class certification for the purposes of this Agreement shall have no bearing on, or be admissible in
connection with, the issue of whether any class should be certified in a non-settlement context. If the
Final Effective Date does not occur, this Agreement shall be deemed null and void, shall be of no
force or effect whatsoever, and shall not be referred to or used for any purpose whatsoever.
Defendant expressly reserves the right to challenge the propriety of class certification for any
purpose if the settlement does not become final.

9 Court relating to the approval and implementation of this Agreement and shall otherwise use their
10 respective best efforts to obtain Court approval and implement this Agreement. The procedure for

 entry of the Preliminary Approval Order, Defendant shall provide to the Claims Administrator a
 confidential list in Excel spreadsheet format containing the name and last known address, telephone
 number, and social security number of each Class Member. This list shall also contain the
 workweeks worked by each individual Class Member as an hourly or non-exempt employee for
 Defendant during the Class Period and the commencement dates and termination dates (if

28

applicable) relating to each individual Class Member during the Class Period. This information shall
 be treated as confidential.

3 b. Mailing of Class Notice: Promptly upon receipt of the Class Member information from Defendant, the Claims Administrator shall attempt to obtain updated addresses for Class 4 5 Members from the U.S. Postal Service and Accurint. Within fourteen (14) calendar days after receipt of the Class Member information from Defendant, or receipt of any updated addresses from the U.S. 6 7 Postal Service, whichever is later, the Claims Administrator shall mail the Class Notice to all Class 8 Members via first-class mail using the updated address information. With respect to each Class 9 Notice that is returned as undeliverable, the Claims Administrator shall promptly attempt to determine a correct address using an additional skip trace service such as Experian and shall re-send 10 11 the Class Notice via first-class mail to any new address thereby determined within 10 days of 12 receiving the notice that the Class Notice was undeliverable.

13 Notification to Counsel: No later than ten (10) days prior to the Final Fairness and c. 14 Approval Hearing, the Claims Administrator shall provide Defense Counsel and Class Counsel with 15 a declaration attesting to completion of the notice process, including any attempts to obtain valid mailing addresses for and re-sending of any returned Class Notices, as well as the number of valid 16 17 opt-outs that the Claims Administrator received. Upon approval by the court, compliance with the 18 procedures described in this Section 5.03.b shall constitute due and sufficient notice to Class 19 Members of this proposed Settlement and the Final Fairness and Approval Hearing and shall satisfy 20 the requirement of due process. Nothing else shall be required of the Parties, Class Counsel, Defense 21 Counsel, or the Claims Administrator to satisfy the requirements of providing notice of the proposed 22 Settlement and the Final Fairness and Approval Hearing.

#### Section 5.04: <u>Responses to Notice</u>

#### a. Requests for Exclusion from Class

For any other Class Member to validly exclude himself or herself from the Class and this
Settlement (*i.e.*, to validly opt-out), a written request for exclusion must be signed by the Class
Member or his or her authorized representative, and must be sent to the Claims Administrator,
postmarked by no later than thirty (30) days after the date the Claims Administrator initially mails

STIPULATED SETTLEMENT AGREEMENT AND RELEASE OF CLAIMS

the Class Notice to the Class Members. For Notices re-mailed by the Claims Administrator pursuant 1 to section 5.03.b, the written request for exclusion must be postmarked by no later than thirty (30) 2 3 days of the initial mailing of the Class Notice or twenty (20) days of the re-mailing, whichever is later. The Class Notice shall contain individualized estimated payments, set forth instructions on 4 5 how to opt-out and include the language to be used in a request for exclusion. The date of the initial mailing (or re-mailing for Class Notices re-mailed) of the Class Notice and the date the signed 6 7 request for exclusion was postmarked, shall be conclusively determined according to the records of 8 the Claims Administrator. Any Class Member who timely and validly requests exclusion from the 9 Class and this Settlement shall become a Non-Participating Class Member and shall not be entitled 10 to any Individual Settlement Payment, shall not be bound by the terms and conditions of this 11 Agreement, and shall not have any right to object, appeal, or comment thereon.

Final Settlement Class members may exclude themselves or "opt out" from a release of Class
Claims by not depositing or cashing their Individual Settlement Payment checks. The Class Notice
and Individual Settlement Payment check will conspicuously advise Final Settlement Class of such.

15

#### b. Objections to Settlement

16 For any Class Member to object to this Agreement, or any term of it, the person making the 17 objection must not submit a request for exclusion (i.e., must not opt-out), and must, by no later than 18 thirty (30) days after the Class Notice was initially mailed to the Class Members, file with the Court 19 and serve on Class Counsel and Defense Counsel, a written statement of the grounds of objection, 20 signed by the objecting Class Member or his or her attorney, along with all supporting papers. For 21 Class Notices re-mailed by the Claims Administrator pursuant to section 5.03.b, written statements 22 of the grounds for objection must be filed and served no later than thirty (30) days after the initial 23 mailing of the Class Notice or twenty (20) days of the re-mailing, whichever is later. The date of 24 mailing or re-mailing of the Class Notice to the objecting Class Member shall be conclusively 25 determined according to the records of the Claims Administrator. The Court retains final authority 26 with respect to the consideration and admissibility of any Class Member objections.

