**SUPERIOR COURT OF THE STATE OF CALIFORNIA

of the general public similarly situated and on
behalf of aggrieved employees pursuant to
the Private Attorneys General Act ("PAGA");

Case No. 30-2020-01140962-CU-OE-CXC

Assigned for All Purposes to:
Honorable Glenda Sanders
Department CX101

CLASS ACTION

**AMENDED ORDER PRELIMINARILY
APPROVING CLASS ACTION SETTLEMENT
AND SETTING HEARING FOR FINAL
APPROVAL OF SETTLEMENT**

Hearing Date: July 22, 2022
Hearing Time: 1:30 p.m.
Hearing Place: Department CX101

Complaint Filed: May 26, 2020
FAC Filed: October 18, 2021
Trial Date: None Set

1 The Court, having read and considered the papers filed in support of the motion, the proposed
2 class notice and other documents, having considered the arguments of counsel, and good cause
3 appearing therefor;

4 **IT IS HEREBY ORDERED:**

5 1. This Order incorporates by reference the definitions in the Revised Joint Stipulation
6 of Class Action and PAGA Settlement and Release (“Settlement Agreement,” “Settlement,” or
7 “Agreement”), and all terms defined therein shall have the same meaning in this Order as set forth in
8 the Agreement attached to the declaration of (ROA 124 .)

9 2. It appears to the Court on a preliminary basis the Settlement is fair, adequate, and
10 reasonable. The Court recognizes the value of the monetary recovery provided to all Class Members
11 and finds such recovery is fair, adequate, and reasonable when balanced against further litigation
12 related to liability and damages issues. It appears the Parties have conducted sufficient investigation,
13 formal and informal discovery, and research such that Class Counsel and Defense Counsel are able
14 to reasonably evaluate their respective positions at this time. It further appears to the Court the
15 proposed Settlement, at this time, will avoid substantial additional costs by all Parties, as well as
16 avoid the risks and delay inherent in the further prosecution of the Action. It also appears the Parties
17 reached the Settlement as the result of serious, arms-length negotiations facilitated by a neutral
18 mediator. Thus, the Court finds on a preliminary basis the Settlement Agreement appears to be within
19 the range of reasonableness of a settlement that could ultimately be given final approval by this Court.
20 Accordingly, the Motion for Preliminary Approval of Class Action Settlement is hereby **GRANTED**.

21 3. The following persons are conditionally certified as “Class Members” or “Class” for
22 Settlement purposes only: all non-exempt employees employed by Defendant Axonics, Inc.
23 (“Defendant”) in the State of California in a non-exempt position during the Class Period (“Class”
24 and “Class Members”). The Class Period is the period of time beginning on June 14, 2017 through
25 September 14, 2021 (“Class Period”). The “Settlement Class” or “Participating Class Members”
26 means all Class Members other than those who opt-out (“Settlement Class” and “Participating Class
27 Members”).
28

1 4. The Court finds on a preliminary basis that the proposed Class satisfies the
2 requirements of a class pursuant to CCP §382 because the members of the Class are readily
3 ascertainable, and a well-defined community of interest exists in the questions of law and fact
4 affecting the Parties. Should the Settlement not become final, the fact the Parties were willing to
5 stipulate to certification of the Class as part of the Settlement shall have no bearing on, nor be
6 admissible in connection with, the issue of whether a class should be certified in a non-settlement
7 context.

8 5. Plaintiffs Suleni Itzep and Roberta Moser ("Plaintiffs") are appointed as the Class
9 Representatives. Douglas Han, Shunt Tatavos-Gharajeh, and Phillip Song of the Justice Law
10 Corporation are appointed as Class Counsel.

