This individualized Addendum to the Notice of Class Action Settlement sets forth Class Counsel's estimate of the payment which you will receive through this Settlement. Under the proposed Settlement, your estimated payment will be based on Class Counsel's calculation of your pro rata share of the losses suffered by all Authorized Claimants under the Settlement Agreement and the Plan of Allocation.

Estimated Settlement Payment: \$[Est.Award]

The Settlement Payment is ONLY an estimate. The amount you receive may differ from the estimate, depending on the amount of the Court-approved litigation expenses as well as earnings on the Settlement Fund. Class Counsel will submit a request for reimbursement of litigation expenses to the Court by December 19, 2022, which will be posted to the website maintained by the Settlement Administrator at NEBClassAction.com in advance of the Final Approval Hearing on March 1, 2022.

The full Plan of Allocation as preliminarily approved by the Court can be found at NEBClassAction.com. If you believe that based on the Plan of Allocation you are entitled to a different amount than the number listed on this individualized addendum to the Notice, you can submit supporting documents to the Settlement Administrator at the following address: PO BOX 7208, Orange, CA 92863; (800) 523-5773