Counsel for the Parties shall file any response to the objections submitted by objecting Class
Members at least ten (10) court days before the date of the Final Fairness and Approval Hearing or

ten (10) days after the receipt of the notice of objection, whichever is later.

#### c. Failure to Object

Any Class Member who fails to timely file and serve such a written statement of his or her
intention to object shall be foreclosed from making any objection to this settlement, unless otherwise
ordered by the Court.

6

1

2

#### d. Failure to Timely Opt Out

Any Class Member who fails to submit a timely request for exclusion from the Class
automatically shall be deemed a member of the Final Settlement Class whose rights and claims with
respect to the issues raised in the Action are determined by the Court's Final Order, and by the other
rulings in the Action.

11

#### e. Right of Defendant to Void Agreement

12 If more than ten percent (10%) of Class Members make a valid request to be excluded from 13 the Class as described in Section 5.04.a above and thus become Non-Participating Class Members, 14 Defendant shall have the right, but not the obligation, to void the Agreement. If Defendant exercises 15 that right to void the Agreement, then the Parties shall have no further obligations under the 16 Agreement, including any obligation by Defendant to pay the Gross Fund Value Amount, or any 17 amounts that otherwise would have been owed under this Agreement, except that Defendant shall 18 pay the Claims Administrator's reasonable fees and expenses incurred as of the date that Defendant 19 exercises their right to void the Agreement. Defendant shall notify Class Counsel and the Court 20 whether they are exercising the right to void the Agreement no later than ten (10) calendar days after 21 the Claims Administrator notifies the Parties of the final total number of valid requests to be 22 excluded.

23

#### f. Right of Plaintiffs to Void Agreement

The Gross Fund Value Amount was calculated with, and is premised on, the understanding
that there are approximately 181 Class Members and 25,504 workweeks during the time period of
December 4, 2016, through July 28, 2022. To the extent that either of the forgoing estimates, as
represented by Defendant, increases by more than 5%, Defendant will have the option to increase the
Gross Fund Value Amount proportionately by the amount exceeding 5%. For example, if the number

of workweeks increases by 7% then Defendant shall increase the GSA by 2% if it exercises this
 option. Likewise, if the number of class members increases by 7% then Defendant shall increase the
 GSA by 2%. If Defendant declines to do so, Plaintiffs shall have the right, but not the obligation, to
 terminate the settlement in its entirety and the Parties will be returned to their respective positions as
 if no settlement had been contemplated.

## Section 5.05: <u>Final Fairness and Approval Hearing</u>

#### a. Final Approval Hearings

8 On the date set forth in the Order of Preliminary Approval and Class Notice, which shall be 9 approximately one hundred and five (105) days after the initial mailing of the Notice of Proposed 10 Class Action Settlement, or on a reasonable date as set forth by the Court, a Final Fairness and 11 Approval Hearing shall be held before the Court in order (1) to review this Agreement and determine 12 whether the Court should give it final approval; and (2) to consider any timely objections made 13 pursuant to Section 5.04.b above and all responses by the Parties to such objections. At the Final 14 Fairness and Approval Hearing, the Parties shall ask the Court to give final approval to this 15 Agreement and shall submit to the Court a proposed Final Order approving the Settlement and which shall be entered in the Action. 16

17 Representative Plaintiffs shall file a motion requesting final approval of the Settlement
18 approved by all Parties, the entry of which is a material condition of this Settlement. The Final
19 Approval Order shall adjudge that, among other things:

• The Settlement Administrator has fulfilled its initial notice and reporting duties under the Settlement and that the Class Notice (i) constituted the best practicable notice; (ii) constituted notice that was reasonably calculated, under the circumstances, to apprise Class Members of the pendency of the Action, and their right to exclude himself from or object to the proposed settlement and to appear at the Final Approval Hearing; (iii) was reasonable and constituted due, adequate, and sufficient notice to all persons entitled to receive notice; and (iv) met all applicable requirements of due process, and any other applicable rules or law.

1	• The Settlement is fair, reasonable, and adequate;	
2	• Representative Plaintiffs and Class Counsel may adequately represent the	
3	Final Settlement Class for the purpose of entering into and implementing the	
4	Agreement;	
5	• The Settlement Administrator is to execute the distribution of proceeds	
6	pursuant to the terms of this Agreement;	
7	• The Final Approval Order and Judgment of dismissal shall be final and	
8	entered forthwith;	
9	• Without affecting the finality of the Final Approval Order and Judgment, the	
10	Court retains continuing jurisdiction over Representative Plaintiffs,	
11	Defendant, the Final Settlement Class as to all matters concerning the	
12	administration, consummation, and enforcement of this Settlement	
13	Agreement;	
14	• As of the Final Approval Date, the Representative Plaintiffs, the Final	
15	Settlement Class, and their Legally Authorized Representatives, heirs, estates,	
16	trustees, executors, administrators, principals, beneficiaries, representatives,	
17	agents, assigns, and successors, and/or anyone claiming through them or	
18	acting or purporting to act for them or on their behalf, regardless of whether	
19	they have received actual notice of the proposed Settlement, have	
20	conclusively compromised, settled, discharged, and provided: the Complete	
21	and General Release (in the case of Representative Plaintiffs) and the release	
22	of Released Class Claims (in the case of the Final Settlement Class Members),	
23	and are bound by the provisions of this Settlement Agreement;	
24	• Notwithstanding the submission of a timely request for exclusion, Class	
25	Members are still bound by the settlement and release of the PAGA Claims or	
26	remedies under the Judgment pursuant to Arias v. Superior Court, 46 Cal. 4th	
27	969 (2009), as requests for exclusion do not apply to the PAGA Claims, and	
28	further affirms that the State's claims for civil penalties pursuant to PAGA are