11 6. The Parties' proposed notice is hereby approved as the best notice practicable. The
12 proposed Notice of Class Action Settlement ("Class Notice"), **attached hereto as "Exhibit A,"** is
13 sufficient to inform Class Members of the terms of the Settlement Agreement, their rights to receive
14 monetary payments under the Settlement Agreement and the date and location of the final approval
15 hearing. In addition, the Class Notice fairly, plainly, accurately, and reasonably informs Class
16 Members of: (a) the nature of the action, the definition of the Class, the identity of Class Counsel,
17 and essential terms of the Settlement; (b) Plaintiffs' and Class Counsel's applications for the
18 Plaintiffs' Enhancement and General Release Payment, and Class Counsel's request for Attorneys'
19 Fees and Attorneys' Costs; (c) a formula used to determine each Class Member's Individual
20 Settlement Payment; (d) Class Members' rights to appear through counsel if they desire; (e) how to
21 object to the Settlement or submit a request for exclusion from the settlement if a Class Member
22 wishes to do so; and (f) how to obtain additional information regarding the action and the Settlement.
23 The Court finds the notice requirements of California Rule of Court 3.769, subdivision (g) are
24 satisfied, and the Class Notice adequately advises Class Members of their rights under the Settlement.
25 Counsel for the Parties are authorized to correct any typographical errors in the Class Notice and
26 make clarifications, to the extent the same are found or needed, so long as such corrections do not
27 materially alter the substance of the Class Notice and other notice documents.

1 7. The rights of any potential dissenters to the proposed Settlement are adequately
2 protected in that they may exclude themselves from the Settlement of the Class Members' Released
3 Claims, or they may object to the Settlement of the Claims and appear before this Court. However,
4 to do so they must follow the procedures outlined in the Settlement Agreement and Class Notice. The
5 Opt-Out Form is attached hereto as "**Exhibit B.**" The Class Notice and Opt-Out Form are collectively
6 known as the "Notice Packet."

7 8. The Court finds the notice of settlement Plaintiffs provided to the California Labor
8 and Workforce Development Agency ("LWDA") satisfies the notice requirements of the California
9 Private Attorneys General Act of 2004 ("PAGA").

10 9. The Court preliminarily approves the settlement of claims under PAGA, Labor Code
11 Section 2699, *et seq.* according to the terms and conditions in the Settlement Agreement.

12 10. To the extent permitted by law, pending a determination as to whether this Settlement
13 should be finally approved, Class Members, whether directly, representatively, or in any other
14 capacity, whether or not such persons have appeared in this Action, shall not initiate or prosecute
15 any of the Settled Claims against the Released Parties.

16 11. Phoenix Settlement Administrators ("Phoenix") is appointed to act as the Settlement
17 Administrator. Phoenix is ordered to disseminate the Notice Packet according to the notice plan
18 described in the Settlement Agreement. Prior to mailing the Notice Packet, Phoenix will update the
19 addresses for the Class Members and PAGA Employees using the National Change of Address
20 database ("NCOA") and other available resources deemed suitable by Phoenix.

21 12. Specifically, within seven (7) days after Defendant provides Phoenix with the Class
22 Member Data, Phoenix will send Notice Packets to each Class Member's and PAGA Member's Last
23 Known Address or Updated Address (if applicable) via First-Class U.S. mail. Moreover, Phoenix
24 shall re-mail by First-Class U.S. mail the Notice Packets returned by the Post Office with a forwarding
25 address and shall re-mail by First-Class U.S. mail the Notice Packets to any Class Member/PAGA
26 Member who personally provides an updated address to Phoenix. In the event that the first mailing
27 of the Notice Packet to any Class Member/PAGA Employee is returned without a forwarding address,
28

1 Phoenix will immediately perform skip trace(s) if necessary using social security numbers provided
2 by Defendant and NCOA searches, as needed, to verify the accuracy of the addresses provided and
3 will conduct a second round of mailings of the Notice Packet by First-Class, U.S. mail within five (5)
4 days for those forms returned to sender provided they are received prior to the 60-day deadline to opt
5 out or submit a written objection to the Settlement.

6 13. The procedures and 60-day deadline for members of the Class to request exclusion
7 from or to object to the Settlement is adopted as described in the Settlement Agreement. Any Class
8 Member who intends to object to final approval of the Settlement Agreement must submit an
9 objection to the Settlement Administrator by mail in accordance with the Settlement Agreement. Any
10 opposition or reply to an objection or the motion for final approval will be due according to California
11 Code of Civil Procedure section 1005.

12 14. A final approval hearing will be held on January 13, 2023, at 1:30 p.m. to determine
13 whether the Settlement Agreement should be granted final approval as fair, reasonable, and adequate
14 as to the Settlement Class Members. The Court reserves the right to continue the date of the final
15 approval hearing without further notice to the Class Members. The Court retains jurisdiction to
16 consider all further applications arising out of or in connection with the Agreement.

