M did not reach a settlement at the mediation hearing, Judge West remained 11 involved in the mediation process; and, as a result, a settlement in principal was 12 13 reached between those parties on January 15, 2019. The settlement in principal 14 is the result of an informed and detailed evaluation of the total exposure and potential liability, in relation to the costs and risks associated with continued 15 litigation of the Class Action. The settlement in principle is subject to and 16 expressly conditioned upon the Parties entering into this Settlement Agreement 17 and the Court in the Class Action both preliminarily and finally approving the 18 19 Settlement.

50. The settlement in principal reached as a result of the mediation does
not resolve all claims in the Class Action. In addition to asserting claims
against R&M, Medina has also asserted claims against Equilon claiming that it
is the joint employer of employees working at the Equilon-owned service stations
including those managed by R&M.

25 51. The Settlement, if finally approved and Judgment is entered, (i) will
26 resolve all claims of the Settlement Class Members, who do not timely request to
27 be excluded from the Settlement, against Equilon but only for claims during the
28 Class Period and (ii) will resolve all claims of the Settlement Class Members,

who do not timely request to be excluded from the Settlement, against R&M for
 all claims alleged in the Second Amended Complaint, or that could have been
 alleged in the Second Amended Complaint based on the facts alleged therein.

The Settlement, if finally approved and Judgment is entered, will 4 52.5 not resolve (i) claims that arose prior to or after the Class Period, (ii) claims against Equilon, (iii) claims that are not alleged in the Second Amended 6 7 Complaint and could not have been alleged in the Second Amended Complaint 8 based on the facts alleged therein, (iv) claims that, as a matter of law cannot be 9 released, (v) claims for retaliation, discrimination, or wrongful termination, or 10 (vi) individual claims filed with the appropriate agency for the recovery of 11 workers' compensation benefits.

53. Equilon has been granted summary judgment as to all claims
asserted against it in the Class Action on the grounds that based upon the
undisputed facts it is not the joint employer of any employee working at its
California owned and third-party-operated service stations. Medina has
appealed this Summary Judgment which appeal is currently pending.

17 54. In addition to the class claims asserted in the Class Action, Medina
18 has also asserted a claim for wrongful termination against R&M. As a result of
19 the mediation, this claim has also been tentatively settled which settlement is
20 conditioned upon the Court entering the Judgment on Final Approval of this
21 Settlement. If approved, Medina will receive Five Thousand Dollars (\$5,000) in
22 settlement of this claim.

23 55. On March 25, 2019, Medina filed his Second Amended Complaint in
24 the Class Action. This is the operative and most recent complaint filed in the
25 Class Action. Among other changes, the Second Amended Complaint removed
26 Stoddard as a named plaintiff.

27 56. R&M has denied and continues to deny each and all of the claims
28 and allegations made in the Class Action, including those in each pleading filed

BLEAU FOX

- 12 -

by Medina or Stoddard in the Class Action, and further denies that it has 1 2 committed any illegal, unlawful, unfair, fraudulent and/or wrongful act, 3 omission, or practice for which it owes any wages, compensation, penalties, restitution, interest, fees, costs or other payments whatsoever, including those 4 alleged in the Class Action. R&M also has asserted a number of affirmative 5 defenses in the Class Action which it believes are meritorious. R&M also denies, 6 7 and continues to deny, *inter alia*, the allegations that the Settlement Class 8 Members have suffered damage. Without limiting the foregoing, R&M contends 9 that the Settlement Class Members were properly and timely paid all wages 10 owed, including without limitation, all straight time, overtime pay, and double 11 time pay and were provided meal and rest periods as required under California 12 law.

13 57. In reaching the settlement in principal, Medina has recognized the 14 expense and length of proceedings necessary to continue the Class Action against R&M through discovery, trial and any possible appeals. Medina also 15 has taken into account the uncertainty and risk of the outcome of further 16 litigation, and the difficulties and delays inherent in such litigation. Medina 17 also is aware of the burdens of proof necessary to establish class certification, 18 19 liability, R&M's defenses thereto, and the difficulties in establishing damages, 20 restitution and other requested relief for himself and all Class Members. Based 21 on the foregoing, Medina and Class Counsel have determined that the Settlement Agreement is a fair, adequate and reasonable settlement, and that it 22 23 is in the best interests of all Settlement Class Members. In that regard, the Parties agree that Judge West, at his sole discretion, may execute a declaration 24 25 supporting the settlement and the reasonableness of it, and the Court, in its 26 discretion, may contact Judge West *ex parte* to discuss the settlement and 27 whether it is fair and reasonable.

28

58. R&M has concluded that any further defense of the Class Action 1 2 would be protracted and expensive. Substantial amounts of time, energy and 3 resources of R&M have been devoted and, unless this Settlement is made and approved, will continue to be devoted to the defense of the claims asserted in the 4 5 Class Action. R&M has also taken into account the uncertainty and risks inherent in litigation, particularly complex litigation such as the Class Action. 6 7 Based on the foregoing, R&M has concluded that it is desirable and beneficial 8 that the Class Action be fully and finally settled in the manner and upon the 9 terms and conditions set forth in this Settlement Agreement. R&M, therefore, 10 has agreed to settle in the manner and upon the terms set forth in this Settlement Agreement in order to put to rest the claims as set forth in the Class 11 12 Action. At the same time, R&M continues to deny each of the claims, 13 allegations, and contentions asserted in the Class Action and denies that 14 certification of any class is or was appropriate (other than for purposes of this Settlement only). R&M has repeatedly asserted and continues to assert 15 defenses thereto, and has expressly denied and continues to deny any 16 wrongdoing or legal liability arising out of any of the facts or conduct alleged in 17 18 the Class Action.

19 NOW, THEREFORE, IT IS HEREBY AGREED, BY AND BETWEEN
20 the undersigned, that the Class Action shall be settled, subject to preliminary
21 and final approval of the Court, upon and pursuant to the following terms and
22 conditions:

23

<u>REPRESENTATIONS BY R&M.</u>

59. During the course of the mediation <u>and thereafter</u>, R&M made
certain factual representations to Medina to induce Medina to settle the Class
Action. R&M now represents to the Settlement Class Members, and to no other
person, that the following facts are true <u>as of the date of the execution of this</u>
<u>Settlement Agreement</u> and that, solely for the purpose of deciding whether or

BLEAU FOX

- 14 -HIRD AMENDED AND RESTATED SETTLEMENT AGREEMENT WITH EXHIBITS

1 not to object to the Settlement or request to be excluded from the Settlement, 2 each Settlement Class Member may rely on these facts and verify that they are 3 true as to that Settlement Class Member based on his or her own knowledge. R&M further represents to Medina that the listing of the actual rate of pay for 4 5 each Settlement Class Member for the entire Class Period and a pay stub 6 showing each rate of pay for each Settlement Class Member is true and correct 7 payroll information. The representations shall expire on the Effective Date and 8 shall not be relied upon for any purpose thereafter. The representations should 9 not be relied upon by any person, at any time, other than for the limited 10 purposes explicitly set forth in this paragraph.

A. If no Settlement Class Member requests to be excluded from
this Settlement, there are 3729 employees who would be included in the
Settlement Misclassification Subclass, 2812 of whom are also included in the
Settlement Break Subclass. Of these 3729 employees, approximately 125
employees were members of the Settlement Misclassification Subclass for the
entire Class Period.

B. If no Settlement Class Member requests to be excluded from
this Settlement, there are 440351 employees who would be included in the
Settlement Break Subclass, 2812 of whom are also included in the Settlement
Misclassification Subclass.

21 С. During the Class Period, each member of the Settlement 22 Break Subclass, including managers who were non-exempt hourly employees, 23 was compensated at the minimuman hourly rate applicable during the time that member worked or at an amount not materially greater than the minimum 24 25 hourly rates of ranging from \$6.75 to \$9.00 for 2006, ranging from \$7.50 to \$8.75 for 2007 and <u>\$8ranging from \$8.00 to \$11</u>.00 for 2008. 26 27 D. During the Class Period, each member of the Settlement

28 Misclassification Subclass was compensated by a salary equating to

approximately and not materially higher than \$12.70ranging between \$10.38
 per hour and \$16.15 per hour, calculated by taking their annual salary and
 dividing it by 2,080 hours.

E. Prior to SeptemberOctober 1, 2008, R&M reclassified each
member of the Settlement Misclassification Subclass as a non-exempt employee.
From and after September 1, 2008being reclassified, R&M paid those employees
an hourly wage and overtime when they worked more than 40 hours in a work
week or more than 8 hours in a workday as shown on their timecards.