also extinguished;

2	• This Settlement Agreement and the Final Approval order and Judgment to be		
3	binding on, and have <i>res judicata</i> and preclusive effect in, all pending and		
4	future lawsuits or other proceedings that encompass the claims of		
5	Representative Plaintiffs and Final Settlement Class members and/or their		
6	heirs, estates, trustees, executors, administrators, principals, beneficiaries,		
7	representatives, agents, assigns, and successors, and/or anyone claiming		
8	through them or acting or purporting to act for them or on their behalf;		
9	• Representative Plaintiffs and the Final Settlement Class members are		
10	permanently barred from filing, commencing, prosecuting, intervening in, or		
11	participating (as class members or otherwise) in any other lawsuit or		
12	administrative, regulatory, arbitration, or other proceeding in any jurisdiction		
13	based on the claims released herein; and		
14	• The Settlement provided for herein, and any proceedings undertaken pursuant		
15	thereto, are not, and should not in any event be offered, received, or construed		
16	as evidence of, a presumption, concession, or an admission by any Party of		
17	liability or non-liability or of the certifiability or non-certifiability of a		
18	litigation class or collective, or that PAGA representative claims may validly		
19	be pursued; provided, however, that reference may be made to this Settlement		
20	in such proceedings as may be necessary to effectuate the provisions of this		
21	Settlement.		
22	b. Vacatur, Reversal, or Material Modification of Final Order and Judgment on		
23	Appeal or Review		
24	If, after a notice of appeal, petition for review, or any other motion, petition, or application,		
25	the reviewing court vacates, reverses, or modifies the Final Order and Judgment such that there is a		
26	material modification to the Settlement and that court's decision is not completely reversed, and the		
27	Final Order and Judgment is not fully affirmed on review by a higher court, then Representative		
28	Plaintiffs and Defendant shall each have the right, but not the obligation, to void the Settlement, $20$

which the Party must do by giving written notice to the other Parties, the final reviewing court, and 1 2 the Court not later than ten (10) business days after the final reviewing court's decision vacating, 3 reversing, or materially modifying the Final Order becomes final and non-appealable. If either Party exercises its right to void the Agreement under this section, then the Parties shall have no further 4 5 obligations under the Agreement, including any obligation by Defendant to pay the Gross Fund Value Amount, or any amounts that otherwise would have been owed under this Agreement. The 6 7 Party exercising its right to void the Agreement shall pay the Claims Administrator's reasonable fees 8 and expenses incurred as of the date the Party exercises its right to void the Agreement. If the Parties 9 mutually agree to void the Agreement, then the Claims Administrator's reasonable fees and expenses 10 incurred as of the date the Parties exercise their right to void the Agreement shall be split equally. A 11 vacatur, reversal, or modification of the Court's award of the Service Award or Class Counsel's fees 12 or costs shall not constitute a vacatur, reversal, or material modification of the Final Order and 13 Judgment within the meaning of this paragraph.

#### Section 5.06: Settlement Payment Procedures

#### a. Settlement Sum

16 In exchange for the releases set forth in this Agreement, Defendant agrees to pay the Gross 17 Fund Value Amount of Seven Hundred Fifty Thousand Dollars and Zero Cents (\$750,000.00), 18 exclusive of employer-side payroll taxes. The Settlement Sum includes Class Counsel's attorney's 19 fees not to exceed Two Hundred Fifty Thousand Dollars and Zero Cents (\$250,000.00) and litigation 20 costs of not more than Twenty Thousand Dollars (\$20,000.00), a Service Award for Representative 21 Plaintiffs of not more than Ten Thousand Dollars (\$10,000.00) each, the PAGA penalty payment of 22 Twenty Five Thousand Dollars (\$25,000.00), which includes the payment of Eighteen Thousand 23 Seven Hundred Fifty Dollars (\$18,750.00) to the LWDA, and the Claims Administration Costs 24 anticipated to be not more than Ten Thousand Dollars (\$10,000.00).

b. Allocation of Settlement Amount: In full and complete settlement of the Action and
subject to this Settlement being approved by the Court, Defendant shall pay Seven Hundred Fifty
Thousand Dollars and Zero Cents (\$750,000.00), (the "Gross Fund Value Amount"). The Gross
Fund Value Amount shall be paid to the Claims Administrator no later than fifteen (15) calendar