17 15. This Settlement is not a concession or admission and shall not be used against
18 Defendant or any of the Released Parties as an admission or indication with respect to any claim of
19 any fault or omission by Defendant or any of the Released Parties. Whether the Settlement is finally
20 approved, neither the Settlement, nor any document, statement, proceeding or conduct related to the
21 Settlement, nor any reports or accounts thereof, shall in any event be: (a) construed as, offered or
22 admitted in evidence as, received as or deemed to be evidence for any purpose adverse to the Released
23 Parties, including, but not limited to, evidence of a presumption, concession, indication or admission
24 by Defendant or any of the Released Parties of any liability, fault, wrongdoing, omission, concession
25 or damage; or (b) disclosed, referred to, or offered or received in evidence against any of the Released
26 Parties in any further proceeding in the Action, or in any other civil, criminal or administrative action
27 or proceeding, except for purposes of enforcing the Settlement. The Court's findings are for purposes
28

1 of certifying the class of Class Members in the context of this Settlement and will not have any claim
2 or issue or evidentiary preclusion or estoppel effect in any other action against Defendant or any of
3 the Released Parties or in this litigation if the Settlement is not finally approved. If for any reason
4 the Court does not execute and file a final approval order, or if the Effective Date, as defined in the
5 Settlement Agreement, does not occur for any reason whatsoever, the Settlement Agreement and all
6 evidence and proceedings had in connection therewith shall be without prejudice to the *status quo*
7 *ante* rights of the Parties to the Action, as more specifically set forth in the Settlement Agreement,
8 and this Preliminary Approval Order shall be rendered null and void and shall be vacated.

9 16. Pending further orders of this Court, all proceedings in this matter, except those
10 contemplated in this Preliminary Approval Order and in the Settlement Agreement, are stayed.

WHAT IS THIS ACTION ABOUT?

The Action was filed on May 26, 2020, on behalf of Plaintiff, Suleni Itzep (“Plaintiff Itzep” or “Plaintiff”), and other similarly situated current and former employees of Defendant. Prior to filing this Action, Plaintiff Itzep also submitted a letter to the Labor Workforce Development Agency (“LWDA”) on March 13, 2020 to exhaust her administrative remedies to bring a PAGA claim. The Action, as amended, pleads class allegation claims against Defendant for: (1) failure to pay all wages, including minimum wages and overtime and double time wages (including without limitation, for alleged off-the-clock work and as a result of an alleged failure to incorporate all bonus/incentive payments into employees’ regular rate calculations); (2) failure to provide meal periods (including without limitation for alleged failure to provide compliant meal periods and/or pay meal period premiums at the appropriate rate); (3) failure to provide rest periods (including without limitation for alleged failure to provide compliant rest periods and/or rest period premiums at the appropriate rate); (4) failure to timely pay all wages due at separation; (5) failure to provide accurate wage statements (under both direct and derivative theories of liability); (6) failure to reimburse employees for necessary business expenditures (including without limitation, for alleged failure to reimburse various business expenses such as for use of personal cell phones, vehicles, etc.); (7) unfair business practices; (8) civil penalties under the Labor Code Private Attorneys General Act of 2004 (“PAGA”); and (9) failure to properly calculate, accrue and pay sick pay. Plaintiff seeks to recover various damages and costs and penalties, including unpaid wages, restitution interest, penalties, and attorneys’ fees and costs. Plaintiff Roberta Moser was also added into the Action as an additional Plaintiff (“Plaintiff Moser”) with Plaintiff Itzep (collectively “Named Plaintiffs” or “Plaintiffs”). A copy of the complaint is on file with the Court.

Defendant Axonics denies that it engaged in any misconduct in connection with its wage-and-hour practices and denies that it has any liability or engaged in wrongdoing of any kind associated with the claims alleged in the Action, including any Settled Claims or Settled PAGA Claims. Defendant further contends that it has complied at all times with both federal and state wage-and-hour laws. However, further defense of this litigation would be protracted and expensive. Substantial amounts of time, energy and resources of Axonics have been and, unless this Settlement is made, will continue to be devoted to the defense of the Claims asserted by Plaintiffs. Axonics, therefore, has agreed to settle in the manner and upon the terms set forth in this Settlement to put to rest the Plaintiff’s claims as set forth in the Action. Absent the Settlement, Axonics would vigorously contest the lawsuit. By agreeing to this Settlement, Axonics is not admitting any liability or wrongdoing.