9 F. Prior to September 1, 2008, R&M changed its rest break policy
10 to clarify that all employees, including employees formerly claimed to be exempt
11 employees and since reclassified as non-exempt employees, were entitled to and
12 provided with duty-free, paid rest periods at the rate of no less than ten minutes
13 net rest for every four hours worked, or major fraction thereof.

14 G. On or about July 5, 2008 and as a result of a California Labor Commissioner meal break audit, R&M paid approximately 370 employees a total 15 of \$122,721.88 for missed meal break compensation. These payments were 16 believed by R&M to resolve all meal break claims for the Class Period. In June 17 2008, R&M modified its meal break policy to ensure that all non-exempt 18 19 employees working more than 5 hours in a workday and not working alone were 20 afforded a off-duty meal break, a form to report any missed or non-compliant 21 meal breaks for which payment would be provided and continued to allow non-22 exempt employees working alone the option to sign an on-duty meal waiver if 23 they wished to do so.

24 H. Pursuant to Equilon's contractual requirement, all Settlement
25 Class Members were fluent in English.

 Court, to agree to and adopt such amendments, modifications, and expansions of
 this Settlement Agreement, including all Exhibits hereto, as (i) shall be
 consistent in all material respects with the Final Approval order and (ii) do not
 limit the rights of Settlement Class Members; and

M. Contains such other and further provisions consistent with the
terms of this Settlement Agreement to which the Parties expressly consent in
writing.

9 67. At the Final Approval Hearing and as a part of the final approval of
10 this Settlement, Class Counsel will also request approval of the Plan of
11 Allocation set forth below. Any modification to the Plan of Allocation by the
12 Court shall not (i) affect the enforceability of the Settlement Agreement; (ii)
13 provide any of the Parties with the right to terminate the Settlement
14 Agreement; or (iii) impose any obligation on R&M to increase the consideration
15 paid in connection with the Settlement.

68. 16 At the Final Approval Hearing, Class Counsel may also request entry of an Order approving the Class Counsel Award and the Service Award to 17 Medina, which shall be paid exclusively from the Total Settlement Amount and 18 19 in accordance with the distribution plan described below. In no event shall 20 R&M otherwise be obligated to pay for any attorneys' fees and expenses or 21 Service Award(s). The disposition of Class Counsel's application for a Class Counsel Award, and for the Service Award, is within the sound discretion of the 22 23 Court and is not a material term of this Settlement Agreement, and it is not a condition of this Settlement Agreement that such application be granted. Any 24 25 disapproval or modification of such application by the Court shall not (i) affect 26 the enforceability of the Settlement Agreement, (ii) provide any of the Parties 27 with the right to terminate the Settlement Agreement, or (iii) increase the 28 consideration R&M pays in connection with the Settlement. R&M shall have no

 Class Counsel Award between and among Class Counsel and any other counsel
 representing any of the Settlement Class Members.

4 69. In no event shall R&M be obligated to pay Settlement
5 Administration Expenses beyond those provided for in this Settlement
6 Agreement.

7

SETTLEMENT CONSIDERATION

8 70. The total consideration for the Settlement from R&M is the Total 9 Settlement Amount (\$845,000). This is an "all in" number that includes, without 10 limitation, all monetary benefits and payments to the Settlement Class, Service 11 Award, Class Counsel Award, and Settlement Administrator Expenses and all 12 claims for penalties, interest, fees, and costs. The total consideration, however, 13 does not include R&M's share of payroll taxes allocable to any portion of the 14 Total Settlement Amount allocated to wages, which amount remains the responsibility of R&M. In no event shall R&M be liable for making any 15 payments under this Settlement, or for providing any relief to Settlement Class 16 Members, before the Effective Date, except as provided herein. 17

18 71. Medina and all Settlement Class Members who receive a payment of 19 any kind from the Total Settlement Amount (excluding, in the case of Medina, 20 the Service Award) expressly acknowledge that such payments shall be 21 considered to be comprised of thirty-three percent (33%) wages for which an IRS 22 Form W-2 will be issued and sixty-seven percent (67%) non-wages for which an IRS Form 1099 will be issued, if required. Medina and all Settlement Class 23 Members who receive a payment of any kind from the Total Settlement Amount 24 25 agree to timely pay in full all of the federal, state, and municipal income taxes 26 owed on such payments.

27 72. The terms of this Settlement Agreement relating to the Service
28 Award and Class Counsel Award were not negotiated by the Parties before full

agreement was reached as to all other material terms of the proposed
 Settlement, including, but not limited to, any terms relating to the relief to the
 Settlement Class. R&M agrees not to oppose a request for the Service Award for
 Medina of Five Thousand Dollars (\$5,000) or less, which will be left to the
 discretion of this Court.

73. Class Counsel agrees not to seek an award of attorneys' fees from 6 7 the Court in excess of one third (1/3) of the Total Settlement Amount. R&M 8 agrees not to oppose a request for attorneys' fees up to and including one third 9 (1/3) of the Total Settlement Amount. Class Counsel shall also seek all actual expenses and costs incurred to date by Class Counsel in litigation and resolution 10 of the Class Action. R&M and Settlement Class Members shall have no 11 12 obligation regarding or liability for allocation or payment of the Class Counsel 13 Award. Class Counsel shall file any request for attorneys' fees, costs and 14 expenses and any request for a Service Award no later than fourteen (14) days before the Exclusion/Written Objection Deadline. Class Counsel's request for 15 attorneys' fees, costs and expenses shall be supported by billing records. 16

17 74. The Settlement Administrator shall pay the Class Counsel Award by
18 wire transfer to Bleau Fox, a PLC pursuant to wiring instructions from Class
19 Counsel. Class Counsel shall provide the Settlement Administrator notice of
20 receipt of the Class Counsel Award. R&M shall have no liability to Class
21 Counsel or any other counsel for Medina or any Settlement Class Member
22 arising from any claim regarding the division of the Class Counsel Award.

23

FUNDING AND ALLOCATION OF SETTLEMENT

75. Within fourteen (14) calendar days of the Effective Date, R&M shall
provide the Total Settlement Amount (\$845,000) to the Settlement
Administrator. The Settlement Administrator shall thereafter distribute the
funds in the manner and at the times set forth in this <u>Settlement</u> Agreement.

BLEAU FOX

76. Within twenty-one (21) days of the Effective Date, the payment of
 the Class Counsel Award, the Service Award approved by the Court and the
 Settlement Administrator Expenses (up to \$15,000) as approved by the Court,
 shall be made by the Settlement Administrator from the Total Settlement
 Amount. The Settlement Administrator shall use reasonable efforts to disburse
 Individual Settlement Payments within sixty (60) days after the Effective Date,
 but in no event before twenty-one (21) days after the Effective Date.

8 77. To receive a payment from the Settlement, a Settlement Class
9 Member must not have submitted a request for exclusion from the Settlement.
10 Settlement Class Members are not eligible to receive any compensation from the
11 Settlement other than their Individual Settlement Payment.

12 78. After deduction from Total Settlement Amount of the Class Counsel
13 Award, the Service Award and the Settlement Administrator Expenses, the
14 remaining amount shall be allocated Seventy-Four percent (74%) to the
15 Settlement Misclassification Subclass and Twenty-Six percent (26%) to the
16 Settlement Break Subclass. Each such allocation shall be further allocated
17 Thirty-Three percent (33%) to wages and Sixty-Seven percent (67%) to penalties
18 and interest.

19 79. The amount of each Settlement Class Member's Individual
20 Settlement Payment will be distributed from the Total Settlement Amount and
21 calculated by the Settlement Administrator, as follows:

A. Payment from the amount allocated to the Settlement
Misclassification Subclass shall be prorated among the members of that subclass
by taking the number of work weeks or portions thereofdays that such member
was declared an exempt, salaried employee and paid a salary during the Class
Period and multiplying. If a member of this subclass is also a member of the
Settlement Break Subclass during any work week, then that member shall be
deemed to be a member of the Settlement Misclassification Subclass for that

BLEAU FOX

- 26 -<u>HIRD</u> AMENDED AND RESTATED SETTLEMENT AGREEMENT WITH EXHIBITS

entire work week and not a member of the Settlement Rest Break Subclass for
 any portion of that week, with the products adjusted accordingly. The product
 of that calculation shall serve as the numerator for proration purposes and the
 sum of all such products shall serve as the denominator for proration purposes.

В. Payment from the amount allocated to the Settlement Break 5 6 Subclass shall be prorated among the members of that subclass by taking the 7 gross wages paid during the Class Period that such member was declared a non-8 exempt hourly wage employee and when that member was not also a member of 9 the Settlement Misclassification Subclass. This amount shall serve as the 10 numerator for proration purposes and the sum of all such products shall serve as the denominator for proration purposes. For non-exempt hourly wage employee 11 who commenced in that position after December 31, 2005 and/or who ceased to 12 be in that position before January 1, 2009, the employee's gross wages will be 13 14 further prorated on a 365/365 daily basis so that the numerator shall only include his gross wages earned during the Class Period. 15

16 C. If under the Plan of Allocation a Settlement Class Member
17 will be distributed \$10 or more, then he or she will receive the entitled amount.
18 If, however, the Settlement Class Member is due less than \$10, then his or her
19 Individual Settlement Payment will be for \$10 and the other Settlement Class
20 Members Individual Settlement Payment shall be adjusted accordingly.