STIPULATED SETTLEMENT AGREEMENT AND RELEASE OF CLAIMS

days after the Final Effective Date. If the Court does not grant final approval upon the material terms
of the settlement (other than modification of the requested attorney's fees, costs or class
representative service award) or if more than 10% of the putative class members opt out as set forth
in Section 5.04(e) and the Defendant elects to void the settlement, Defendant shall have no further
obligation under this Agreement. If the Court grants final approval of the settlement, the settlement
funds shall be disbursed as follows:

7

8

9

10

11

12

13

Reasonable attorney's fees and litigation expenses: Class Counsel have stated they shall request that the Court award them reasonable attorney's fees in an amount up to one-third of the Gross Fund Value, or Two Hundred Fifty Thousand Dollars and Zero Cents (\$250,000.00) and litigation costs in an amount up to Twenty Thousand Dollars (\$20,000.00). Defendant has agreed neither to oppose nor adversely comment on the fees and litigation costs request. The award of reasonable attorney's fees and litigation costs granted by the Court shall be paid out of the Gross Fund Value Amount within twenty-five (25) calendar days of the Final Effective Date in accordance with Section 5.06.d.2–3, below.

15

14

#### 2. Reasonable expenses of the Claims Administrator:

The Claims Administrator shall be paid out of the Gross Fund Value Amount and such
payment shall not constitute payment to any Participating Class Member(s). The Claims
Administration Costs, expected not to exceed Ten Thousand Dollars (\$10,000.00), shall be paid out
of the Gross Fund Value Amount within twenty-five (25) calendar days after the Final Effective
Date in accordance with Section 5.06.d.1, below.

21

#### 3. Reasonable Service Award to the Representative Plaintiffs:

Subject to Court approval, the Representative Plaintiffs shall make a separate application for
up to Ten Thousand Dollars (\$10,000.00) as a Service Award. The Service Award shall be paid by
check made payable to each Representative Plaintiff, which shall be delivered by the Claims
Administrator to Class Counsel within twenty-five (25) calendar days after the Final Effective Date.
The Service Award shall be paid out of the Gross Fund Value Amount and shall not constitute
payment(s) to any Participating Class Member(s).

28

It is the intent of the Parties that the Service Awards represent payment to Representative

Plaintiffs for the additional risks undertaken in prosecuting this action and their service to the Class 1 Members, and not wages, thus, the Claims Administrator shall not withhold any taxes from the 2 3 Service Award. The Service Award shall be reported on a Form 1099, which shall be provided by the Claims Administrator to the Representative Plaintiffs and to the pertinent taxing authorities as 4 5 required by law. Although it is the contemplation of the Parties that the Service Award does not represent wages, the Internal Revenue Service, the California Franchise Tax Board, or some other 6 7 taxing authority may take the position that some or all of the Service Award constitutes wages for 8 income tax and withholding purposes. The Representative Plaintiffs agree to assume the 9 responsibility of remitting to the Internal Revenue Service, the California Franchise Tax Board, and 10 any other relevant taxing authority the amounts required by law, if any, to be withheld by Defendant 11 from the Service Awards paid under this Agreement.

12 4. **PAGA Payment:** A payment of Twenty Five Thousand Dollars (\$25,000.00) shall be allocated to PAGA penalties, Eighteen Thousand Seven Hundred Fifty Dollars (\$18,750.00) 14 of which shall be payable to the California LWDA within twenty-five (25) calendar days of the Final 15 Effective Date. The PAGA penalties shall be paid out of the Gross Fund Value Amount. The remaining portion of the PAGA payment shall be distributed pro-rata to the Final Settlement Class 16 17 as set forth below in Section 5.06.c.1.

18 5. Allocation to Participating Class Members: The amount remaining from 19 the Gross Fund Value Amount after deducting the court-awarded reasonable attorney's fees and 20 litigation costs, reasonable Claims Administration Costs, reasonable Service Award payments, and 21 PAGA penalties portion allocated to the LWDA (the "Net Fund Value Amount") shall be distributed to members of the Class in accordance with the formula set forth below in Section 5.06.c. Final 22 23 Settlement Class members are not eligible to receive any compensation other than the Individual 24 Settlement Payments discussed below.

Individual Settlement Payments: The Individual Settlement Payments shall be 25 c. 26 calculated as follows:

27 1. Calculation: Each Class Member of the Final Settlement Class who does not Opt-Out shall be eligible to receive his/her Individual Settlement Payment, which shall be based on 28 23

information contained in Defendant's pertinent payroll records, and calculated as follows:

i) Each Class Member of the Final Settlement Class shall be allocated a
payment that is equal to (i) the number of weeks he or she worked for Defendant in
California, as a Class Member in an hourly or non-exempt position, based on the Class Data
provided by Defendant, divided by (ii) the total number of weeks worked by all Participating
Class Members based on the same Class Data, which is then multiplied by the Net Fund
Value Amount. One day worked in a given week will be credited as a work week for
purposes of this calculation. Therefore, the value of each Class Member's Individual
Settlement Payment ties directly to the amount of weeks that he or she worked..

ii) The employee's share of the payroll taxes shall be deducted and paid fromthe Individual Settlement Payment. The Claims Administrator shall calculate the IndividualSettlement Payments and the amount of the employee's share of payroll taxes to be deductedtherefrom in order to determine the net Individual Settlement Payment.