After engaging in significant formal and informal discovery, the parties participated in an all-day mediation before an experienced, neutral mediator, Anthony Pantoni, which ultimately resulted in the Parties agreeing to the Settlement Agreement. The Settlement received preliminarily approval by the trial court in the Action (“Court”) on [Date]. Named Plaintiffs and Class Counsel support the Settlement.

Neither the Court nor any other fact finder has decided whether the claims brought by the Named Plaintiffs (or Defendant’s defenses) are meritorious. By approving the Settlement and issuing this Notice, the Court is not suggesting which side would win or lose this case if it went to trial. Rather, the Court has determined only that there is sufficient evidence to suggest that the proposed Settlement might be fair, adequate, and reasonable, and any final determination of those issues will be made at the final hearing. Defendant reserves the right, if for any reason the Settlement fails, to contest any factual or legal allegations in the Action and whether this Action should proceed as a class action.

WHAT IS A CLASS ACTION?

In a class action lawsuit, one or more persons sue on behalf of other people who may have similar claims. Suleni Itzep and Roberta Moser are the Class Representatives or Named Plaintiffs in the Action, and have asserted claims on behalf of themselves and the class. A class action allows one court to resolve all of the issues in a lawsuit for all the class members who choose not to exclude themselves from the class.

A class member is bound by the determination or judgment entered in the case, whether the class wins or loses, and may not file his or her own lawsuit on the same claims that were decided in the class action.

WHO IS INCLUDED IN THE SETTLEMENT CLASS?

The settlement class includes all non-exempt employees currently or formerly employed that were directly employed by Defendant in the State of California in a non-exempt position between June 14, 2017 through September 14, 2021 (referred to as the “Class Period”), other than those who opt-out (as discussed below). This group individually and collectively will be referred to as “Participating Class Members.”

WHAT ARE THE TERMS OF THE CLASS SETTLEMENT?

Axonics will pay a fixed “Gross Settlement Amount” in the amount of Two Hundred Twenty-Five Thousand Dollars and Zero Cents (\$225,000.00) in exchange for: the release by Participating Class Members of Settled Claims and Settled PAGA Claims (defined below) against it and Released Parties (defined below); final judgment on the Action; and the other terms set forth in the Settlement. Subject to Court approval, and assuming the Court approves all the maximum amounts set forth in the Settlement, the Parties estimate that the Gross Settlement Amount will be allocated as follows:

- Individual Settlement Payments to Participating Class Members: Participating Class Members will receive an Individual Settlement Payment if the Court grants final approval of the Parties’ Settlement Agreement. Individual Settlement Payments will be paid from the “Net Distribution Fund” or “NDF”. The Net Distribution Fund or NDF is the Gross Settlement Amount less the amounts awarded to Class Counsel, the enhancement payment to the Named Plaintiffs, the PAGA Payment to resolve claims under the PAGA, and the costs awarded for settlement administration

owed pursuant to the Settlement and further detailed below. Individual Settlement Payments will be calculated as follows:

- The NDF will be divided by the total number of pay periods worked by Participating Class Members as employees of Defendant during the Class Period (“Class Pay Period Value”) as reflected in Defendant’s records. All Participating Class Members shall be paid an amount equal to their Total Class Pay Periods (*i.e.*, their personal number of pay periods worked as a non-exempt employee of Defendant during the Class Period) multiplied by the Class Pay Period Value. Total Class Pay Periods and Class Pay Period Value shall be determined by the Settlement Administrator (Phoenix Class Action Administration Solutions) based on data to be provided by Defendant, as may be modified by the resolution of any challenges.
- Assuming you do not opt out and the Court grants final approval of all the maximum amounts set forth in the Settlement Agreement and specified below, the Settlement Administrator estimates:
 - **Your estimated Individual Settlement Payment will be approximately \$_____.**
 - **Your estimated payment is based on the number of pay periods you worked in a non-exempt position for Defendant in California during the Class Period (*i.e.*, June 14, 2017 - September 14, 2021), which Defendant’s records show to be _____.**

Participating Class Members who do not request to be excluded from the Settlement will be forever barred from pursuing the Settled Claims (defined below) against Defendant or any other Released Parties (defined below).