21 80. Class Counsel will be permitted to review and approve the
22 calculation of settlement fundsIndividual Settlement Payments to be
23 distributed.

81. As described below, each Settlement Class Member will have the
opportunity, should he or she disagree with the employment information used to
calculate that employee's Individual Settlement Payment provided to him or her
with his Class Notice, to provide documentation to establish the appropriate

BLEAU FOX

information. There will be a presumption that R&M's records are correct,
 absent evidence produced by a Settlement Class Member to the contrary.

3 82. The Settlement Administrator shall issue the Individual Settlement 4 Payments from the Total Settlement Amount to each Settlement Class Member 5 who does not properly opt out. The portion of the Individual Settlement 6 Payments allocated to penalties and interest shall be reported by the Settlement 7 Administrator to the applicable governmental authorities on IRS Form 1099s. 8 The portion of the Individual Settlement Payments allocated to wages shall be 9 reported by the Settlement Administrator to the applicable government authorities on IRS Form W-2s. The Service Award and Class Counsel Award 10 shall likewise be reported on IRS Form 1099s by the Settlement Administrator. 11 12 The Settlement Administrator shall be responsible for issuing copies of IRS 13 Form 1099s to Medina and Settlement Class Members.

CLASS NOTICE

16 83. No more than thirty (30) calendar days after entry of the Second
17 Amended Preliminary Approval Order or as otherwise ordered by the Court,
18 R&M shall provide the Settlement Administrator and Class Counsel with any
19 requested supplementation to the Class Information.

20 The Class Notice shall contain, for each Settlement Class Member, 84. 21 to the extent provided by R&M, his or her full name, last known address, social security number, any last known email address, any last known telephone 22 number, and information used to calculate each Class Member's Individual 23 Settlement Payment proration amount numerator. The Class Notice shall 24 25 inform Settlement Class Members of their right to request exclusion from the 26 Settlement, of their right to object to the Settlement, of their right to dispute the information upon which their share of the Settlement will be calculated, of their 27 28 right to correct or supplement any other personal information provided, and a

description of the claims to be released unless they exercise their right to
 request exclusion from the Settlement.

3 85. As set forth in the Class Notice, Settlement Class Members will be
4 provided thirty-five (35) days after the initial mailing of the Class Notice to
5 dispute the information contained on their Information Sheet upon which their
6 share of the Settlement will be calculated and provide documentation to support
7 this dispute. A Dispute Form will be included with the Class Notice as
8 Enclosure C for this purpose.

9 86. The Settlement Administrator shall review any documentation 10 submitted by a Settlement Class Member and consult with the Parties to 11 determine whether an adjustment is warranted. The Settlement 12 Administrator's determination shall be binding upon the Settlement Class 13 Member and the Parties, and the Settlement Class Members Individual 14 Settlement Payment will be calculated according to the Settlement Administrator's determination. There will be a presumption that R&M's records 15 are correct, absent evidence produced by a Settlement Class Member to the 16 17 contrary.

18 87. No more than sixty (60) days after entry of the Second Amended
19 Preliminary Approval Order or as otherwise ordered by the Court, provided
20 Defendant timely complied with its obligation in Paragraph 8483, the
21 Settlement Administrator shall send a copy of the Class Notice by first class
22 mail and, if provided in the Class Information, electronic mail to each
23 Settlement Class Member.

88. If any Class Notice sent via first class mail to any Settlement Class
Member is returned as undeliverable, the Settlement Administrator shall then
make a good-faith attempt to obtain the most-current names and postal mail
addresses for those Settlement Class Members, including cross-checking the
names and/or postal mail addresses it received from R&M, as well as any other

BLEAU FOX

sources, with appropriate databases (e.g., the National Change of Address 1 2 Database) and performing further reasonable searches (e.g., through 3 Lexis/Nexis) for more-current names and/or postal mail addresses for those Settlement Class Members and resend the Class Notice. All Settlement Class 4 Members' names and postal mail addresses obtained through these sources shall 5 6 be protected as confidential and not used for purposes other than the notice and 7 administration of this Settlement. The addresses determined by the Settlement 8 Administrator as the current mailing address shall be presumed to be the best 9 mailing address for each Settlement Class Member.

10 89. As set forth in the Class Notice, Settlement Class Members will be
11 asked to update any personal information within sixty (60) days of the Notice
12 Date. Updated personal information may be submitted on the Settlement
13 Administrator's website established for this settlement or by fax to the number
14 provided or by mail.

90. The Parties agree that the procedures set forth in this Section
constitute reasonable and the best practicable notice under the circumstances
and an appropriate and sufficient effort to locate current addresses for
Settlement Class Members such that no additional efforts to do so shall be
required.

20 91. The Settlement Administrator will provide Class Notice without
21 material variation from the form attached Exhibit 1. The Class Notice shall
22 comply with California Rules of Court 3.766(d), 3.769(f) and due process.

92. At least twenty-one (21) days before the Final Approval Hearing, the
Settlement Administrator shall prepare and provide to Class Counsel and
Defense Counsel (i) a declaration of due diligence and proof of dissemination
with regard to the mailing of the Class Notice, (ii) a listing of the names of all
Settlement Class Members who have timely requested to be excluded from the
Settlement (iii) a listing of the names of all Settlement Class Members who

appear to not have received the Class Notice because they were returned
undeliverable, and (iv) billing records for administrative costs incurred to date
and anticipated administrative costs for the completion of its duties and (v) a
listing of the amount of the high and low Individual Settlement Payments and
the amount of Medina's Individual Settlement Payment (the "Due Diligence
Declaration")... Class Counsel shall be responsible for filing the Due Diligence
Declaration with the Court.

8 93. If any individual whose name does not appear in the Class 9 Information that R&M provides the Settlement Administrator (and who has not 10 previously opted out of the Settlement Class), believes that he or she is a 11 Settlement Class Member, he or she may dispute his or her exclusion from the Settlement Class. If an individual believes he or she is a Settlement Class 12 13 Member, he or she must notify the Settlement Administrator within a 14 reasonable amount of time after the Notice Date and at least ten (10) days prior to the Final Approval Hearing. The Parties will meet and confer regarding any 15 such individuals in an attempt to reach an agreement as to whether any such 16 individual should be regarded as a Settlement Class Member. If the Parties so 17 agree that any such individual should be regarded as a Settlement Class 18 19 Member, the Settlement Administrator will mail and, if possible email, a Class Notice to the individual, and treat the individual as a Settlement Class Member 20 21 for all other purposes. Such an individual will have all of the same rights as any other Settlement Class Member under this Settlement Agreement. 22

94. R&M understands its legal obligation not to retaliate in any manner
against any Settlement Class Member for their participation and/or election to
participate in the benefits to be afforded any of them by the Settlement and/or
the Class Action.

PROCEDURES FOR REQUESTS FOR EXCLUSION

BLEAU FOX

HIRD AMENDED AND RESTATED SETTLEMENT AGREEMENT WITH EXHIBITS

95. Settlement Class Members (with the exception of Medina) may opt 1 2 out of the Settlement. Those who wish to exclude themselves (or "opt out") from 3 the Settlement Class must submit timely, written requests for exclusion to the Settlement Administrator. To be effective, such a request must include the 4 Settlement Class Member's name, address, and telephone number; a clear and 5 unequivocal statement that the Settlement Class Member wishes to be excluded 6 7 from the Settlement Class and the signature of the Settlement Class Member or 8 the Legally Authorized Representative of the Settlement Class Member. 9 Completion, execution and timely submission of the Request for Exclusion Form, 10 Attachment A to the Class Notice, shall be deemed to comply with this Paragraph. The request must be mailed or faxed to the Settlement 11 12 Administrator at the address provided in the Class Notice and, if mailed, must be postmarked no later than the Exclusion/Written Objection Deadline. Absent 13 14 actual receipt of such request by the Settlement Administrator prior to the Exclusion/Written Objection Deadline, the date of the postmark shall be the 15 exclusive means used to determine whether a mailed request for exclusion has 16 been timely submitted. Requests for exclusion must be exercised individually by 17 the Settlement Class Member. Attempted collective group, class, or subclass 18 19 requests for exclusions shall be ineffective and disregarded by the Settlement 20 Administrator.