14 2. **Dispute Resolution:** The Claims Administrator shall have the initial responsibility of resolving all disputes that arise during the claims administration process, including, without 15 16 limitation, disputes, if any, regarding the calculation of the total number of gross wages earned by 17 each Class Member in their respective positions as residential managers (or otherwise similar job 18 duties and/or title) where the information submitted by Defendant based on their employment 19 records differs from the information submitted by Class Members. In resolving such disputes, 20 Defendant's employment records shall be presumed to be accurate and correct, and shall be final and 21 binding, unless the information submitted by the Claimant (e.g., pay stubs, employment records, 22 etc.) proves otherwise. In the event the Claims Administrator cannot resolve a dispute based on a 23 review of the available information, the Claims Administrator shall request a conference call 24 between the Claims Administrator, Class Counsel, and Defense Counsel to discuss and resolve the 25 dispute. After such call, the Claims Administrator shall resolve the dispute, and such resolution shall 26 be final and binding on the Class Member. In advance of the conference call, the Claims 27 Administrator shall fax or email copies of all available information to all counsel.

28

3.

**Fair Formula:** The Parties hereby agree that the formula for allocating payments to 24

Participating Class Members as provided herein is reasonable and designed to provide a fair 1 2 settlement to the Participating Class Members.

3

11

4. Allocation of Net Fund Value Amount Payments and Taxes: All Individual Settlement Payments made to Participating Class Members under this Agreement shall be allocated 4 5 as one-third wages, one-third penalties, and one-third interest. The Claims Administrator shall deduct from each Individual Settlement Payment all employee portions of payroll taxes from the 6 7 amount allocated to wages. Those Individual Settlement Payments shall be treated by the parties as 8 wages, subject to withholding and reporting on a Form W-2. Participating Class Members shall 9 report such Individual Settlement Payments as wages received, and Defendant shall report such 10 Individual Settlement Payments as wages paid, on their respective federal and state income tax returns. No part of the Individual Settlement Payments shall be classified as a penalty or allocated to 12 a penalty for purposes of Section 62(f) of the Internal Revenue Code of 1986, but rather shall be 13 classified as wages. Defendant shall not make as part of this Agreement, nor be required to make, 14 any deductions, nor pay any monthly contributions for any insurance, retirement, bonuses, 403(b), or 15 profit-sharing plans related to monies paid as a result of this Agreement.

16 The Parties understand and agree that Defendant is not providing tax or legal advice, or 17 making representations regarding tax obligations or consequences, if any, related to this Agreement, 18 and that the members of the Final Settlement Class will assume any such tax obligations or 19 consequences that may arise from this Agreement, and that Final Settlement Class Members shall 20 not seek any indemnification from Defendant in this regard. The Parties agree that, in the event that 21 any taxing body determines that additional taxes are due from any Final Settlement Class Member, 22 such Class Member assumes all responsibility for the payment of any such taxes.

23 d. Timing of Settlement Payments: As set forth in Section 5.06.b. above, no later than twenty (20) calendar days following the Final Effective Date, Defendant shall remit the full Gross 24 25 Fund Value Amount to the Claims Administrator via wire transfer (or other method reasonably 26 calculated to be received by the Claims Administrator within twenty (20) calendar days after the 27 Final Effective Date) for the purposes of making the payments described herein. Payments from the

28

Gross Settlement Fund shall fund the settlement and meet the obligations of Section 5.06.b and be
 paid by the Claims Administrator within the time frames set forth below in sections 5.06.d.1-5.

Payments of the following from the Gross Fund Value Amount shall be made in accordance
with the following subparagraphs:

Claims Administrator: The Claims Administrator shall be paid the Claims
 Administration costs from the Gross Fund Value, expected to be not more than Ten Thousand
 Dollars (\$10,000.00), twenty-five (25) calendar days after the Final Effective Date.

8 2. Class Counsel's Fees: The amounts approved by the Court for Class
9 Counsel's fees shall be paid by the Claims Administrator within twenty-five (25) calendar days after
10 the Final Effective Date and the Claims Administrator shall pay the total attorney's fee award to
11 Class Counsel.

Class Counsel's Costs: The amount approved by the Court for Class
 Counsel's costs shall be paid by the Claims Administrator within twenty-five (25) days after the
 Final Effective Date.

Class Representatives' Service Awards: The amount approved by the Court
 for the Class Representatives' Service Awards shall be paid by the Claims Administrator to Class
 Counsel within twenty-five (25) calendar days after the Final Effective Date.