You have the right to challenge the number of pay periods allocated to you. If you dispute the number of pay periods please contact the Settlement Administrator with any and all evidence supporting your dispute. You will have until [INSERT DATE] to submit your dispute.

- **Enhancement Payment:** Named Plaintiffs will each request an award not to exceed Five Thousand Dollars and Zero Cents (\$5,000) (for a total of \$10,000) in recognition of their work in this Action on behalf of the Class and a general release of all claims. In the event that the Court awards less than the full amount requested for Plaintiffs’ Enhancement Payments, the un-awarded amount will be made available for distribution as part of the Net Distribution Fund and distributed to Participating Class Members.
- **Attorney’s Fees and Costs Payment:** Class Counsel (listed below) will seek a total amount of money not to exceed 35% of the GSA or Seventy-Eight Thousand Seven Hundred Fifty Dollars and Zero Cents (\$78,750.00) to be paid in accordance with the Settlement for any and all attorney’s fees and Fifteen Thousand Dollars and Zero Cents (\$15,000.00) in costs and expenses relating to the Action. In the event that the Court awards less than the full amount requested for Attorneys’ Fees and/or Costs, the un-awarded amount will be made available for distribution as part of the Net Distribution Fund and distributed to Participating Class Members.
- **Settlement Administration:** The cost of settlement administration will not exceed Five Thousand Dollars (\$5,000.00), which pays for tasks such as mailing this Notice, mailing checks and tax

forms, addressing Class Member questions/challenges, reporting to the parties and the Court, and tracking submitted opt outs and objections. In the event that the Court awards less than the full amount requested for Administration Fees and Costs, the un-awarded amount will be made available for distribution as part of the Net Distribution Fund.

- **PAGA Award and Payment:** The “PAGA Period” is from March 13, 2019 through September 14, 2021. Pursuant to California Labor Code Section 2698 *et seq.*, known as the Private Attorney General Act or “PAGA”, the Parties designate Twenty-Two Thousand Five Hundred Dollars and Zero Cents (\$22,500.00) of the GSA to resolve any PAGA claims (i.e., the “PAGA Award”), including payment for Named Plaintiffs’ claims on their own behalf and on behalf of all persons who are employed or have been employed by Defendant in California in a non-exempt position during the PAGA Period (i.e., the “PAGA Employees”). PAGA Employees cannot opt out of the PAGA portion of this Settlement. In the event that the Court awards less than the full amount requested for the PAGA Award, the un-awarded amount will be made available for distribution as part of the Net Distribution Fund (defined above) and distributed to Participating Class Members. The PAGA Award will be distributed as follows:
 - Defendant shall pay seventy five percent (75%) of that amount, or Sixteen Thousand Eight Hundred Seventy-Five Dollars and Zero Cents (\$16,875.00), to the LWDA and the remainder (\$5,625.00) to PAGA Employees.
 - “PAGA Pay Periods Worked” means the number of pay periods credited to a PAGA Employee during the PAGA Period. “PAGA Pay Period Value” means the Five Thousand Six Hundred Twenty-Five Dollars and Zero Cents (\$5,625.00) allocated for payments to PAGA Employees divided by the total number of PAGA Pay Periods Worked by all PAGA Employees as non-exempt employees of Defendant during the PAGA Period. Individual PAGA payments from the \$5,625.00 to be paid to PAGA Employees will be calculated by multiplying the PAGA Pay Period Value by each individual PAGA Employee’s Total PAGA Pay Periods (i.e., the number of pay periods the PAGA Employee personally worked as a non-exempt employee of Defendant during the PAGA Period). Because PAGA Employees cannot opt out of the Settlement and release of the Settled PAGA Claims (defined below), all PAGA Employees will receive their pro-rated portion of the PAGA Employee portion of the PAGA Award as detailed above regardless of whether they opt out of the Settlement for purposes of the non-PAGA claims.

WHAT AM I RELEASING UNDER THE SETTLEMENT?

Unless you timely opt out of the Settlement (as discussed below), you on behalf of yourself and your respective heirs, executors, administrators, personal representatives, successors and assigns irrevocably and unconditionally forever and fully release (and covenant not to sue or otherwise pursue claims, whether known or unknown, against) any and all Released Parties from any and all Settled Claims (defined below).