21 96. Individual exclusion requests may be submitted by a Settlement
22 Class Member's Legally Authorized Representative.

23 97. The Settlement Administrator shall promptly log each request for
24 exclusion that it receives and promptly provide copies of the log and all such
25 requests for exclusion to Class Counsel and Defense Counsel.

26 98. The Settlement Administrator shall prepare a list of all persons who
27 timely and properly requested exclusion from the Settlement Class (the Opt-Out
28 List) and shall, before the Final Approval Hearing, submit a declaration to the

BLEAU FOX

- 32 -

Court attesting to the accuracy of the list which declaration may be part of the
 Due Diligence Declaration.

3 99. All Settlement Class Members who are not included in the Opt-Out
4 List approved by the Court shall be bound by this Settlement, and their
5 Settlement Class Members' Released Claims shall be dismissed with prejudice
6 and released as provided for herein, even if they never received actual notice of
7 the Class Action or this proposed Settlement.

8 100. The Settlement Administrator, in its sole discretion, shall determine
9 whether a request for exclusion was timely and properly submitted. The
10 Settlement Administrator's decision shall be final, binding, and nonappealable
11 absent a contrary order from the Court.

12

101. Medina agrees not to request exclusion from the Settlement Class.

13 102. Settlement Class Members may object to or opt out of the 14 Settlement, but may not do both. Any Settlement Class Member who submits a timely and proper request for exclusion may not file an objection to the 15 Settlement or receive a Settlement Payment, and shall be deemed to have 16 waived any rights or benefits under the Settlement Agreement. If a Settlement 17 Class Member files both an objection and a valid and timely request for 18 19 exclusion, the request for exclusion will override the objection, and the objection 20 shall therefore be ignored.

103. No later than ten (10) business days after the Exclusion/Written
Objection Deadline, the Settlement Administrator shall provide to Class Counsel
and Defense Counsel the final Opt-Out List together with copies of the opt-out
requests.

25 104. R&M understands its legal obligation not to retaliate in any manner
26 against any Settlement Class Member for his or her exclusion of himself or
27 herself from the Settlement.

28

105. If, after the Exclusion/Written Objection Deadline and before the 1 2 Final Approval Hearing, Settlement Class Members whose combined 3 "estimated" Individual Settlement Payments equal or exceed ten percent (10%) of the Total Settlement Amount submit timely and valid requests for exclusion 4 5 from the Settlement, R&M shall have, in its sole and absolute discretion, the option to terminate this Settlement. The "estimated" Individual Settlement 6 7 Payments shall be determined by assuming that the combined total amount for 8 the Class Counsel Award, Service Award and Administrative Expenses paid to 9 the Settlement Administrator is Three Hundred Sixteen Thousand Six Hundred 10 and Sixty-Seven dollars (\$316,667). R&M shall exercise its option to terminate, 11 if at all, prior to the Final Approval Hearing, provided the Settlement 12 Administrator has provided R&M the Opt-Out List no later than ten (10) 13 business days prior to the Final Approval Hearing and the combined amount of 14 Individual Settlement Payments of those Settlement Class Members requesting to be excluded from the Settlement. If R&M decides to void the Settlement, then 15 the Settlement and conditional class certification shall be considered void, and 16 the Settlement, conditional class certification, and any related negotiations or 17 proceedings shall be of no force and effect, and the Parties shall stand in the 18 19 same respective positions, without prejudice, as if this Settlement had been 20 neither entered into nor filed with the Court. Should R&M void the Settlement 21 under this paragraph, R&M shall be responsible for all Administration Costs incurred by the Settlement Administrator through the date R&M notifies the 22 23 Settlement Administrator that it is exercising its option to terminate the 24 Settlement.

25

PROCEDURES FOR OBJECTIONS

26 106. Any Settlement Class Member that wishes to object to the fairness,
27 reasonableness, or adequacy of this Settlement Agreement or the proposed
28 Settlement, the Plan of Allocation, the Class Counsel Award and/or the Service

BLEAU FOX

Award must provide to the Settlement Administrator (who shall forward it to
 Class Counsel and Defense Counsel), a timely statement of the objection, as set
 forth below, or appear in person at the Final Approval Hearing to make an
 objection. Objections may be submitted by one or more Settlement Class
 Members.

6 107. To be timely, a written objection must be mailed to the Settlement
7 Administrator, and postmarked no later than the Exclusion/Written Objection
8 Deadline. Absent actual receipt of a written objection prior to the
9 Exclusion/Written Objection Deadline, the date of the postmark on the return10 mailing envelope shall be the exclusive means used to determine whether
11 objection has been timely submitted.

12 108. A written objection must contain at least the following: (i) the 13 objector's full name, address, telephone number, and signature; (ii) a clear 14 reference to the Class Action; (iii) a statement of the specific legal and factual basis for each objection argument; and (iv) a statement whether the objecting 15 person or entity intends to appear at the Final Approval Hearing, either in 16 person or through counsel and, if through counsel, a statement identifying that 17 counsel by name, bar number, address, and telephone number. All objections 18 19 shall be signed by the objecting Settlement Class Member (or his Legally 20 Authorized Representative), even if the Settlement Class Member is represented by counsel. 21

109. Any Settlement Class Member who does not file a timely written
objection or appear personally or through his or her counsel at the Final
Approval Hearing shall waive the right to object and shall be forever barred
from making any objection to the proposed Settlement, the Plan of Allocation,
the Class Counsel Award and the Service Award. Settlement Class Members
who object to the proposed Settlement shall remain Settlement Class Members,

BLEAU FOX

and shall be deemed to have voluntarily waived their right to pursue an
 independent remedy against R&M.

3 110. To the extent any Settlement Class Member objects to the proposed
4 Settlement, and such objection is overruled in whole or in part, such Settlement
5 Class Member will be forever bound by the Final Approval order and Judgment.

6 111. It shall be Class Counsel's sole responsibility to submit and respond
7 to any objections made with respect to any application for the Class Counsel
8 Award and Service Award.

9 112. R&M understands its legal obligation not to retaliate in any manner
10 against any Settlement Class Member for his or her objection to the Settlement.

11

RELEASES

12 113. The Named Plaintiff's General Released Claims and the Settlement
13 Class Members' Released Claims shall be released and dismissed with prejudice
14 and on the merits (without an award of costs to any party other than as provided
15 in this Settlement Agreement) upon entry of the Final Approval order and
16 Judgment.

17 114. As of the Final Approval Date, Medina and all Settlement Class Members, who have not been excluded from the Settlement Class, individually 18 19 and on behalf of their Legally Authorized Representatives, heirs, estates, 20 trustees, executors, administrators, representatives, agents, successors, and 21 assigns, and anyone claiming through them or acting or purporting to act on their behalf, agree to forever release, discharge, hold harmless, and covenant not 22 23 to sue on the Named Plaintiff's General Released Claims (in the case of Medina) and on the Settlement Class Members' Released Claims (in the case of the 24 25 Settlement Class Members who have not been excluded from the Settlement Class), and by operation of the Final Judgment shall have fully and finally 26 released, relinquished, and discharged all such claims; and they further agree 27 28 that they shall not now or hereafter initiate, maintain, or assert any Named

Plaintiff's General Released Claims (in the case of Medina) and any Settlement 1 2 Class Members' Released Claims (in the case of the Settlement Class Members 3 who have not been excluded from the Settlement Class), in any other court action or before any administrative body, tribunal, arbitration panel, or other 4 5 adjudicating body. Without in any way limiting the scope of the releases 6 described herein, the releases covers, without limitation, any and all claims for 7 attorneys' fees, costs or disbursements incurred by Class Counsel or any other 8 counsel representing Medina and/or Settlement Class Members, or by Medina 9 and/or Settlement Class Members, or any of them, in connection with or related 10 in any manner to the Class Action, the Settlement of the Class Action, the 11 administration of such Settlement, and/or the Released Claims, except to the 12 extent otherwise specified in the Settlement Agreement.

13 115. As of the Final Approval Date, Medina, and all Settlement Class
14 Members, who have not been excluded from the Settlement Class, shall be
15 permanently barred and enjoined from initiating, asserting, or prosecuting in
16 any federal or state court or tribunal any and all Named Plaintiff's General
17 Released Claims (in the case of Medina) and the Settlement Class Members'
18 Released Claims (in the case of the Settlement Class Members who have not
19 been excluded from the Settlement Class).