18 5. **Individual Settlement Payments:** Within fifteen (15) days of the last date for 19 Opt-Outs or Objections to be timely submitted in accordance with Section 5.04.a and 5.04.b, above, 20 the Claims Administrator shall provide to the Parties a written statement of all Individual Settlement 21 Payments to be paid to all Participating Class Members and all required payroll taxes. The Claims 22 Administrator will distribute the Individual Settlement Payments to all Participating Class Members 23 within twenty-five (25) calendar days of the Final Effective Date. Claims Administrator shall issue 24 to each Participating Class Member a check in the amount of his or her Individual Settlement 25 Payment, as described in Section 5.06.c.1 (less applicable taxes and withholdings) via first-class 26 mail. Uncashed checks not negotiated within 180 days of their issuance are void. All Final 27 Settlement Class Members shall be bound by this Agreement and the release herein even if the Class 28 Member does not cash the settlement check issued to him or her comprising his or her Individual 26

STIPULATED SETTLEMENT AGREEMENT AND RELEASE OF CLAIMS

Settlement Payment. If any Settlement Class Member has not cashed his or her Settlement Payment 1 check within ninety (90) days of issuance, the Settlement Administrator shall mail that Class 2 3 Member a postcard reminding him/her of the deadline to cash such check and providing information as to how to obtain a reissued check in the event the check was lost, stolen or misplaced. Any checks 4 5 issued to Class Members shall remain valid and negotiable for one hundred eighty (180) days from the date of issuance. After all settlement funds have been distributed and all checks issued to 6 7 Settlement Class Members have either been cashed or have remained uncashed and gone stale, the 8 Settlement Administrator shall deposit any residual funds from uncashed checks with the California 9 State Controller's Office - Unclaimed Property.

10

#### Residuals

e.

f.

If any amount of the Gross Fund Value Amount remains unallocated as a result of
 modification to the requested attorney's fees, costs, Class Representative Service Award or Claims
 Administration Costs, this amount shall become part of the Net Fund Value Amount and be
 distributed pursuant to Section 5.06.c.

15

#### ARTICLE VI

#### LIMITATIONS ON USE OF THIS SETTLEMENT

#### Section 4.01: No Admission

Defendant denies that Defendant has engaged in any unlawful activity, that Defendant failed 6 7 to comply with the law in any respect, that Defendant has any liability to anyone based upon the 8 claims asserted in the Action, and Defendant asserts that but for this Settlement a class should not be 9 certified in this Action. This Agreement is entered into solely for the purpose of compromising 10 highly disputed claims. Nothing in this Agreement is intended or shall be construed as an admission 11 of liability or wrongdoing by Defendant.

12 Defendant has concluded that any further defense of this litigation would be protracted and 13 expensive for all Parties. Substantial amounts of time, energy, and resources of Defendant have been spent and, unless this Settlement is agreed to, will continue to be devoted to the defense of the 14 15 Claims asserted by the Class. Defendant has also taken into account the risks of further litigation in 16 reaching this decision. Defendant has, therefore, agreed to settle in the manner and upon the terms 17 set forth in this Agreement to put to rest the Claims as set forth in the Action.

18 As to the claims and allegations in this Action, including but not limited to wage claims, meal and rest period claims, overtime pay claims, minimum wage claims, claims for uncompensated 19 20 work time, wage statement claims, claims for waiting time penalties, unfair business practices 21 claims, claims for reimbursement of business expenses, and claims for PAGA penalties, Defendant 22 denies and continues to deny each of those claims and contentions alleged by Representative 23 Plaintiffs and the Class in the Action. Defendant has repeatedly asserted and continues to assert 24 defenses thereto, and has expressly denied and continues to deny any wrongdoing or legal liability 25 arising out of any of the facts or conduct alleged in the Action.

26

#### Section 4.02: Non-Evidentiary Use

27 Whether or not the settlement becomes final, neither this Agreement nor any of its terms nor 28 the Settlement itself shall be: (a) construed as, offered, or admitted in evidence as, received as, or

deemed to be evidence for any purpose adverse to Defendant or any other of the Released Parties,
including but not limited to, evidence of a presumption, concession, indication, or admission by any
of the Released Parties of any liability, fault, wrongdoing, omission, concession, or damage, or (b)
disclosed, referred to, or offered in evidence against any of the Released Parties in any further
proceeding in the Action, or any other civil, criminal, or administrative action or proceeding except
for the purposes of effectuating the Settlement pursuant to this Agreement or for Defendant to
establish that a Class Member has resolved any of his/her claims released through this Agreement.

8

#### Section 4.03: Nullification

9 The Parties have agreed to the certification of the Class for the sole purpose of effectuating this Agreement. If (a) the Court should for any reason fail to certify a class for settlement, or (b) the 10 11 Court should for any reason fail to approve this Settlement in the form agreed to by the Parties 12 (except for the amount of attorney's fees, costs and Service Awards awarded), or (c) the Court 13 should for any reason fail to enter the Final Order, or (d) the Final Order is reversed, modified, or declared or rendered void, then (i) this Agreement shall be considered null and void; (ii) neither this 14 15 Agreement nor any of the related negotiations or proceedings shall be of any force or effect; (iii) all Parties to this Agreement shall stand in the same position, without prejudice, as if the Agreement had 16 17 been neither entered into nor filed with the Court; and (iv) the fact that the Parties were willing to 18 stipulate to class certification as part of the Settlement shall have no bearing on, and shall not be 19 admissible in connection with, the issue of whether a class should be certified in a non-settlement 20 context in this Action or any other action, and in any of those events, Defendant expressly reserves 21 the right to oppose any motion for class certification.