“Released Parties” means Defendant and its past, present or future parents, subsidiaries, affiliates, officers, directors, employees, partners, shareholders, attorney’s, agents, and any other successors, assigns, or legal representatives.

“Settled Claims” means any and all claims alleged in the Complaint (including any amendments) or which could have been alleged in the Complaint based on the allegations, facts, matters, transactions or occurrences alleged therein, and shall specifically include without limiting the generality thereof all causes of action listed in the Complaint (including any amendments). The release of the foregoing claims, extends to all theories of relief regardless of whether the claim is, was or could have been alleged as separate claims, causes of action, lawsuits or based on other theories of relief, whether under California law, state law or common law (including, without limitation, as violations of the California Labor Code, the Wage Orders, applicable regulations, and California’s Business and Professions Code Section 17200). “Settled Claims” includes all types of relief available for the above-referenced claims, including, without limitation, any claims for damages, restitution, losses, penalties, fines, liens, attorneys’ fees, costs, expenses, debts, interest, injunctive relief, declaratory relief, or liquidated damages. The Final Judgment shall expressly provide that it covers and bars as a matter of law each and every Class Member other than those who have opted out from asserting any Settled Claims in the future. The release of the Settled Claims shall run from the start of the Class Period (i.e., June 14, 2017) through September 14, 2021.

All PAGA Employees (defined above) will also release all Settled PAGA Claims regardless of whether they opt out of the Settlement for purposes of the non-PAGA claims. “Settled PAGA Claims” means all PAGA claims alleged in the Action or which could have been alleged in the Action based on the allegations, facts, matters, transactions or occurrences alleged therein, and shall specifically include without limiting the generality thereof all causes of action listed in Plaintiff’s March 13, 2020 PAGA notice letter to the LWDA, and the Complaint (including any amendments). The foregoing claims extends to all theories of relief regardless of whether the claim is, was or could have been alleged as separate claims, causes of action, lawsuits or based on other theories of relief, including under PAGA, the California Labor Code, the Wage Orders, applicable regulations. “Settled PAGA Claims” includes all types of relief available for the above-referenced claims, including, without limitation, any claims for penalties, fines, liens, attorneys’ fees, costs, expenses, debts, interest, injunctive relief, declaratory relief, or liquidated damages. The Final Judgment shall expressly provide that it covers and bars Plaintiffs, the LWDA, the State of California, and any other representative, proxy, or agent thereof, including but not limited to any and all PAGA Employees from prosecuting “Settled PAGA Claims” that arose during the PAGA Time Period. The release of the Settled PAGA Claims shall run from the start of the PAGA Period (i.e., March 13, 2019) through September 14, 2021.

WHAT DO I NEED TO DO TO RECEIVE AN INDIVIDUAL SETTLEMENT ALLOCATION?

To receive your Individual Settlement Allocation, you do not need to do anything. You must, however, notify the Settlement Administrator of any change in your name or mailing address. It is your responsibility to keep the Settlement Administrator informed of any such change, as your Individual Settlement Allocation will be mailed to the address on file.

Once you receive your Individual Settlement Allocation, you shall have One Hundred and Fifty (150) calendar days after mailing by the Settlement Administrator to cash your Settlement check. If you do not cash your check within that period, your check will become void and a stop payment will be placed on the uncashed checks. Settlement checks that are not cashed within One Hundred and Fifty (150) days of mailing shall be voided and delivered to California State Controller’s Unclaimed Property Fund or as otherwise directed by the Court. You will still be bound by the Settlement and releases of claims

described above and in the Settlement even if you do not timely deposit or cash your settlement check prior to the void date.

All Individual Settlement Payments will be paid in a net amount after applicable employee state and federal tax withholdings, including payroll taxes, if any, have been deducted by the Settlement Administrator. Thirty-four percent (34%) will be allocated to wages and W-2s shall be issued and thirty-three percent (33%) of the amount distributed to each Participating Class Member will be considered penalties and thirty-three percent (33%) shall be allocated to interest and any other non-wage related amount, if any, and will be reported as such to each Participating Class Member on an IRS Form 1099. The PAGA Payments to PAGA Employees will be designated as payments for alleged penalties and other non-wage amounts and may be included by the Settlement Administrator as part of the total check amount for any employees who are both Participating Class Members and PAGA Employees. Neither Defendant, nor any Released Party offers tax advice regarding this Settlement. You may consider contacting an accountant and/or tax attorney to determine the appropriate amount of taxes that should be paid on your Individual Settlement Allocation. Payments awarded to you will not form the basis for additional contributions to or benefits under any benefit plans, policies or bonus programs that may exist and/or be offered to you through, by or in conjunction with Axonics or any other Released Party.