20 116. With respect only to the Named Plaintiff's General Released Claims,
21 Medina, but not the Settlement Class Members, expressly acknowledges that he
22 is familiar with principles of law such as Section 1542 of the California *Civil*23 *Code*, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT
THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR
SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF
EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR

BLEAU FOX

28

HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

3 With respect to the Named Plaintiff's General Released Claims, Medina 4 shall be deemed to have expressly, knowingly, and voluntarily waived and 5 relinquished, to the fullest extent permitted by law, the provisions, rights, and benefits he may otherwise have had pursuant to Section 1542 of the California 6 7 *Civil Code* and all similar federal or state laws, rights, rules, or legal principles 8 of any other jurisdiction that may be applicable herein. In connection with the 9 release, Medina acknowledges that he is aware that he may hereafter discover 10 claims presently unknown and unsuspected or facts in addition to or different from those which he now knows or believes to be true with respect to matters 11 12 released herein. Nevertheless, Medina acknowledges that a portion of the 13 consideration received herein is for a release with respect to unknown damages 14 and complaints, whether resulting from known injuries and consequences or from unknown injuries or unknown consequences of known or unknown injuries, 15 and states that it is the intention of Medina in agreeing to this release to fully, 16 finally, and forever to settle and release all matters and all claims that exist, 17 hereafter may exist, or might have existed (whether or not previously or 18 19 currently asserted in any action), constituting Named Plaintiff's General 20 Released Claims.

117. Medina further acknowledges, agrees and understands that: (i) he
has read and understands the terms of this Settlement Agreement; (ii) he has
been advised in writing to consult with an attorney other than Class Counsel
before executing this Settlement Agreement; and (iii) he has obtained and
considered such legal counsel as he deems necessary.

26 118. Subject to Court approval, Medina, and all Settlement Class
27 Members to the extent they have not been excluded from the Settlement Class,
28

shall be bound by this Settlement Agreement even if they never received actual
 notice of the Class Action and/or this Settlement.

ADMINISTRATION OF THE SETTLEMENT FUND

4 119. The Settlement Administrator or its authorized agents in
5 consultation with the Parties and subject to the supervision, direction, and
6 approval of the Court, shall calculate the allocation of and oversee the
7 distribution of the Total Settlement Amount.

8

3

120. The Total Settlement Amount shall be applied, as follows:

9 A. To pay the total costs, expenses, and fees of the Settlement
10 Administrator incurred in connection with providing Class Notice to potential
11 Settlement Class Members, and the management and distribution of the Total
12 Settlement Amount to Settlement Class Members, not to exceed \$15,000.00;

B. Subject to the approval and further order(s) of the Court, to
pay Medina's Service Award as the Court determines appropriate;

15 C. Subject to the approval and further order(s) of the Court, to
16 pay the Class Counsel Award as ordered by the Court; and

D. After the Effective Date and subject to the approval and
further order(s) of the Court, to distribute the Individual Settlement Payments
from the Total Settlement Amount for the benefit of the Settlement Class as
provided above or as otherwise ordered by the Court.

121. If any Settlement Class Member fails to negotiate his Individual
Settlement Payment by the Void Date (*i.e.* checks are not cashed or checks are
returned as undeliverable), then after the Void Date, the Settlement
Administrator shall void the check and shall pay such unclaimed funds to the
State of California for deposit into the California State Controller Unclaimed
Property fund, with the identity of the Participating Class Member to whom the
funds belong, to be held for that Settlement Class Member in accordance with

28 the California Unclaimed Property Law. The money paid to the California State

BLEAU FOX

- 39 -

1 Controller Unclaimed Property will remain the Settlement Class Member's 2 property. This will allow Settlement Class Members who did not cash their 3 checks to collect their Individual Settlement Amounts at any time in the future. Therefore, there will be no unpaid residue or unclaimed or abandoned 4 5 Settlement Class Member funds and California Code of Civil Procedure section 384 shall not apply. The funds will be held by the State until claimed by the 6 7 employee and those funds never cease to be the Settlement Class Member's 8 property.

9 122. Settlement Class Members who are not on the Opt-Out List
10 approved by the Court shall be subject to and bound by the provisions of the
11 Settlement Agreement, the releases contained herein, and the Judgment with
12 respect to all Settlement Class Members' Released Claims.

13 123. Payment from the Total Settlement Amount made pursuant to and
14 in the manner set forth herein shall be deemed conclusive of compliance with
15 this Settlement Agreement as to all Settlement Class Members.

16 124. No Settlement Class Member shall have any claim against Medina,
17 Class Counsel, or the Settlement Administrator based on distributions made
18 substantially in accordance with this Settlement Agreement and/or orders of the
19 Court. No Settlement Class Member shall have any claim against any released
20 party or its counsel relating to distributions made under this Settlement.

Judgment on the terms described herein, or if the Court enters the Judgment
and appellate review is sought, and on such review, the entry of Judgment is

vacated, modified in any material way, or reversed, or if the Final Approval
order does not otherwise become Final, then this Settlement Agreement shall be
cancelled and terminated, unless all Parties, in their sole discretion no later
than thirty (30) days from the date such ruling becomes Final, provide written
notice to all other Parties hereto of their intent to proceed with the Settlement
under the terms of the Judgment as it may be modified by the Court or any
appellate court.

In the event that: (i) the Settlement is not approved, is overturned, 9 or is modified by the Court or on appeal, (ii) the Judgment does not become 10 Final, or (iii) this Settlement Agreement is terminated, cancelled, or fails to become effective for any reason, then: (a) the Parties stipulate and agree the 11 12 Settlement, this Settlement Agreement, the Class Information, the Opt-Out 13 List, and all documents and oral or written communications exchanged and/or 14 filed in connection with the Settlement shall be treated as privileged mediation communications under California Evidence Code Sections 1115 et seq.; (b) the 15 Settlement shall be without force and effect upon the rights of the Parties 16 hereto, and none of its terms shall be effective or enforceable, with the exception 17 of this paragraph, which shall remain effective and enforceable; (c) the Parties 18 19 shall be deemed to have reverted *nunc pro tunc* to their respective status 20 immediately prior to execution of this Settlement Agreement; (d) all Orders 21 entered in connection with the Settlement, including the conditional certification of the Settlement Class, the Settlement Misclassification Subclass, and/or the 22 Settlement Rest Break Subclass, shall be vacated without prejudice to any 23 Party's position on the issue of class certification, the issue of amending the 24 25 complaint, or any other issue, in the Class Action or any other action, and the 26 Parties shall be restored to their litigation positions existing on the date of 27 execution of this Settlement Agreement; and (e) the Parties shall proceed in all 28 respects as if thethis Settlement Agreement and related documentation and

If this Settlement Agreement is terminated pursuant to its terms, or the Effective Date for any reason does not occur, all Orders certifying the Settlement 24 25 Class, Settlement Misclassification Subclass, and/or Settlement Rest Break Subclass and all preliminary and/or final findings regarding the Settlement 26 27 Class certification order, shall be automatically vacated upon notice to the 28 Court, the Class Action shall proceed as though the Settlement Class and, if

 Subclass, had never been certified pursuant to this Settlement Agreement and
 such findings had never been made, and the Class Action shall revert *nunc pro tunc* to the procedural *status quo* as of the date and time immediately before the
 execution of the Settlement Agreement, in accordance with this Settlement
 Agreement.

GENERAL INFORMATION REGARDING THIS NOTICE

WHAT IS THIS NOTICE ABOUT?

This Notice pertains to the settlement ("Class Action Settlement" or "Settlement") of claims against R&M Pacific Rim, Inc. ("R&M") in a class action lawsuit entitled *Stoddard and Medina, etc. v. Equilon Enterprises, LLC; R&M Pacific Rim, Inc. et. al.*, Orange County Superior Court Case No. 30-2010-00395208-CU-OE-CXC (the "Class Action").

This Class Action Settlement applies to all persons who were employed by R&M and who worked at a Shell branded station operated by R&M and owned by Equilon Enterprises, LLC at any time during the period from August 2, 2006 to September 1, 2008 (the "Settlement Class"). The Settlement Class is divided into two subclasses: (1) the Settlement Misclassification Subclass and (2) the Settlement Break Subclass. The Settlement Misclassification Subclass consists of all employees during this period who were declared by R&M as exempt employees and paid a salary-<u>but does not include any Settlement Class Member during any portion of the Class Period such Settlement Class Member was an Area Manager</u>. The Settlement Break Subclass consists of all employees during this <u>periodClass Period</u> who were paid an hourly wage. You may be part of both subclasses.

The Orange County Superior Court (the "Court") has preliminarily approved the Settlement and has directed the parties to notify the Settlement Class Members of the Settlement. If the proposed Class Action Settlement is finally approved by the Court, your legal rights may be affected. This Notice of Proposed Class Action Settlement summarizes the Class Action and the settlement, and what you need to do (i) if you want to be excluded or "opt-out" of the Settlement Class, (ii) if you want to object to the settlement, (iii) if you want to dispute the information on which your Individual Settlement Payment will be calculated and/or (iv) if you want to correct or supplement information contained in the accompanying Information Sheet [Enclosure A].