Invalidation of any material portion of this Agreement, except for the amount of attorney's
fees, costs and Service Award, shall invalidate this Agreement in its entirety unless the Parties shall
subsequently agree in writing that the remaining provisions shall remain in full force and effect.

#### I. <u>BACKGROUND OF THE CASE</u>

On December 4, 2020, Abel Escobedo ("Escobedo") filed a class action complaint in the San Diego County Superior Court entitled *Abel Escobedo v. Matheson Tri-Gas, Inc.*, Case No. 37-2020-00044507-CU-OE-CTL, on behalf of himself and a proposed class consisting of allegedly similarly situated individuals currently or formerly employed by *Matheson Tri-Gas, Inc.* ("Matheson" or "Defendant"), in which he asserted claims for: (1) Failure to Pay Minimum Wage; (2) Failure to Pay

1

<a href="https://www.settlement.administrator"></a>

Overtime Wages; (3) Failure to Provide Accurate, Itemized Wage Statements; (4) Failure to Permit Meal Periods; (5) Failure to Permit Rest Periods; (6) Waiting time penalties; (7) Civil Penalties Under the Private Attorney General Act of 2004; and (8) Unlawful Business Practices. On May 10, 2021, Christopher Carver ("Carver," and together with Escobedo, "Plaintiffs") filed a complaint in the matter of Christopher Carver v. Matheson Tri-Gas, Inc., Case No. 37-2021-00020711-CU-OE-CTL in the Superior Court of California, County of San Diego, alleging the following claims: (1) Failure to Pay All Straight Time Wages; (2) Failure to Pay All Overtime Wages; (3) Failure to Provide Meal Periods; (4) Failure to Authorize and Permit Rest Periods; (5) Knowing and Intentional Failure to Comply with Itemized Employee Wage Statement Provisions; (6) Failure to Pay All Wages Due at the Time of Termination of Employment; (7) Irregular Pay Periods; (8) Failure to Adopt a Compliant Sick Pay/Paid Time Off Policy; and (9) Violation of Unfair Competition Law. That same day, Carver filed a complaint in the matter of Christopher Carver v. Matheson Tri-Gas, Inc., Case No. 37-2021-00020726-CU-OE-CTL in the Superior Court of California, County of San Diego, alleging identical violations of the California Labor Code and seeking civil penalties under the PAGA. These complaints have now been consolidated into a single action. Collectively, the complaints and associated letters to the LWDA constitute the "Litigation."

Matheson contends the claims in this Litigation are without merit, and disputes all claims for damages, penalties, and other relief. No court has ruled on the merits of the Litigation.

Plaintiffs have vigorously prosecuted this case, and Matheson has vigorously defended it. The Parties have investigated the facts to assess the relative merits of Plaintiffs' class action and representative claims and Matheson's defenses to those claims. Plaintiffs' attorneys ("Class Counsel") reviewed extensive documents and information produced by Matheson and conducted extensive analysis of the potential damages and claims.

The Parties believe that further proceedings in this case, including a trial and probable appeals, would be very expensive and protracted. No one can confidently predict how the various legal questions at issue, including liability, and the amount of damages or penalties, if any, would ultimately be resolved. Therefore, upon careful consideration of all of the facts and circumstances of this case, the Parties believe that the proposed settlement is fair, reasonable and adequate.

The Parties have entered into a Class Action Settlement Agreement which has been granted preliminary approval by the Court. The Agreement provisionally certifies the Settlement Class for purposes of this settlement.

#### II. <u>SUMMARY OF THE PROPOSED SETTLEMENT</u>

Plaintiffs and Class Counsel support this settlement. Among the reasons given for support include the risk that class certification could be denied, the inherent risk of trial on the merits, and the delays associated with litigation, including appeals.

The settlement provides for the following:

**A.** Gross Fund Value Amount: Defendant will pay \$750,000.00 to settle the Litigation. The \$750,000.00 Gross Fund Value Amount shall consist of the following elements: (a) Class Counsel's Attorney's Fees; (b) Litigation Expenses; (c) Class Representative Service Award; (d) Settlement Administration Expenses; (e) PAGA Payment to the California Labor and Workforce Development Agency; and (f) Net Fund Value Amount. Each of these components is described below.

**B**. Class Counsel's Attorney's Fees: Class Counsel anticipates requesting an attorney fee award of not more than one-third of the Gross Fund Value Amount, subject to court approval, which shall be paid from the Gross Fund Value Amount.

C. Litigation Costs: Class Counsel anticipates requesting an award of no more than \$20,000.00 subject to court approval, as reimbursement for litigation costs, which shall be paid from the Gross Fund Value Amount.

**D**. Class Representative Service Award: Plaintiffs anticipate requesting a service award of no more than \$10,000.00 each, subject to court approval, for their role serving as Class Representative, which shall be paid from the Gross Fund Value Amount.