WHAT IF I DON'T WANT TO PARTICIPATE IN THIS SETTLEMENT?

You have the right to request exclusion from the Settlement other than the release of PAGA claims. To do so, you must fill out and submit the Opt-Out Request Form included in this packet to the Settlement Administrator at the following address: _____.

To be valid, the Opt-Out Request must (1) contain the name, address, and telephone number of the person requesting exclusion; (2) be signed by the Class Member; and (3) must state in substance:

"I wish to exclude myself from the Settlement in the action titled *Suleni Itzep, et al. v. Axonics Modulation Technologies, Inc.* I understand that by requesting to be excluded, I will receive no money from the Settlement for the class action claims."

To be timely, the Opt-Out Request must be postmarked and mailed to the Settlement Administrator at the address below on or before [Date] (the "Response Deadline"). Requests for postmarked after this date may be disregarded.

Any Class Members who submit a timely and valid Opt-Out Request will NOT receive any money from the Settlement of the class action claims and will not be bound by the release of the Settled Claims (defined above). Any Class Member who submits a timely and valid Opt-Out Request will also not have any right to object, appeal or comment on the Settlement. The only exception is that if you are also a "PAGA Employee" you will still release the Settled PAGA Claims (defined above) and receive a portion of the PAGA Award as there is no right to opt out of the PAGA release.

Class Members who do **not** submit a timely and valid Opt-Out Request on or before the Response Deadline will be deemed "Participating Class Members." As described above, each Participating Class

member will receive an Individual Settlement Payment and will be bound by all terms of the Settlement and the final approval order entered in this Action.

WHAT IF I WANT TO OBJECT TO THIS SETTLEMENT?

Any Participating Class Member (that is, Class Member who has not asked to be excluded from the Settlement) may object to the Settlement. If you object to the Settlement, you may, but you are not required to, appear at the hearing where the Court will make a final decision whether or not to approve the Settlement ("Final Approval Hearing"). The Final Approval Hearing is scheduled to take place on _____, 2022, at ____ a.m. in Department CX101 of the Orange County Superior Court, located at the address below. The hearing may be continued (moved to another date) without further notice to you. Class Members are advised to confirm the hearing date with Class Counsel if they intend to appear at the Final Approval Hearing.

If you wish to object in writing, you may submit a written objection to the Settlement Administrator at the following address: _____. To be valid, the written objection must be signed by the Class Member and state: (1) the full name of the Class Member; (2) the dates of employment of the Settlement Class Member; (3) the basis for the objection; and (4) if the Class Member intends to appear at the Final Approval Hearing. A Class Member who wishes to object must submit his or her objection to the Settlement Administrator no later than [60 days after the original mailing date of this Class Notice to Class Members]. The Parties shall be permitted to file responses to the objection in addition to any motion for final approval documents. You may also object in person by appearing at the Final Approval Hearing

The Court has decided that the law firms listed below under "CLASS COUNSEL" are qualified to represent the Participating Class Members and PAGA Members. Submitting an objection will *not* exclude you from the Settlement. If the Court grants final approval of the Settlement, you will still receive an Individual Settlement Allocation and will release and be barred

from pursuing the Settled Claims and Settled PAGA Claims. Do not submit both an objection and Opt-Out Request.

WHAT HAPPENS IF I DO NOT EXCLUDE MYSELF FROM THIS SETTLEMENT?

The Settlement, if finally approved by the Court, will bind all Participating Class Members (defined above) and PAGA Employees whether or not they receive or timely cash their Individual Settlement Allocations. Final approval of the Settlement will bar any Settlement Class Member who does not request to be excluded from the Settlement from hereafter initiating a lawsuit or proceeding regarding any Settled Claims and PAGA Employees and the LWDA from pursuing released Settled PAGA Claims. The Settlement Agreement on file with the Court contains additional details about the scope of the releases and additional details regarding the Settlement.