This Notice summarizes, but does not fully describe, the Class Action. You may inspect the court files at the Central Justice Center, 700 Civic Center Drive West, Santa Ana, CA 92701 from 8:30 a.m. to 4:30 p.m. Monday through Friday, holidays excepted. You may also review papers filed in the Class Action at the following web address, by accepting terms, inputting under the Case Tab the following number (30-2010-00395208)and indicating 2010 filed: case as the vear https://ocapps.occourts.org/civilwebShoppingNS/Login.do. PLEASE DO NOT CONTACT THE COURT OR THE COURT CLERK REGARDING THE LAWSUIT.

WHAT IS THIS CLASS ACTION LAWSUIT ABOUT?

For a complete understanding of the claims asserted on your behalf in the Class Action, please review the Second Amended Complaint filed in the Class Action on March 25, 2019. This section is merely a summary of certain important allegations thereof. Also and while the Class Action was pending, Raymond Stoddard, one of the original named plaintiffs, died; and the Class Action is now being prosecuted only by Santiago Medina ("Medina").

The Class Action generally involves claims under California's wage and hour laws. Insofar as claims are asserted against R&M in the Class Action, Medina primarily alleges that from and after August 2, 2006, R&M misclassified certain of its employees as "exempt" employees and improperly failed to pay them overtime wages and premium pay for missed off-duty meal and rest breaks. Medina further alleges that R&M also improperly failed to pay its hourly employees premium pay for their missed meal and rest breaks. These claims are asserted pursuant to the California *Labor Code*, California Unfair Competition Law and the applicable California Industrial Welfare Commission wage order. Other bases for relief also are asserted. These claims against R&M only relate to employees working at R&M operated stations.

Insofar as claims also are asserted against Equilon Enterprises, LLC, Medina primarily alleges that from and after May 2001, Equilon was a joint employer with its third party operators, including R&M, misclassified certain of its employees as "exempt" employees and improperly failed to pay them overtime wages and premium pay for missed off-duty meal and rest breaks and also improperly failed to pay its hourly employees premium pay for their missed meal and rest breaks. These claims also are asserted pursuant to the California *Labor Code*, California Unfair Competition Law and the applicable California Industrial Welfare Commission wage order. Other bases for relief are also asserted. These claims relate to all Equilon owned stations in California and operated by third parties, including R&M. As such, these claims are broader than the claims asserted against R&M but include all of those claims also. Summary Judgment in favor of Equilon on these claims was recently granted by the Court which Summary Judgment is on appeal.

On January 15, 2019, after good-faith negotiations with an experienced, neutral mediator, in which both Medina and R&M recognized the substantial risk of an uncertain outcome, Medina and R&M agreed to settle their dispute pursuant to the terms and conditions of a negotiated Settlement. The parties and their counsel have concluded that the Settlement is advantageous, considering the risks and uncertainties of continued litigation. The parties and their counsel have determined that the Settlement is fair, reasonable, and adequate and is in the best interests of the members of the Settlement Class.

R&M denies that it has done anything wrong or that it violated the law in any way. R&M further denies that it owes the Settlement Class any wages, restitution, penalties, or other damages and contends that Settlement Class members were properly compensated and properly provided meal and rest periods. Accordingly, the Settlement represents a compromise and settlement of disputed claims. Nothing in the Settlement is intended to be or will be construed as an admission by R&M that Medina's claims have merit or that R&M has any liability to Medina or the putative class on the claims alleged in the Class Action. The Court has not ruled on the merits of Medina's claims against R&M.

WHAT ARE THE IMPORTANT TERMS OF THE SETTLEMENT?

- 1. The Total Settlement Amount is \$845,000, inclusive of all damages, fees, costs, penalties, attorneys' fees and expenses and administration of the Settlement.
 - Class Counsel intends to seek by motion an award of attorneys' fees of \$281,667, plus costs and expenses, subject to Court approval. Class Counsel has estimated that its expenses will not exceed \$15,000. The motion will be available on [insert settlement website]www.phoenixclassaction.com/medina-v-equilon upon filing and is subject to Court review and approval. You have the right to object to this award to Class Counsel. The amount approved by the Court will be deducted from the Total Settlement Amount before Individual Settlement Payments are calculated.

b. In addition, Medina intends to seek by motion a Service Award of \$5,000 for serving as the named plaintiff and Class Representative. You have the right to object to this Service Award which is also subject to review and approval by the Court. The amount approved by the Court will be deducted from the Total Settlement Amount before Individual Settlement Payments are calculated.

c. The Settlement Administrator will be paid a fee and costs for administrating this Settlement. The total amount of those fees and costs will not exceed \$15,000. The fees and costs will be deducted from the Total Settlement Amount before Individual Settlement Payments are calculated.

d. The remaining amount after these deductions (the "Remaining Settlement Amount") shall be split between the two subclasses per the formula summarized in Paragraph 2 below.

2. <u>Payment to Class Members.</u> The Remaining Settlement Amount will be distributed to the Settlement Class Members, as follows:

a. **Misclassification Subclass:** Seventy-four percent (74%) of the Remaining Settlement Amount shall be allocated to the Settlement Misclassification Subclass. This amount shall be prorated among the members of the Settlement Misclassification Subclass based upon the total number of Work Weeks (Monday through Sunday) or portions thereofdays each such member worked during the Class Period as an exempt employee divided by the total number of weeks and portions thereofdays worked by all members of this subclass. An employee whose classification was changed during a Work Week shall be deemed an exempt employee for the entire Work Week during the Class Period and not an hourly employee for that week. Each such allocation shall be further allocated Thirty-Three percent (33%) to wages and Sixty-Seven percent (67%) to penalties and interest. b. **Break Subclass:** Twenty-Six percent (26%) of the Remaining Settlement Amount shall be allocated to the Settlement Break Subclass. This amount shall be prorated among the members of the Break Subclass based upon each employee's <u>nonexempt</u> gross wages paid during the Class Period divided by the <u>non-exempt</u> gross wages paid during the Class Period to all members of this subclass. <u>An employee whose</u> classification was changed from exempt to hourly during a Work Week shall not be deemed an hourly employee for the Work Week during the Class Period he or she was also an exempt employee. Each such allocation shall be further allocated Thirty-Three percent (33%) to wages and Sixty-Seven percent (67%) to penalties and interest.

c. If a Settlement Class Member will be distributed \$10 or more, then he or she will receive the entitled amount. If, however, the Settlement Class Member is due less than \$10, then his or her Individual Settlement Payment will be for \$10, which may have a small effect on the payments to other members of that subclass.

d. Settlement Class Members will be provided thirty-five (35) days after the initial mailing of the Class Notice to dispute the information upon which their share of the Settlement will be calculated but they must provide documentation to support this dispute. You may do so by timely completing, signing and submitting with appropriate documentation the Dispute Form included with this notice [Enclosure C] by mail or by fax to the Settlement Administrator. The Settlement Administrator will resolve all such disputes and its decision will be final. R&M's employment records on which the accompanying Information Sheet is based are presumed correct.

e. Settlement Class Members who receive a payment of any kind from the Total Settlement Amount expressly acknowledge that such payments shall be considered to be comprised of thirty-three percent (33%) wages for which an IRS Form W-2 will be issued and sixty-seven percent (67%) non-wages for which an IRS Form 1099 will be issued. All Settlement Class Members who receive a payment of any kind from the Total Settlement Amount agree to timely pay in full all of the federal, state, and municipal income taxes owed on such payments.

f. <u>Unclaimed funds</u>: Individual Settlement Payment checks which are not cashed within 180 days of issuance will be deemed void. The funds represented by voided checks will then be paid to the State of California for deposit into the Unclaimed Property Fund for the benefit of the Settlement Class Member who did not timely cash his Individual Settlement Payment check.

3. This Settlement was made based upon certain representations of fact made by R&M and contained in the Settlement Agreement. These factual representations are set forth in Enclosure D to this Notice. You should review these representations as they may affect your decisions regarding this settlement.

Of primary importance are the representations that prior to <u>SeptemberOctober</u> 1, 2008, (i) R&M reclassified all exempt employees as hourly employees and thereafter paid overtime to those employees, (ii) changed its rest break policies to allow all employees to take 10 minute off-duty rest breaks every 4 hours worked, or major fraction thereof, and (iii) changed its meal break

policies to allow all employees who worked more than 5 hours in a workday to take a 30 minute off-duty meal break and were provided a form to report any missed or non-compliant meal breaks for which payment would be provided, and (iv) paid missed meal break compensation to 370 employees in settlement as a result of a California Labor Commissioner meal break audit.