E. Private Attorneys General Act (PAGA) Allocation: The Parties have designated \$25,000.00 of the Gross Fund Value Amount as representing the recovery of civil penalties pursuant to the Labor Code Private Attorneys General Act of 2004. Of this amount, 75% (\$18,750.00) will be paid to the California Labor and Workforce Development Agency (LWDA), and the remaining 25% (\$6,250.00) shall become part of the Net Fund Value Amount available for distribution to members of the Class.

**F**. Settlement Administration Expenses: The Parties have selected, and the court has approved Phoenix Class Action Settlement Administration Solutions ("Phoenix) to administer the settlement. Upon final approval, Class Counsel will request that the court approve a payment to Phoenix to cover its fees and costs associated with giving notice to the Class, administering and disbursing the Net Settlement Fund, and other activities required to administer the settlement. The Parties estimate that the payment to Phoenix will be approximately \$10,000, which shall be paid from the Gross Fund Value Amount.

**G**. Net Fund Value Amount: The Net Fund Value Amount consists of all funds remaining from the Gross Fund Value Amount after subtraction of court-approved Class Counsel's Attorney's Fees, Litigation Costs, Class Representative Service Award, PAGA Payment to the LWDA, and Settlement Administration Expenses. The Net Fund Value Amount will be distributed to the Settlement Class as described below.

**H**. Class Defined: "Class" means "All non-exempt drivers, truck drivers, truck workers, or similar job designations and titles, and all other similarly situated non-exempt employees of Defendant Matheson Tri-Gas, Inc. employed in the State of California from December 4, 2016 through July 28, 2022."

I. Settlement Class Defined: "Settlement Class" – means all those persons who are members of the Class and who have not properly and timely excluded themselves ("opted out") from the Litigation.

J. Settlement Period Defined: "Settlement Period" – means December 4, 2016 through July 28, 2022.

**K**. Allocation of Net Fund Value Amount Among Settlement Class Members: Each Settlement Class Member shall be entitled to a portion of the Net Settlement Fund which will be allocated proportionally based on the amount of weeks worked by each Settlement Class Member during the Settlement Period in proportion to the total number of weeks worked by all Participating Class Members during the Settlement Period.

L. Tax Treatment of Payments to Settlement Class Members: All Individual Settlement Payments made to Participating Class Members under this Agreement shall be allocated one-third wages, one-third penalties, and one-third interest. The Claims Administrator shall deduct from each Individual Settlement Payment all employee portions of payroll taxes from the amount allocated to wages. Those Individual Settlement Payments shall be treated by the parties as wages, subject to withholding and reporting on a Form W-2. Participating Class Members shall report such Individual Settlement Payments as wages received. No part of the Individual Settlement Payments shall be classified as a penalty or allocated to a penalty for purposes of Section 62(f) of the Internal Revenue Code of 1986, but rather shall be classified as wages. Each Settlement Class Member shall be responsible for remitting to state and/or federal taxing authorities any applicable taxes which may be owed on the portion of his or her Settlement Payment or Class Representative Service Award. The Settlement Administrator shall report all required information to the appropriate taxing authorities regarding all payments made pursuant to this Agreement.

#### III. WHAT ARE YOUR RIGHTS AS A CLASS MEMBER?

Your interests as a Settlement Class Member are represented by Plaintiffs and Class Counsel. Unless you opt out of the Settlement Class, you are a part of the Settlement Class, you will receive your settlement share, be bound by the terms of the settlement agreement and any final judgment that may be entered by the court, and you will be deemed to have released certain claims against Matheson as described below. Class Counsel will be seeking court approval for payment for its fees and litigation costs from the Gross Fund Value Amount. Accordingly, as a member of the Settlement Class you will not be individually responsible for the payment of attorney's fees or reimbursement of litigation expenses unless you retain your own counsel, in which event you will be responsible for your own attorney's fees and costs.

#### A. <u>Participating in the Settlement</u>

If You Qualify For Inclusion In The Settlement Class And You Wish To Participate In The Settlement, You Are <u>Not Required To Take Any Action</u>. If the court grants final approval to the settlement and you qualify as a Settlement Class Member, you will receive a Settlement Payment based on the calculations described above. Your estimated individual settlement amount is << \_\_\_\_\_>, which is based on Defendant's records showing you worked \_\_\_\_\_ workweeks during the Settlement Period. This is only an estimate. The final amount may change and is subject to final approval by the Court. You will also be bound by the terms of the settlement and will release Defendant and all related or affiliated entities from any and all claims that you may have based on the allegations in the lawsuit.

#### B. <u>Objecting to the Settlement</u>

If you would like to challenge any of the settlement terms you can object to the settlement before final approval. However, if the Court rejects your objection you will still be bound by the terms of the settlement unless you seek exclusion, as described below. To object, you must mail a written objection entitled "Class Member Objection" and a notice of intention to appear to the San Diego County Superior Court, Department C-65, 330 West Broadway, San Diego, CA 92101, by <<30 days after notice mailing>>, and send copies to the following:
