**II. IF YOU DISPUTE YOUR CALIFORNIA SHIFTS**

If you believe the number of California Shifts listed above is incorrect, check the box below, and send this California Class Form, a letter, and supporting documentation to the Settlement Administrator indicating what you believe are the correct number of California shifts you worked for Secorp as an hourly employee on oil platforms off the California coast on the Outer Continental Shelf for shifts of 12 hours or more during the time period February 9, 2014 through January 29, 2021.

The Settlement Administrator will resolve any dispute based upon Secorp’s records and any documents and information you provide. Please be advised that the number of California Shifts is presumed to be correct unless the documents you submit are company records from Secorp.

I disagree with the California Shift information listed above and have submitted supporting documentation.