- 4. You will be bound by this Settlement and the releases contained therein, if it is given final approval by the Court, unless you timely submit a valid written Request for Exclusion to the Settlement Administrator by the deadline of January 2, 2021. [INSERT EXCLUSION DATE]. You may do so by timely completing, signing and submitting the form included with this notice [Enclosure B] by mail or by fax to the Settlement Administrator. If you do submit a valid Request for Exclusion by the deadline in accordance with the instructions for submitting a Request for Exclusion, you will be excluded from the Settlement and will not receive any Individual Settlement Payment, but you will retain the rights you may have, if any, to pursue your claims against Defendants and will not be bound by the releases contained in the Settlement Agreement.
- 5. If the Court does not grant final approval of the Settlement, or does not enter the Final Approval Order or if the Court's Final Approval Order is reversed in whole or in part on appeal, the parties have no obligations under the Settlement and Settlement Class Members will **not** receive any payments thereunder.
- 6. The Court has approved Phoenix Settlement Administrators as Settlement Administrator to administer the Settlement.
- 7. The Settlement, if given final approval by the Court, includes a very broad release to R&M and its affiliates. This release is, as follows:

Any and all claims alleged in the Second Amended Complaint, or that could have been alleged in the Second Amended Complaint based on the facts alleged therein, including claims for non-payment of overtime, missed meal and rest break compensation, interest thereon, attorneys' fees and expenses and costs of suit.

This release of fees and expenses includes, but is not limited to, those incurred by Class Counsel or any other counsel representing Medina or any Settlement Class Members, other than those expressly awarded by the Court as authorized by this Agreement.

8. Medina, as Class Representative, and Class Counsel, support the Settlement. Their reasons include the risk of being unable to pursue this case as a class action on behalf of all Class Members, the risk of a trial on the merits, the inherent delays and uncertainties associated with litigation, and the possibility that the Class is not entitled to any recovery from Defendants. Based on their experience litigating similar cases, Class Counsel believes that further proceedings in this case would be uncertain and, upon careful consideration of all facts and circumstances of this case, as well as the potential damages that could be recovered, Class Counsel believes that the Settlement is fair, reasonable, and adequate.

WHAT ARE MY RIGHTS AS A SETTLEMENT CLASS MEMBER?

9. Participate in the Settlement. You have the right to participate in the Settlement; and, if the Settlement is finally approved by the Court, you have the right to your Individual Settlement Payment. You do not have to do anything to exercise this right. However, if you decide to participate in the Settlement, you should review the attached Information Sheet [Enclosure A]. You should also check to make sure your address and contact information are correct so that you will receive your Individual Settlement Payment if and when it is mailed. You may make corrections to your contact information in the Information Sheet either electronically at [insert settlement website],www.phoenixclassaction.com/medina-v-equilon, by fax to (249) 209-2503 or by mail addressed to the Settlement Administrator at Phoenix Settlement Administrators, PO Box 7208, Orange, CA 92863.

If you need additional information, please contact the Settlement Administrator at (800) 523-5773 or at Info@phoenixclassaction.com.

10. Excluding Yourself from the Settlement (Opt-Out): You have the right to exclude yourself from the Settlement and retain the right to pursue any individual claims you may have against R&M. If you do <u>not</u> wish to participate in the Settlement, you must mail or fax a written Request for Exclusion to the Settlement Administrator. The Request for Exclusion must include: (1) your name, address, and telephone number; (2) a clear and unequivocal statement that you wish to be excluded from the Settlement Class; and (3) your signature or the signature of your Legally Authorized Representative. The attached Request for Exclusion Form [Enclosure B] may be completed, signed and submitted to the Settlement Administrator should you wish to use it. The Request for Exclusion must be completed, signed, and mailed to the Settlement Administrator at Phoenix Settlement Administrators, PO Box 7208, Orange, CA 92863, postmarked no later than January 2, 2021 [INSERT EXCLUSION DATE] or faxed to the Settlement Administrator at (249) 209-2503 by that date. If you fail to submit a Request for Exclusion in the manner and by the deadline specified above, you will be bound by all terms and conditions of the Settlement and Judgment.

Any person who files a complete and timely Request for Exclusion will, upon receipt by the Settlement Administrator, no longer be a member of the Settlement Class and will not be eligible to receive a payment if the Settlement is finally approved. Any such person will retain the right, if any, to pursue the claims released by this Settlement at his or her own expense. A Request for Exclusion that does not fulfill the requirements above will be deemed invalid. Requests for exclusion must be exercised individually by the Settlement Class Member. Attempted collective group, class, or subclass requests for exclusions shall be ineffective and disregarded by the Settlement Administrator.

If a Settlement Class Member submits both an objection and a valid and timely Request for Exclusion, the Request for Exclusion will be accepted and the objection will be rejected.

There will be no retaliation or adverse employment action taken by R&M against any Settlement Class Member who participates in the Settlement, elects not to participate in the Settlement, or objects to the Settlement because of such participation, election, or objection.

11. **Objecting to the Settlement:** You have the right to object to any of the terms of the Settlement, the Class Counsel Award and/or the Service Award. Any Settlement Class Member that wishes

to object to the fairness, reasonableness, or adequacy of this Settlement Agreement or the proposed Settlement, the Plan of Allocation, the Class Counsel Award and/or the Service Award must provide to the Settlement Administrator (who shall forward it to Class Counsel and Defense Counsel), a timely signed statement of the objection or appear at the final hearing and make the objections or both. To be timely, a written objection must be mailed to the Settlement Administrator, and postmarked no later than January 2, 2021.[INSERT EXCLUSION DATE]. A written objection must contain at least the following: (i) the objector's full name, address, telephone number, and signature; (ii) a clear reference to the Class Action; (iii) a statement of the specific legal and factual basis for each objection argument; and (iv) a statement whether the objecting person or entity intends to appear at the Final Approval Hearing, either in person or through counsel and, if through counsel, a statement identifying that counsel by name, bar number, address, but must identify each Settlement Class Member on whose behalf it is made.

If you submit both an objection and a valid and timely Request for Exclusion, the Request for Exclusion will be accepted and the objection will be rejected.

If the Court does not give final approval to the Settlement, no Individual Settlement Payments will be sent out and the lawsuit will continue.

If the Court gives final approval to the Settlement, you will be bound the by terms of the Settlement and receive your Individual Settlement Payment.

- Termination of the Settlement: If after January 2, 2021 [INSERT EXCLUSION DATE] and 12. before the Final Approval Hearing, Settlement Class Members, whose estimated Individual Settlement Payments equal or exceed ten percent (10%) of the Total Settlement Amount, submit timely and valid Requests for Exclusion from the Settlement, R&M shall have, in its sole and absolute discretion, the option to terminate this Settlement. The estimated Individual Settlement Payments shall be calculated assuming that the combined total of the approved Class Counsel Award, approved Service Award and approved expenses for the Settlement Administrator are \$316,667. R&M shall exercise its option to terminate, if at all, prior to the Final Approval Hearing, provided the Settlement Administrator has provided R&M the Opt-Out List no later than ten (10) business days prior to the Final Approval Hearing. If R&M decides to void the Settlement, then the Settlement and conditional class certification shall be considered void; the Settlement, conditional class certification, and any related negotiations or proceedings shall be of no force and effect; and the Parties shall stand in the same respective positions, without prejudice, as if this Settlement had been neither entered into nor filed with the Court. Should R&M void the Settlement under this paragraph, R&M shall be responsible for all Settlement Administration Costs incurred through the date R&M notifies the Settlement Administrator that it is exercising its option to terminate the Settlement.
- 13. **Release of Employment Records:** The Court has authorized R&M to release to the Settlement Administrator and to Class Counsel, for purposes of this Settlement only and without prior notice to you, certain information concerning you and contained in R&M's employment records. This information includes your name, last known residence address, last known telephone number(s), last known email address, social security number, dates of employment and gross wages for 2006 through 2008.

Failing to provide the Settlement Administrator with any change of your mailing address may prevent you from receiving your Individual Settlement Payment in a timely manner. ENCLOSURE D REPRESENTATIONS OF FACT BY R&M

(See Paragraph 59 of the Amended and Restated Settlement Agreement)

A. If no Settlement Class Member requests to be excluded from this Settlement, there are 3729 employees who would be included in the Settlement Misclassification Subclass, 2812 of whom are also included in the Settlement Break Subclass. Of these 3729 employees, approximately 125 employees were members of the Settlement Misclassification Subclass for the entire Class Period.

B. If no Settlement Class Member requests to be excluded from this Settlement, there are 440351 employees who would be included in the Settlement Break Subclass, <u>2812</u> of whom are also included in the Settlement Misclassification Subclass.

C. During the Class Period, each member of the Settlement Break Subclass, including managers who were non-exempt hourly employees, was compensated at the minimuman hourly rate applicable during the time that member worked or at an amount not materially greater than the minimum hourly rates of ranging from \$6.75 to \$9.00 for 2006, ranging from \$7.50 to \$8.75 for 2007 and \$8 ranging from \$8.00 to \$11.00 for 2008.

D. During the Class Period, each member of the Settlement Misclassification Subclass was compensated by a salary equating to approximately and not materially higher than \$12.70ranging between \$10.38 per hour and \$16.15 per hour, calculated by taking their annual salary and dividing it by 2,080 hours.

E. Prior to <u>SeptemberOctober</u> 1, 2008, R&M reclassified each member of the Settlement Misclassification Subclass as a non-exempt employee. From and after <u>September 1, 2008being</u> reclassified, R&M paid those employees an hourly wage and overtime when they worked more than 40 hours in a work week or more than 8 hours in a workday as shown on their timecards.

F. Prior to September 1, 2008, R&M changed its rest break policy to clarify that all employees, including employees formerly claimed to be exempt employees and since reclassified as non-exempt employees, were entitled to and authorized and permitted to takeprovided with duty-free, paid rest periods at the rate of no less than ten minutes net rest for every four hours worked, or major fraction thereof.

G. On or about July 5, 2008, and as a result of a California Labor Commissioner meal break audit, R&M paid approximately 370 employees <u>a total of \$122,721.88</u> for missed meal break compensation. These payments were believed by R&M to resolve all meal break claims for the Class Period. In June 2008, R&M modified its meal break policy to ensure that all non-exempt employees working more than 5 hours in a workday and not working alone were afforded an off-duty meal break, a form to report any missed or non-compliant meal breaks for which payment would be provided and continued to allow non-exempt employees working alone the option to sign an on-duty meal waiver if they wished to do so.

H. Pursuant to Equilon's contractual requirement, all Settlement Class Members were fluent in English.

settlement, in accordance with their Second Amended and Restated Settlement
 Agreement, which, together with the Exhibits attached to theparties' Second
 Amended and Restated Settlement Agreement;

4 <u>WHEREAS</u>, the parties now seek to have this Court reconsider it prior
5 preliminary approval order in light of the parties' the Third Amended and
6 <u>Restated Settlement Agreement</u>, which now sets forth the terms and conditions
7 for a proposed partial settlement of the Class Action; and

8 <u>WHEREAS</u>, the Court having read and considered the <u>SecondThird</u>
9 Amended and Restated Settlement Agreement and the Exhibits attached
10 thereto;

11

NOW, THEREFORE, IT IS HEREBY ORDERED:

This Preliminary Order incorporates by reference the definitions in
 the SecondThird Amended and Restated Settlement Agreement, as filed with
 the Court, and all terms defined therein shall have the same meaning as set
 forth in the SecondThird Amended and Restated Settlement Agreement.

Effective September 4, 2020, the The Court hereby grants Medina's
 Motion for Preliminary Approval of Class Action Settlementreconsiders its prior
 preliminary approval order and finds the terms of the Second Third Amended
 and Restated Settlement Agreement to be within the range of reasonableness of
 a settlement that ultimately could be granted approval by the Court at a Final
 Approval Hearing.

3. The Court preliminarily approves the terms of the SecondThird
Amended and Restated Settlement Agreement and finds that they fall within
the range of approval as fair, adequate, and reasonable. The Court hereby
preliminarily finds that the Third Amended and Restated Settlement Agreement
is the product of informal, non-collusive negotiations conducted at arms' length
by the parties. The Court has considered the estimate of the Class Members'
total recovery, R&M's potential liability, the allocation of settlement proceeds

BLEAU FOX

among Class Members, including the two subclasses, and the fact that a
 settlement represents a compromise of the parties' respective positions rather
 than the result of a finding of liability at trial. The assistance of an experienced
 mediator in the settlement process supports the Court's conclusion that the
 Settlement is non-collusive and reasonable. The Settlement is presumptively
 valid.

7 4. For purposes of the Settlement only, the Court finds that the 8 proposed Settlement Class is ascertainable and that there is a sufficiently well-9 defined community of interest among the members of the Settlement Class in 10 questions of law and fact. Therefore, the Court preliminarily certifies as the 11 Settlement Class, for settlement purposes only, all persons who were employed 12 by R&M and who worked at a Shell branded station operated by R&M and owned by Equilon Enterprises, LLC at any time during the period from August 13 14 2, 2006 to September 1, 2008. The Settlement Class consists of the Settlement Misclassification Subclass, consisting of all Settlement Class Members during 15 any portion of the Class Period that they were declared by R&M as exempt 16 employees and paid a salary, and the Settlement Break Subclass, consisting of 17 18 all Settlement Class Members during any portion of the Class Period that they 19 were non-exempt hourly wage employees. <u>The Settlement Misclassification</u> Subclass does not include any Settlement Class Member during any portion of 20 the Class Period such Settlement Class Member was an Area Manager. 21 22 5. For purposes of the Settlement only, Medina is <u>re-</u>approved as the 23 Class Representative. 24 6. For purposes of the Settlement only, Bleau Fox, a Professional Law **25** Corporation, is <u>re-appointed and approved as Class Counsel</u>. 26 7. The Court hereby <u>re-</u>appoints and approves Phoenix Settlement Administrators as the Settlement Administrator. 27 28 - 3 -**BLEAU FOX** [PROPOSED] SECOND AMENDED PRELIMINARY APPROVAL ORDER

8. After previously balancing the privacy interests of the Settlement 1 2 Class as asserted by R&M, the Court finds continues to find that in order for the 3 Class Notice to be mailed to the Settlement Class at their last known address based upon R&M's employment records, that the Settlement Administrator and 4 Class Counsel have sufficient information to locate Settlement Class members 5 and that the Settlement Administrator and Class Counsel have sufficient 6 7 information to prorate Individual Settlement payments for each subclass, it 8 isremains necessary and appropriate, without prior notice to the Settlement 9 Class, that R&M be authorized and directed to provide to the Settlement 10 Administrator and Class Counsel the Class Information to be used solely for the 11 purposes of settlement of this Class Action. Having so determined, the Court 12 hereby orders R&M to so provide to the Settlement Administrator and Class 13 Counsel the Class Information to be so used on or before October 4, 2020. 14 9. A hearing ("Final Approval Hearing") shall be conducted before this Court on February 19, , 2021, at 9:0030 a.m., in 15 Department CX104C-16, to determine whether the proposed settlement of the 16 Class Action on the terms and conditions provided for in the Settlement 17 Agreement is fair, reasonable and adequate, whether said settlement should be 18

19 finally approved by the Court, and whether a Final Approval Order and20 Judgment should be entered herein.

21 10. The Court hereby approves, as to form and content, the Class Notice,
22 Information Sheet and Request for Exclusion Form attached as Exhibit 1 to the
23 SecondThird Amended and Restated Settlement Agreement.

11. The Court approves the requirements for disputing the information
upon which Settlement Class Members' share of the Settlement will be
calculated. The Court approves the requirements for objecting to the Settlement
and excluding Settlement Class Members who timely and properly request to be
excluded from the Settlement Class, all as provided in the SecondThird

BLEAU FOX

Amended and Restated Settlement Agreement. The Court finds that the
 procedures and requirements for submitting objections in connection with the
 Final Approval Hearing are intended to ensure the efficient administration of
 justice and the orderly presentation of any Settlement Class Member's objection
 to the Settlement, in accordance with the due process rights of all Settlement
 Class Members.

7 12.The Court finds that the mailing of the Class Notice substantially in 8 the manner and form as set forth in the SecondThird Amended and Restated 9 Settlement Agreement and this Preliminary Approval Order meets the requirements of *California Rules of Court* Rules 3.766(d) and 3.769(f), California 10 Code of Civil Procedure section 382, California Civil Code section 1781, other 11 applicable law, and due process, and is the best notice practicable under the 12 circumstances, and shall constitute valid, due and sufficient notice to all 13 14 Settlement Class Members.

15 13. The Court hereby authorizes and directs the Settlement
16 Administrator to mail or cause to be mailed to Settlement Class Members the
17 Class Notice, completed Information Sheet and the Request for Exclusion Form.
18 Such documents shall be sent by First Class U.S. mail, postage prepaid. Mailing
19 of the Class Notice shall occur on November 3, 2020 , 2021.

20 14. On or before January 19, 202114. Thirty Five days prior to the
21 Final Approval Hearing, Class Counsel shall serve and file its application for a
22 Class Counsel Award and litigation costs and expenses as well as any
23 application for a Service Award.

24 15. Five days prior to the Final Approval Hearing, Class Counsel shall
25 serve and file the declaration of the Settlement Administrator containing the
26 information required by the Second Third Amended and Restated Settlement
27 Agreement.
